

Drivalia is the mobility partner of the Torino Film Festival

PRESS RELEASE

The future of mobility by **Drivalia** returns to theaters, together with the cinema of tomorrow. The CA Auto Bank Group's rental, leasing, and mobility company is again the **mobility partner** of the **Turin Film Festival**, whose 41st edition is taking place from Nov. 24 to Dec. 2.

Drivalia supports the festival by providing cars from its green fleet to the organizing team. These vehicles will be used to transport artists to the opening event on November 24 at the Reggia di Venaria. This sustainable initiative exemplifies Drivalia's ongoing dedication to supporting the arts and cinema, collaborating with the National Museum of Cinema to organize shows and events in the city of Turin.

Unveiled at the Mondial de l'Auto in Paris 2022, **Drivalia** was established with the ambition to become a key player in the new mobility sector in Europe. Central to Drivalia's vision is the offering of a **comprehensive range of mobility solutions**, including electric car sharing, innovative car subscriptions, and rentals of all durations. The company approaches mobility holistically, presenting innovative plans that blend flexibility, digital accessibility, on-demand services, and sustainability.

Currently operating in 13 European countries - Italy, France, the United Kingdom, Spain, Portugal, Greece, Denmark, Belgium, the Netherlands, Finland, the Czech Republic, Ireland, and Norway - Drivalia is due to debut in **Germany and Poland** by the end of 2023.

Drivalia

Drivalia is CA Auto Bank's rental and mobility company. It provides a full range of mobility solutions, from electric car sharing to innovative car subscriptions and rental for all durations. Drivalia deals with mobility in all its facets, providing innovative mobility plans that combine flexibility, digital use, on-demand approach and sustainability. In June 2019, the company launched the Mobility Stores, physical outlets where customers can access all of the company's mobility services. With the opening of the first totally electrified Mobility Store in Torino Caselle airport in 2020, followed by many others, Drivalia has become a key operator also in sustainable mobility. In fact, thanks to the over 1,600 charging stations installed in all the Stores, Drivalia has Italy's largest private electrified network. In 2023, the electrification project will continue also in the European countries in which Drivalia operates
