

CUBEO

Ashtray

FCO8000

Materials

Electro-galvanized steel frame, finished in powder coated polyester. 12 mm compact laminate panels. Electro-galvanized steel tray.

Standard finish

Compact laminate: 0935NT Voyager

Metal: Black 2200 sanded

Finish corresponding to the reference FCO8000.

Other colours on request.

Fixing

Installation on finished floor. Must be fixed to the ground on a concrete slab. Concrete screws supplied. Other fixing methods on request.

Benefits, lifespan and maintenance

Furniture with a sleek, modern design, that is both light and robust. Materials tested for outdoor use: compact HPL high-pressure laminate, biosourced and UV-, weather- and impact-resistant. The aluminium frame is a recyclable, lightweight and corrosion-resistant material. The furniture is delivered in flat packs and is easy to assemble. Easily replaceable parts. Simple cleaning (water + soap).

Customisation

Engraving of a logo or any other graphic element on request.
