

## CUBEO

Litter bin

FCO8001

### Materials

Electro-galvanized steel frame, finished in powder coated polyester. 12 mm compact laminate panels. Galvanized steel swivel flap. Polyethylene bin included.

### Standard finish

Compact laminate: O935NT Voyager  
Finish corresponding to the reference FCO8001.  
Other colours on request.

### Fixing

Can be fixed to the ground. On request.

### Optional

Several options are available on request:  
- selective sorting version  
- slap lock

### Benefits, lifespan and maintenance

Furniture with a sleek, modern design, that is both light and robust. Materials tested for outdoor use: compact HPL high-pressure laminate, biosourced and UV-, weather- and impact-resistant. The aluminium frame is a recyclable, lightweight and corrosion-resistant material. The furniture is delivered in flat packs and is easy to assemble. Easily replaceable parts. Simple cleaning (water + soap).

### Customisation

Installation of a sticker on request.  
Engraving of a logo or any other graphic element on request.
