Sustainable mobility by **Drivalia** takes the field once again to promote solidarity and respect for the environment. The FCA Bank Group's rental, leasing and mobility company is the **official sponsor of the Italian National Singers Football Team**, founded in 1981 to advance charity and other worthy causes for the needy.

By virtue of the partnership, Drivalia will support the team of artists throughout 2023. The company's logo will be on the jerseys of the national team starting with **the 21 March match against Play2Give**, scheduled at 3.30 p.m. at the Centro Sportivo Città di Monza. The two teams will play to raise awareness on the issue of plastic recycling and, to that end, their jerseys will be made of recycled Pet.

Donations will be accepted for admission and the proceeds will be devolved to "La Meridiana" social cooperative, which for over forty years has been committed to ensuring the wellbeing of frail people, especially the elderly, suffering from serious illnesses and disabilities.

For the match, Drivalia will offer a 10% discount to all customers in Lombardy who wish to reach the Centro Sportivo by renting an electric or hybrid car from its fleet.

Drivalia will also support the national team by making four cars available to the management and the team. Through the sponsorship, the company intends to encourage sustainable mobility and several promotions dedicated to the fans of the national team will be launched during the year.
