Essex County Council

Online admissions

Parents and carers who live in the Essex County Council area (excluding those living in the Borough of Southend-on-Sea or in Thurrock) can apply for their child's school place online using the Essex Online Admissions Service at:

www.essex.gov.uk/admissions

The online application system has a number of benefits for parents and carers:

- you can access related information through links on the website to find out more about individual schools, home to school transport or inspection reports;
- when you have submitted your application you will receive an email confirming this;
- you will be told the outcome of your online application by email on offer day if you requested this when you applied.

You will be able to make your application online from 10 September 2021.

The closing date for secondary applications is 31 October 2021. This is the statutory national closing date set by the Government.

Please ensure that you read the information in this directory alongside the 'Secondary Education in Essex 2022/2023' admissions guide, which provides all the information you need to know on the admissions processes.

Key Points to Remember

APPLY ON TIME - closing date 31 October 2021.

- Use all 6 preferences.
- Tell us immediately in writing (email or by letter) about any address change.
- If entitlement to school transport is important to you, please make sure you read and understand the 'Home to School Transport' section in the 'Secondary Education in Essex 2022/2023' admissions guide and also the Education Transport policy at www.essex.gov.uk/schooltransport. School priority admission (catchment) areas are not relevant to transport eligibility. Transport is generally only provided to the nearest available school where the distance criteria is met. It is vital you carefully consider the transport implications before you make your application for a school place. If you need any further advice please contact us at educationawards@essex.gov.uk.

Number on roll Jan 2021: 1403

In 2021 the last child was admitted under criterion 3

Admissions Policy

There is no guarantee of a place in the school. In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children living in the priority admissions area with a sibling attending the school;
3. children living in the priority admission area;
4. children living outside the priority admissions area with a sibling attending the school;
5. remaining applications.

More information about the school will be available on its website.

This indicates the type of school. See the Secondary Education 2022/2023 booklet for more information.

Department for Education unique identification number for the school.

No. of places available in Yr 7 for Sept 2022.

See Note 1

Total number of pupils at the school from the January 2021 school census.

The last admissions criterion under which pupils were admitted to the school last year as at 1 March 2021.

The normal age range of the school is shown here. Schools with an age range of 11-18 have sixth forms.

Note 1

The total number of applications received was collated in March 2021. The PAN and the number of applications received for 2021 should give you an idea of the demand for places at the school. Treat this information carefully and talk to the school about it. For instance, some applications may have been second, third or even sixth preferences and these increase the overall number of applications. However you should be aware that if you only apply for schools that are oversubscribed you may not receive a place at any of them.

 Applications received (all preferences) Sept 2021: 256
 Number on roll Jan 2021: 838
 In 2021 the last child was admitted under criterion C

Admissions Policy

Where the number of applications for admission is greater than the published admission number, applications will be considered against the criteria, and in the order, set out below. After the admission of children with statements of special education need which name the Academy on the statement, applications will be considered from:

- a) students in public care/'looked after' children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
- b) students, who at the time of application, have a sibling[#] on the roll in the Academy and who will still be on the Academy's roll at the time the applicant starts at the 11–14 Academy;
- c) other children. Priority will be given on the basis of the closeness of the child's home to either the Basildon Lower Academy or the Basildon Upper Academy, whichever is nearer. Proximity will be measured by straight line distance*.

In the event of a tie in either category 'b' or 'c' above the Chair of Governors, supervised by an independent scrutineer, will draw names.

[#] For the purposes of criterion (b) above, a sibling of an applicant means a natural brother or sister, step-siblings, half-brother or half-sister of the applicant, or adopted brother or sister, who will be living with the applicant at the same address on the date of their entry to the Academy.

* For the purposes of criterion (c) the straight line distance will be measured from the address-point of the student's home to the address-point of either Academy site, whichever is nearer and regardless of distance of travel. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet. Where a student lives for part of each week at a different address, the 'home' address shall be that address which is the main family home and where the student spends the majority of the week.

Waiting list held until: end of academic year.

