Benefits, lifespan and maintenance

Furniture with a sleek, modern design, that is both light and robust. Materials tested for outdoor use: compact HPL high-pressure laminate, biosourced and UV-, weather- and impact-resistant. The aluminium frame is a recyclable, lightweight and corrosion-resistant material. The furniture is delivered in flat packs and is easy to assemble. Easily replaceable parts. Simple cleaning (water + soap).

Table and stools can be sold separately.

Customisation

Engraving of a logo or any other graphic element on request.
