## Homes for Ukraine scheme

Here are some quick facts for sponsors about the Homes for Ukraine scheme.

If you haven't had them already, there will be checks (background and in-person) on you, your family and the accommodation that you will provide.

Current government guidance is that any benefits entitlements remain unchanged if you take in a Ukrainian person or people.

If you receive single person discount on your council tax, this remains unchanged if you take in a Ukrainian person or people.

Ukrainian nationals arriving under the scheme will be able to:

- live and work in the UK for up to three years
- access healthcare, benefits, employment support, education, and English language tuition

For more information about the scheme and related support, visit:

[homesforukraine.campaign.gov.uk](https://homesforukraine.campaign.gov.uk)

For frequently asked questions about the scheme, visit:

[www.gov.uk/guidance/homes-for-ukraine-scheme-frequently-asked-questions](https://www.gov.uk/guidance/homes-for-ukraine-scheme-frequently-asked-questions)

- Name(s) of the guest(s)
- Whether your guests include children aged 0 to 18 year old
- Date of arrival
- The name of the district, city or borough council, that covers the area you live in

Fleeing the warzone in Ukraine may place particular strain on children, and it might create difficulties within family relationships.

The purpose of our Children's Social Care service is to keep children safe and well. We intervene if a child is suffering and also provide parents with help and support. This might be if a parent is too unwell to look after their child, or if their child has additional or special needs.

### **Find a children or family support service**

[www.essex.gov.uk/directory-of-services](http://www.essex.gov.uk/directory-of-services)

### **Request support for more complex needs**

If you have concerns about a child's wellbeing, you or their parent/carer can make a request for intensive support.

This might include: if a child is at risk of harm or neglect; if they have significant behavioural difficulties; or if family members are involved in crime, substance misuse or domestic violence.

Website:  
[www.essex.gov.uk/request-support-from-us](http://www.essex.gov.uk/request-support-from-us)

Please advise your guest(s) that in an emergency they should call 999 and speak to the police if:

- a serious offence is in progress or has just been committed
- someone is in immediate danger or harm

## Essex County Fire and Rescue Service

The Essex County Fire and Rescue Service is here to keep everyone safe. Here is some guidance that can help you and your guest stay safe.

### Fire safety

Fires at home are more common than you might think. To stay safe from fire, make sure to:

- have smoke alarms on every floor of your home and test them regularly
- avoid leaving cooking unattended or using chip pans and lots of hot oil
- avoid overloading electric sockets – most can take a maximum of 13 amps
- keep matches and lighters away from children
- keep clothes away from heaters and open fires
- put out and dispose of cigarettes properly
- avoid charging mobile phones, tablets or e-cigarettes overnight, or longer than the recommended charging time
- plan an escape route in the case of a fire and make sure everyone in the property knows how they can get out

We offer free home fire safety visits to any Essex resident. If you do not have working smoke alarms, or have working smoke alarms but would like more information about how to live safely and securely at home, you can book a free visit at: [www.essex-fire.gov.uk/Home\\_Fire\\_Safety](http://www.essex-fire.gov.uk/Home_Fire_Safety) or call 0300 303 0088.

### Water safety

If you go swimming or are near water, remember:

- only swim at the beach and other places if lifeguards are present
- even on a warm day, the water is colder than it looks which can affect your ability to swim – enter the water slowly
- don't go too far and always swim parallel to the shore
- if you get caught in a rip current, swim parallel to the shore until you are free. Call for help.
- don't swim alone – always take someone with you

If you are in trouble in water, float on your back then call for help or swim to safety.

If someone else is in trouble in water, **call 999 immediately**. Throw them something that floats so they can hold onto it.

### Road safety

To drive in England, your guest(s) need a valid driver's license and valid insurance. The vehicle should be taxed and roadworthy. Remember Ukrainian nationals will be used to driving on the right side of the road.

To stay safe on the road:

- don't drive under the influence of alcohol or drugs
- don't use a mobile phone while driving
- stay within the speed limit
- wear your seatbelt and make sure passengers do too
- call 999 if you are involved in a collision and it is an emergency
- download the What3Words app so emergency services can find you