How to apply for a place in Year 10

Applications will be handled in accordance with the process and timetable for the co-ordination of pupil admissions to secondary schools published in this booklet. Applications should be made as follows:

Parents of children attending Year 9 of the Basildon Lower Academy must sign the transfer register available at the Upper Academy by the published closing date to apply to transfer their child to Year 10 at the Upper Academy. If your child is attending the Basildon Lower Academy and you do not sign the transfer register at the Upper Academy, your child will not be offered a place at the school. This may result in your child being without a school place in Year 10 as the Upper Academy is the only school in Basildon and neighbouring areas that admits children into Year 10 as a normal year of entry. Parents can apply for a place in Year 10 at another secondary school as well as signing the transfer register at the Upper Academy by completing a Mid-Year Application Form available from the Local Authority. Applications for transfer to other schools in September 2022 received by the Local Authority on the Mid-Year Application Form will be treated as casual admissions and will not be determined until the second half of the summer term 2022. The offer of a place in Year 10 at an alternative school will be dependent on there being spaces available at the school.

Parents with children in Year 9 at other secondary schools who wish to apply for a place in Year 10 from September 2022 must complete the Upper Academy application form available from the LA and return it to the LA by the published closing date.

Admissions to Sixth Form

There will be open access to post 16 provision for the Academy's own pupils. A full range of courses will be available and students will agree their programmes with Academy tutors, at the level appropriate to their ability. The same course provision and enrolment arrangements will apply to external applicants.

BASILDON

Basildon Upper Academy (continued)

The Academy will admit up to 70 external applicants in Year 12. If more than 70 external applicants apply for a place, after the admission of children with statements of special educational need which name the Academy, priority will be given in the following order:

- 1) Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
- 2) other children. Priority will be given on the basis of closeness of the child's home to the Basildon Upper Academy, measured by straight line distance*.

In the event of a tie in category '2', the Chair of Governors, supervised by an independent scrutineer, will draw names.

* For the purposes of criterion '2' the straight line distance will be measured from the address-point of the student's home to the address-point of the Upper Academy site, regardless of distance of travel. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet. Where a student lives for part of each week at different address, the 'home' address shall be that address which is the main family home and where the student spends the majority of the week.

 Applications received (all preferences) Sept 2021: 693
 Number on roll Jan 2021: 1430
 In 2021 the last child was admitted under criterion 3

Admissions Policy

Where applications for admission exceed the number of places available the following criteria will be applied in the given order:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. Children with a sibling‡ attending the school.
3. Children living in the priority admission area (which is those living with postcodes starting SS11 and SS12).
4. Any remaining places will be allocated by straight line distance* from the child's main address to the school. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

In the event of oversubscription within any of the above criteria, straight line distance* will be used as a tie-breaker, with those living nearest to the school by straight line distance* having highest priority.

‡ For applications made in the normal admission round a relevant sibling is defined as a child who has a brother, sister, adopted brother or adopted sister or stepbrother or stepsister living in the same family unit in the same family household and address, who attends the preferred school in any year group in the year of admission. Biological and adopted siblings who attend the preferred school in any year group in the year of admission will also be treated as siblings, irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

* Straight line distance: This is measured from the address point of the home address to address point of the school. Distances are reported in miles to three decimal places. If a child's time is split equally between two residences, the address of the residence at which the child resides for the majority of the school week would be used to measure the distance between the child's school and home.

Waiting list held until: end of autumn term.

Admissions to Sixth Form

Oversubscription Criteria where the Sixth Form is oversubscribed:

Existing Year 11 students applying for a Sixth Form place and external students applying to be admitted for the first time will be offered a place according to the school's existing Admission Arrangements.

 Applications received (all preferences) Sept 2021: 899
 Number on roll Jan 2021: 1681
 In 2021 the last child was admitted under criterion 7

Admissions Policy♦

You must always ensure that you have checked any testing dates or arrangements on the school website.

In the event of over-subscription, priority for admission to the school will be determined by the Governing Body in accordance with the following criteria:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children residing in the school's defined catchment area (a guidance map is available on the school website or priority admission areas can be checked using the Catchment Area Finder on the Essex County Council website);
3. children with a sibling[‡] attending the school*;
4. children attending (in Year 6 at time of application) one of the following catchment area feeder schools: Quilters Junior School, Sunnymede Junior School, South Green Junior School, St Peters RC Primary School, Billericay;
5. children attending (in Year 6 at time of application) one of the following CRESCO Multi Academy Trust schools: Great Berry Primary Academy, Janet Duke Primary School, Noak Bridge Primary School;
6. children of teaching and support staff at The Billericay School (this includes step children living at the permanent address of the member of staff) who:
 - a) have been directly and permanently employed by the School/Trust for two or more years at the time at which the application for admission to the school is made and/or;

b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;

7. distance from the home to school (based on straight line measurement) with those living nearer being accorded the higher priority. Distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

A separate admissions process exists for children with Statements of Special Educational Needs. The academy will admit any child for whom The Billericay School is named in their Statement of Special Educational Needs. A minimum of 252 children will be admitted in accordance with the admissions criteria above (this includes those with SEN statements)

Aptitude for I.T.

