## Saia Opens Second Terminal Near Kansas City

JOHNS CREEK, GA – Feb. 6, 2023 – Saia Inc. (NASDAQ: SAIA) announced today that Saia LTL Freight has opened a new terminal in the city of Edwardsville, Kansas. With nearly 140 doors, this will be the second facility for the carrier in the Kansas City metropolitan area.

“We’ve seen tremendous growth in the Kansas City area so this new terminal, which we’re calling ‘KCW’ or ‘Kansas City West,’ will allow us to offer enhanced service to customers by positioning drivers and equipment so we can provide additional capacity and flexibility,” said Saia Vice President of Operations, West Kevin Szydel.

Kansas City is one of the largest freight hubs in the Midwest and is an important gateway for freight moving through the Saia network. The facility is another investment in Saia’s ongoing strategy to move closer to the customer and provide differentiated service in both new and existing markets.

“While we’ve opened a number of facilities in new markets over the last few years, we continue to invest in locations like Kansas City where Saia is a leading brand,” stated Szydel.

The terminal is currently seeking to fill several positions, including those for dockworkers, maintenance personnel and mechanics. Interested candidates can visit [Work for Us](#) to learn more about the positions and apply.
