

G7: Drivalia is the mobility partner of the upcoming Ministerial Meetings

- **On the occasion of the Ministerial Meetings to be held in Siracusa (Agriculture), Matera (Gender Equality and Women's Empowerment), Ancona (Health), Assisi and Solfagnano (Inclusion and Disability), and Pescara (Development), the mobility and car rental company of the CA Auto Bank Group will support Maserati, as the company's Grecale Modena will be the official car of the G7.**
- **Drivalia will provide the event organizers with several cars, sourced from its fleet, from the prestigious House of the Trident.**

Turin, September 27, 2024

Drivalia, the rental, leasing, and mobility company of the CA Auto Bank Group, is the mobility partner for the upcoming G7 Ministerial Meetings:

- Ministerial Meeting on Agriculture, September 26-28, Siracusa
- Ministerial Meeting on Gender Equality and Women's Empowerment, October 4-6, Matera
- Ministerial Meeting on Health, October 9-11, Ancona
- Ministerial Meeting on Inclusion and Disability, October 14-16, Assisi and Solfagnano (Perugia)
- Ministerial Meeting on Development, October 22-24, Pescara

The G7 Ministerial Meetings, held in connection with the traditional G7 Summit, address global issues and coordinate common policies, bringing together the competent ministers.

As the mobility partner, Drivalia will support Maserati, with the company's Grecale Modena serving as the official car of the G7. Drivalia will provide several Maserati cars from its fleet to assist the event organizers. These vehicles, representing Maserati's 100% "Made in Italy" elegance, style, and design, will be used to transport ministers and officials of the participating institutions.

Drivalia

Drivalia, a rental, leasing and mobility company of the CA Auto Bank group, provides a full range of mobility solutions, from electric car sharing to innovative car subscriptions and rentals of all durations. Drivalia deals with all-round mobility, offering innovative mobility plans that combine flexibility, a digital experience, an on-demand approach, and sustainability. In June 2019, the Company launched the Mobility Store network, physical outlets where customers can have access to all its mobility services. With the opening of the first fully electrified Mobility Store at Torino Caselle airport in 2020, followed by many others, Drivalia has become a leading operator also in sustainable mobility. In fact, thanks to the more than 1,800 charging stations installed at all its stores to date, the Company has the largest private electrified network in Italy. The electrification process will proceed in all the European countries where Drivalia operates also in 2024.