The school is designated as a having a specialism in "Maths and Computing." Therefore, in addition to the 252 children to be admitted in accordance with above criteria, up to 28 places (10%) will be available to children who demonstrate aptitude for computing in a test to be conducted at the school in October 2021.

- the 28 places will be offered in rank order of aptitude, as displayed in the test;
- to qualify for one of the 28 places, children must achieve a minimum score in the test;
- should fewer than 28 children apply for these places or achieve the minimum score, the unfilled places will be allocated in accordance with the relevant criterion;
- in the event of equal ranking (for the last available test place), places will be allocated in accordance with the relevant criterion;
- if a child is not allocated one of the 28 specialist places, the application will still be considered in accordance with the school's admission criteria as above.

Applications to sit the test must be submitted direct to The Billericay School by the deadline date published on the school website and/or other school admission publications, using the school's Supplementary Information Form (SIF), which is available on the school website.

NB: Parents who apply for their child to sit the aptitude test are still required to make an application for the school using the Essex preference form.

The Billericay School (continued)

Parents will be notified whether their child is eligible for a specialist school place (i.e. achieved the minimum score required) by post, by the deadline date published on the school website and other school admission publications.

‡ LA sibling definition applies.

* A relevant sibling who attends the school at the time of application with a reasonable expectation that the sibling will still be attending at the time of admission.

Home address is considered to be the address at which the child resides on a permanent basis.

In the event of insufficient places being available to every applicant within each criteria, each category will be determined by distance from home to school.

◆ For consideration for a place under the IT aptitude criterion this school requires a Supplementary Information Form to be completed and returned to the school by 1st October 2021.

Waiting list held until: end of academic year.

Admissions to Sixth Form

Applications to the 6th form, from existing pupils or external applicants, must be made directly to the school on the school's application form. Entry requirements vary according to the course of study, full details of which are available in the school's 6th form brochure, which will be published in the previous academic year.

The school will admit up to 50 "external" students in addition to those students who already attend the school, in accordance with the course-related entry requirements. In the event of over-subscription, priority will be determined by reference to average GCSE point score and achievement of the required grades in the chosen subjects.

 In 2021 the last child was admitted under criterion 4b

Admissions Policy

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. Child(ren) of teaching and non-teaching staff who have been directly employed by the school for two or more years at the time of application for admission to the school. Children of staff members who are recruited to fill a vacant post for which there is a demonstrable skill shortage;
3. Where a child's main home address (at the time of application for admission to the school) is in the postcode town of Wickford*:

a.) students who have siblings[‡] attending the school in all year groups (except Year 13) will be given priority over students who do not have siblings[‡] and will be offered in order of straight-line distance;

b.) remaining students in the postcode town of Wickford without siblings[‡] will be offered in order of straight-line distance.

4. Where a child's main home address (at the time of application for admission to the school) is outside the postcode town of Wickford*:

a.) students who have siblings[‡] attending the school in all year groups (except Year 13) will be given priority over students who do not have siblings[‡] and will be offered in order of straight-line distance;

b.) remaining students outside of the postcode town of Wickford without siblings[‡] will be offered in order of straight-line distance.

Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Exceptional social or medical circumstances may supersede all or some of the above criteria except 1. In order to be considered under this criterion applicants must produce a supporting report from either a registered social worker or registered medical practitioner setting out why The Bromfords School and Sixth Form College is the only appropriate school for their child.

In the unlikely event of two applications with an identical distance competing for a single place at the school the place will be offered to one applicant on the basis of lots drawn by a School Governor not involved in admissions (supervised by an independent scrutineer).

[‡] LA sibling definition applies.

*Postcodes for "postcode town of Wickford" are defined as SS11 and SS12 postcodes.

Waiting list held until: end of autumn term.

Admission to the Sixth Form

The school is proposing to admit 100 in Year 12, including up to 15 who will be admitted for the first time in September 2022. Year 12 students will be admitted only if they meet the entry requirements for the pathway they wish to enroll on as set out in the Sixth Form prospectus. In addition, students must meet specific subject requirements detailed in the prospectus.

In the event of oversubscription, existing Year 11 students who meet the entry requirements will be given priority according to their rank order when the above oversubscription criteria are applied. If any places remain, the same oversubscription criteria will be applied to students seeking admissions to the school for the first time.

