Holiday Shipping

A Successful Season Starts with a Plan

The holiday rush puts supply chains to the test. Saia helps customers stay ready with the support and reliability you need to keep freight moving.

- Nationwide LTL coverage across 48 states
- Priority Services for time-critical holiday freight
- Retail delivery expertise, including MABD support
- Warehousing, cross-dock, and consolidation solutions through Saia Logistics

Peak Season Pressure

Holiday demand can create shipping challenges fast – tighter timelines, inventory swings, and big pressure to deliver on time. Saia helps customers stay prepared with the services and support needed to keep freight moving through peak season.

Staying Ahead Starts Early

Peak season success starts with preparation. Saia helps customers stay ahead of holiday shipping challenges with reliable service, operational flexibility, and support designed to keep freight moving when demand is at its highest.

NATIONWIDE COVERAGE THAT KEEPS FREIGHT MOVING

Saia's nationwide LTL network helps simplify holiday shipping across markets, with reliable coverage across the lower 48 states.

PRIORITY SERVICES FOR TIME-CRITICAL FREIGHT

From expedited shipping to expanded guaranteed delivery options, Saia Priority Services provide greater control and flexibility when timing matters most.

RETAIL DELIVERY EXPERTISE

Saia helps customers navigate retail requirements with accurate documentation, scheduled delivery support, and MABD-focused solutions built for peak season demands.

FLEXIBLE LOGISTICS SUPPORT

Through Saia Logistics, customers can access warehousing, cross-dock, and consolidation services to help manage seasonal demand.

PROTECTION FOR HIGH-VALUE FREIGHT

Full Value Coverage options provide added peace of mind for high-value or high-demand seasonal shipments.
