Saia Announces General Rate Increase

JOHNS CREEK, Ga. – July 6, 2026 – Saia Inc. (NASDAQ: SAIA) announced that Saia LTL Freight will implement a general rate increase (GRI) of 7.1% on less-than-truckload (LTL) and truckload shipments effective today, July 6, 2026. The increase will vary by customer based on shipment characteristics and will affect select accessorial and minimum charges. Updated Saia 5700 rates and the Saia 170D rules tariff are available at saia.com.

“As we continue investing in our network, technology and service offerings, we remain committed to delivering the reliable, high-quality experience that customers expect,” said Executive Vice President and Chief Financial Officer Matthew Batteh. “Over the past three years, our record level of investments have all been in support of the customer experience, and our now national network provides customers more solutions than ever before. Our continued investments will support expanded logistics capabilities and enhanced shipment visibility while positioning Saia for long-term growth in an ever-changing supply chain environment.”

The rate increase helps offset rising operating costs while supporting ongoing investments that enable Saia to deliver greater value, capacity and service for customers nationwide.