Admissions Policy ♦

In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Catholic* Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. Catholic children*;
3. other Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
4. Catechumens and members of an Eastern Christian Church;
5. baptised children of other Christian denominations;
6. any other children.

Within each of the categories listed above, the following provisions will be applied in the following order:

- (i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made.

Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

*'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest

demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.

'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

"baptised children of other Christian denominations", normally evidenced by a certificate of baptism or reception from the authorities of that Church. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTÜN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

'brother or sister' includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

♦ This school requires a Supplementary Information Form to be completed.

 In 2021 the last child was admitted under criterion 5

Admissions Policy

Where the number of applications for admission exceeds the published admissions limit (i.e. the number of places available), places will be allocated by the Governing Body to the children of those parents who have expressed a preference for the school by submitting an application form by the published cut-off date and in accordance with the following criteria and in the following numbered order of priority:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children with a sibling# attending the school at the time of application;
3. children of staff gainfully employed by the school (any member of staff who has been employed for a minimum of two years, or to fulfil a vacancy in an area which is difficult to recruit). The member of staff must still be in the school's employment on the National Offer day of 1 March;
4. where the child attends one of the partner primary schools of the Zenith Multi Academy Trust;
5. any remaining places will be allocated according to the distance* from the child's home address to the school.

Siblings are defined as children with a brother or sister (or a step brother/sister) living at the same address at the time the application is submitted, and there must be a reasonable expectation that the older child will still be at the school at the time the younger child is admitted.

* Distance from the child's home address to the school's address on Leinster Road will be measured in a straight line with those living nearer being accorded the higher priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

The home address is considered to be the address at which the child resides on a permanent basis. If the child lives at more than one address, it is the address of the parent/guardian that is in receipt of child benefit for the child that is considered as the home address. Verification may be required.

In the event of a tie-break for the distance criteria, the Governors' Committee will use the principle of drawing names out of a hat.

Admissions Policy♦

You must always ensure that you have checked any testing dates or arrangements on the school website.

There is no guarantee of a place in the school. In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children with a sibling‡ attending the school;
3. children of staff at Woodlands School:
 - (a) Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or;
 - (b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
4. aptitude for Performing Arts or Sport*;
5. straight line distance to school.

* Up to 30 children (10% of Published Admission Number) who have an aptitude for either Performing Arts or Sport to be admitted under this criterion.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

‡ LA sibling definition applies.

♦ Parents wishing for their child to take the aptitude test are required to complete a Supplementary Information Form (SIF), obtainable from the school or from the school's website. All SIFs must be returned to the school by Friday 30th September 2021. Tests will take place on Saturday 8th October 2021, at Woodlands School. Test results will be posted to parents within 10 days of completion of the tests. Places are allocated in rank order, based on the outcome of the aptitude testing. In the case of a tie on score, the straight line distance rule will be applied.

Waiting list held until: end of autumn term.

Admissions Policy♦

If there are more than 180 applications, and the Academy is oversubscribed, applicants with a Statement of Special Educational Needs or an Education, Health and Care (EHC) Plan that names the Academy will be admitted. Priority for any remaining places will then be given to those children who meet the oversubscription criteria as ranked below:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children with exceptional medical or social needs;
3. children with a sibling‡ (brother or sister) who will still be on roll at the Academy at the time of admission;
4. children attending one of the following partner primary schools:
 - Chipping Hill Primary School
 - Howbridge C of E Junior School
 - St Andrews Junior School
 - Powers Hall Academy
 - Holy Family RC Primary School
 - Great Totham Primary School
 - Terling C of E (VA) Primary School
5. children eligible for Pupil Premium*;
6. distance - children living closest to the Academy.

Where the distance measure is the same for two or more applicants (except for twins and children from multiple births), the final tie-breaker will be random allocation, which will be independently verified. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

For an applicant to be considered under the exceptional medical or social needs criterion the parent must indicate strong reasons for the child needing to attend this particular Academy. Applications will only be considered under this category if they are supported by a written statement from an independent professional person such as a doctor, health visitor, social worker, or Education Welfare Officer who knows about the child and supports their application to the Academy. The information provided must show clearly why Maltings Academy is the only school that can meet the needs of the child and any difficulties if alternative schools were offered. Evidence relating to the social or medical circumstances of the parent or another family member can be considered, but only if this impacts on the child and their need to attend this specific Academy. Please ensure that you submit all relevant information, including professional evidence with your application for a place.

