Saia Opens New Terminal in Laredo, Texas

The new facility will serve as a gateway to Mexico.

JOHNS CREEK, GA – June 10, 2024 – Saia Inc. (NASDAQ: SAIA) is proud to announce the opening of Saia LTL Freight's new terminal in Laredo, Texas. The facility marks a significant investment in Saia's Laredo operations, with an eye towards offering enhanced capabilities, including onsite warehousing, to support our growing customer base.

"We are thrilled to move into our larger, newly renovated facility in Laredo," said Vice President of Operations, West Kevin Szydel. "This terminal is important to our operations as it will serve as one of two gateway terminals to Mexico, in addition to enhancing our service across the Central and Southern U.S., supporting the local economy with job opportunities and improved shipping services. In addition to offering onsite warehousing, we will also provide customers seamless cross-border pool distribution and truckload services through our exclusive partnership with Fletes Mexico."

The new Laredo terminal is a key component to Saia's strategic expansion, enhancing direct shipping points and providing greater flexibility for customers. In 2024, Saia has already bolstered its presence with new facilities in Montana, New Jersey, Texas, and Utah, expanding its reach across the Northeast, South, and Western U.S. The company plans to open up to 16 additional terminals this year, continuing to strengthen its national network.

"With each new terminal, we remain committed to our chief core value, 'Customer First,'" Szydel added. "Our success is built on our ability to provide exceptional service, and this facility in Laredo is a testament to our dedication to replicating that service excellence."

Saia is also actively hiring new employees across its network, including drivers, dockworkers, and various office, sales, and management positions. Interested candidates are encouraged to visit the [Saia website](#) to learn more about open positions and apply.