‡ LA sibling definition applies.

♦ *To determine item 1 and item 5 of this criteria please complete the Supplementary Information Form and return directly to Maltings Academy by 31st October 2021.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given highest priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Exceptional medical circumstances (supported by medical evidence) may override the above criteria (other than Looked After Children and previously looked after children).

A relevant sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address who attends Notley High School & Braintree Sixth Form in any year group. A sibling link will be taken to exist where the sibling will be attending Notley High School and Braintree Sixth Form in the academic year 2022-23. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. In the case of twins or triplets etc, both or all will be offered places.

Waiting list held until: end of academic year.

Admissions to Sixth Form

Number on roll Jan 2021: 1479

In 2021 the last child was admitted under criterion 5

Admissions Policy♦

Applications are considered strictly in order using the criteria 1 to 5 as detailed below:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. locals – The Parish boundaries of Ingatestone, Mountnessing and Margaretting are strictly applied to identify the local area and steps are taken to ensure that the child is permanently resident within the area. This seeks to prevent the use of temporary addresses or the addresses of relatives used purely for securing attendance at the school. (Map available on request). Children attending Ingatestone and Fryerning Junior School, Margaretting and Roxwell Primary Schools and Mountnessing Primary School, and on roll for Year 6, are included in this category;
3. siblings# – children with a brother or sister attending the school at the time of their own application and where there is a reasonable expectation that the older sibling# will still be in attendance at the time that the younger child is admitted. Children of staff can be included in this category where the member of staff has been employed at Anglo European School for two or more years at the time at which the application for admission to the school is made, and/or is recruited to fill a vacant post for which there is a demonstrable skill shortage;
4. international – if places remain after Criteria 1-3 have been allocated, they will be offered to the applicants who achieve the highest scores in Criteria 4. This is for children who demonstrate they have benefitted from a strong and positive influence of a language and/or culture^ other

than English. This will include a significant period of permanent residence outside the UK and/or a direct, substantial and sustained experience of a language and culture^ other than English. Applicants will be ranked according to the points system on the Supplementary Information Form (SIF) so completion of this form enables you to provide us with the information necessary for an objective decision to be made;

5. any other applications.

If there is a tie, the place will be allocated on the basis of random allocation to ensure the school maintains its regional nature in keeping with the original vision of the school.

The definition of a sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family household and address. Biological and adopted siblings will be treated as siblings irrespective of place of residence.

^ The school's definition of culture is a community or country's shared traditions, values and attitudes, where English is not the dominant language of that community or culture. The definition of a cultural experience is an experience that involves the child actively participating in such traditions and immersing themselves in such values and attitudes. The child's interests, hobbies or membership of societies are not relevant.

♦ For applications under criterion 4 this school requires a Supplementary Information Form to be completed and verified by 8 November 2021. Supplementary Information Forms submitted under criterion 4 without verification or received after 8 November 2021 will be ranked as criterion 5.

It is vital that verification is provided for Criteria 4 (International). If a successful applicant is subsequently found to have submitted false verification, the Governors will reserve the right to ask the child to leave the school. PLEASE DO NOT INCLUDE ANY OTHER INFORMATION. Certificates of achievement (including achievement relating to English and other languages), academic reports or letters from Headteachers referring to ability cannot be considered.

Waiting list held until: end of autumn term, longer by written request.

BRENTWOOD

Anglo European School (continued)

Admissions to Sixth Form

The School has a Sixth Form capacity of approximately 300 students. The number intended to admit externally into Lower Sixth each year, in addition to our internal candidates, is approximately 50 students each year.

Admissions into the International Sixth Form at the Anglo European School are made by completing the on-line application form on the school website between 5th October and 4th December.

Admission requires the meeting of our matriculation requirements, details of which are on the website, alongside evidence of engagement with internationalism and potential for success in the courses chosen across the four different routes offered. Students with overseas qualifications are welcomed and assessed individually.

Where the Sixth Form is oversubscribed the following criteria will be applied:

- Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
- students who have attended the Anglo European School in Year 11;
- students who have a sibling in the school who can reasonably be expected to be attending the school at the time the applicant takes up their place. Children of staff at the school can be included in this category where the member of staff has been employed at Anglo European School for two or more years at the time at which the application for admission to the school is made, and/or is recruited to fill a vacant post for which there is a demonstrable skill shortage;
- students from overseas (including those with refugee status) who are relocating to the UK and who are intending to study the International Baccalaureate Diploma (IBDP) or the IB Career Programme (IBCP);
- students educated elsewhere in the UK and who wish to study the IBDP or the IBCP;
- students who have previously applied for the school for entry into Years 7-11 but were unsuccessful and who live in the published catchment area;
- students from other schools in the UK or from overseas who are intending to study A Levels or other courses subject to the published matriculation requirements.

Admissions Policy♦

Where the number of applications for admission is greater than the places available and after the agreed admission of any children/students with an EHCP, the following oversubscription criteria will be applied in the order below:

1. A "looked after child" or a child/student who was "previously looked after" (i.e. immediately after being "looked after" became subject to an adoption, child arrangements order or special guardianship order), at the time of making an application to the school (as defined in the Secondary Education in Essex 2022/2023 booklet).
2. Children for whom it is essential to be admitted to this school because of special circumstances to do with significant medical needs evidenced by written professional advice from a doctor or other health professional, explaining why these needs can realistically only be met by Becket Keys.
3. Children whose parents have been granted Founders' status of the school by the Secretary of State.
4. Children living at the same home address* as siblings (Siblings include full, step-, half-, adopted and fostered siblings living in the same household. Cousins are not considered siblings) on the roll of the school in any year group, including the Sixth Form, at the date of their own application for admission.

A business address, a childminder's address, or any address other than the child's home will not be accepted. Proof of address will be sought and may be the subject of further investigation.

Becket Keys Church of England School (Continued)

Where a child lives at more than one such address, the address will be where the child lives for the majority of the time. Where the child lives at more than one address and spends equal time at both, the home address will be counted as that at which the child is registered with their GP.

The school reserves the right to seek verification of the information parents have given on the application form and to withdraw the offer of a place if false information has been given. Should proof of address be required, documentation will be requested to secure the place, as detailed in the "Secondary Education in Essex" booklet, available to view at www.essex.gov.uk.

5. Children of staff** directly employed by the Russell Education Trust on a permanent full time or fractional contract at the school in either of the following circumstances:
 - i) the member of staff has been employed for a continuous period of two years or more before the admission application and is still employed, without having given notice or been given notice that the employment will end, at the time the offer of a place is made.
 - ii) The member of staff is recruited to fill a vacant teaching post for which there is a demonstrable skill shortage (determined by the Headteacher with the Chair of Governors and the CEO of RET).
6. Becket Keys is a faith school (Church of England) and up to 50% of the remaining places will be offered to children who meet the Faith Criterion. The Faith Criterion will be applied in the following order:
 - i. Fortnightly attendance by either the child's parent(s) OR the child (e.g., where the child attends with a grandparent) at a Church of England church in the Brentwood Deanery or former Ongar Deanery for at least two years at the closing date for applications, (a list of churches in these two Deaneries is available on the school's website).
 - ii. Fortnightly attendance by either the child's parent(s) OR the child (e.g. where the child attends with a grandparent) at another Christian Church which is a member of Churches Together in Britain and Ireland or a member of the Evangelical Alliance for at least two years at the closing date for applications.

The Faith Criterion at 6i) and 6ii) is based on the regular Church attendance of either the parent(s) OR the child (e.g., where the child attends with a grandparent). A Priest/Minister's reference confirming attendance should be submitted via the Supplementary Information Form, available from the school office or the school website. This must be returned to the school to: The Admissions Department, Becket Keys Church of England School, Sawyers Hall Lane, Brentwood, Essex, CM15 9DA, before midday on the last working day in November.

If more applications are received than there are places available, then they will be offered in order of distance from the school, those living closest being offered places as a priority; straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet. This accurately measures the distance from the address point of the child/student's home address to the address point of the school using data provided by Ordnance Survey.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

7. The remaining places will be offered to any other children. If more applications are received than there are places available, then they will be offered in order of distance* from the home address* to the school, those living closest being offered places as a priority.

Any offer of a place on grounds of proximity is conditional on the student being resident at the home address provided at the closing date for application.

If more applications are received than there are places available under any criterion, then the available places will be offered in order of distance from the home address to the school, those living closest being offered places as a priority.

All distances are straight-line distances, calculated using the Local Authority's geographical information system used as part of the coordinated admissions scheme, which accurately measures the distance from the address point of the child's home address to the address point of the school using data provided by Ordnance Survey. Further details of this process are set out in the "Secondary Education in Essex" booklet, available to view at: www.essex.gov.uk.

BRENTWOOD

Becket Keys Church of England School (Continued)

In the event of two or more applications that cannot otherwise be separated, the school will use random allocation as a tie-break, except in the case of siblings from the same address when all will be offered places. Should a tie-break be required, it will be conducted independently. The random allocation will be via the drawing of lots the process being conducted by an independent party.

* A child's home address is defined as the address at which the child is normally resident with a person who is a parent as defined in Section 576 of the Education Act 1996.

** For applications under Criterion 5, children of staff include full, step, half, adopted and fostered children living in the same household as the member of staff.

^ The SIF must be submitted before midday on Tuesday 30th November 2021.

◆ This school requires a Supplementary Information Form to be completed.

Waiting list held until: end of academic year.

Admissions to Sixth Form

The capacity of the Sixth Form is 150 students in each of Year 12 and Year 13. A minimum of 35 places will be offered annually to external candidates. More places may be available external candidates, subject to uptake of places by internal students.

All Year 11 students who wish to stay at the school will be able to continue into the Sixth Form, subject to meeting the Academic Criteria, and their course requirements. We will offer advice, guidance and support to all of our students to ensure they are able to make informed choices about their post-16 education.

There are at least 35 places available to external applicants. External applicants wishing to be admitted to Year 12 must apply directly to the school prior to the closing date, using the online application form (or the hard copy form available on request from the school office). The closing date and full details of the application process will be published annually in the Sixth Form Prospectus and on the school's Sixth Form website www.becketkeys6th.org. The same Year 12

Academic Criteria and course requirements apply to both external and internal applicants, but if the external places are oversubscribed then they will be prioritised according to the Oversubscription Criteria.

All students in the Sixth Form at the school must be on a full-time study programme. This will usually comprise a minimum of three A-level courses or equivalent (full details of the options for full time study will be published annually in the Sixth Form Prospectus and on the school's Sixth Form website www.becketkeys6th.org).

There will be a minimum academic qualification for entry into the Sixth Form at the school and in addition, individual courses will have minimum entry requirements that must be met. Full details will be published each year in the Sixth Form Prospectus.

Meetings may be held with applicants and their parents to discuss options and courses but will not form part of the decision process on whether to offer a place. Provisional offers will be made subject to, and dependent upon, the applicant meeting the Academic Criteria for the Sixth Form and the specific course requirements. Achievement of the GCSE grades specified does not guarantee a place on any course or combination of courses. Course enrollment is confirmed at the time of registration and is dependent on:

- sufficient demand for places in each of the courses the applicant has selected;
- availability of places on the courses the applicant has selected;
- availability of the combination of courses selected by the applicant; and
- the school's ability to staff and resource the courses selected.

If the intended course is full, but there are still vacancies on other courses, applicants may be offered an alternative.

The Faith Criterion at 6i) and 6ii) is based on the regular church attendance of either the parent(s) OR the student (e.g., where the student attends alone or with a grandparent). A Priest/Minister's reference confirming attendance should be submitted via the Supplementary Information Form, available from the school office or the school website. This must be returned to the school to: The Admissions Department, Becket Keys Church of England School, Sawyers Hall Lane, Brentwood, Essex, CM15 9DA, by the deadline for the Sixth Form Application Form.

Admissions Policy♦

You must always ensure that you have checked any testing dates or arrangements on the school website.

The school admits up to 17 places on a basis of musical aptitude. Priority will be given to those who show the most aptitude on assessment. Additional music training and activities will be provided by the school and these students will be expected to participate in these activities. Music aptitude assessment tests will take place in the Autumn term and you will be informed, before the school application deadline whether your daughter has passed. Please note that a pass does not equate to a guarantee of a place at the school. Parents wishing to apply for this should submit the appropriate form and send it to the school before 16th July 2021. Applicants should indicate which instrument(s) they play. Children who have good singing voices may also apply.

Applicants for Music Places and Scholarships need not be from the priority areas or be Catholic, but would be expected to respect the Catholic ethos of the school and take an active part in its musical and liturgical life.

Failure to receive a music place would not prevent a student from receiving an offer of a place in the normal way.

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority:

1. Catholic looked after and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. Catholic children who are resident in the local parishes of:

- Brentwood (Cathedral Church of St. Mary & St. Helen with Holy Cross and All Saints, Warley)
- Hutton (St. Joseph the Worker)
- Ingatestone (St. John the Evangelist & St. Erconwold)
- Ongar (St. Helen)
- Gidea Park (Christ the Eternal High Priest)
- Harold Hill 1 (Most Holy Redeemer)
- Harold Hill 2 (St Dominic's)
- Billericay (Most Holy Redeemer)

3. Other Catholic children.
4. Other looked after and previously looked after children.
5. Catechumens and members of an Eastern Christian Church.
6. Children of other Christian denominations whose membership is evidenced by a minister of religion.
7. Any other children.

Within each of the categories listed above, the following provision will be applied:

(i) The attendance of a sibling at the school in Years 7 to 11 at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made.

Tie Break:

Priority will be given to children living closest to the school determined by the shortest distance. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Notes:

'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required.

Brentwood Ursuline Convent High School (continued)

Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.

'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

'Children of other Christian denominations' means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

'sibling' includes:

- (i) all natural siblings, half siblings, adopted siblings, step-siblings, foster siblings, whether or not they are living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

◆ This school requires a Supplementary Information Form to be completed and returned to the school by 31st October 2021.

The application for a Music Place / Scholarship must be sent to the school by Friday 16th July 2021. The music aptitude assessment tests will take place in the Autumn term and parents will be advised of the outcome of this test before the School application deadline.

Waiting list held until: end of academic year.

Admissions to Sixth Form

The governing body has set its admission number at 30 for external applicants to year 12 in the school year which begins in September, 2022.

The school operates a sixth form for a total of 340 pupils. 170 places overall will be available in year 12. While the admission number is 30, if fewer than 140 of the school's existing pupils transfer into year 12, additional external pupils will be admitted until year 12 meets its capacity of 170.

Both internal and external pupils wishing to enter the sixth form will be expected to have met the same minimum academic entry requirements for the sixth form. Course requirements are published annually in the school's prospectus and on its website.

The closing date for Sixth Form applications is Friday 10th December 2021 and applications should be made direct to the School address using the Application Form included in the Sixth Form Prospectus, which is available from the School and on the School web-site.

Admissions Policy♦

You must always ensure that you have checked any testing dates or arrangements on the school website.

Where applications for admission exceed the number intended to admit, places will be offered strictly in order according to the following criteria:

PRIORITY A

A minimum of 216 places will be allocated in the following priority order:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. where a child has a sibling currently attending the School and living in the same household*;
3. the school may give priority to children of staff in either or both of the following circumstances: a) where the member of staff has been employed at the school for two or more years at the time the application for admission to the school is made, and /or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
4. children living** within the existing priority admissions area for the School and the five Parishes of Blackmore, Doddinghurst, Kelvedon Hatch, Navestock and Stondon Massey, (as defined by OS map) or in parts of Nine Ashes, Marsden Ash, High Ongar and Chipping Ongar (map available on request);***
5. applicants who, at the time of application, are registered in Year 6 in one of the following primary schools:
 - Bentley St Paul's CE (V/A) Primary School,

- Blackmore Primary School
- Bulphan CE Primary School
- Chipping Ongar Primary School
- Doddinghurst CE Junior School

- Stapleford Abbots Primary School
- Warley Primary School
- West Horndon Primary School
- Willowbrook Primary School;

6. proximity of the child's home to the school by straight line distance, with those living nearer being accorded the higher priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

PRIORITY B (Aptitude)

Up to 10% of the PAN (24 places) will be allocated on the following basis:

1. Children who demonstrate an aptitude for Sport or Performing Arts as demonstrated by the School's aptitude tests. The Sport Aptitude Assessment and Performing Arts Auditions will take place on a Saturday in early October. Information will be available on the school's website from the beginning of each academic year, or by application to the school's Admissions Officer. Where two students are of equal aptitude, the one living nearer to the school would gain preference. This will be determined as straight line distance

Shenfield High School (continued)

as provided by the local authority. If there are insufficient children who have satisfied the entry requirement for a place based on aptitude then the places will be offered to other children under Priority A.

*A sibling is defined as "each of two or more children, having one or both parents in common, and living in the same family unit in the same family household and address as the other children". The older child must be attending the School at the time of application and reasonably expected to still be at the School at the time the younger child is admitted.

**Living in the area shall mean "main place of permanent residence of the child and family both at the time of application and of admission and for the foreseeable future". The school reserves the right to seek proof of residence at the given address.

***The definitive map is available for inspection at the School.

◆ To be considered for a place under Priority B1 (Aptitude), the school's Supplementary Information Form must be completed and returned to the school (date to be published annually).

This school holds a waiting list until the end of the Autumn Term and thereafter by request.

In the event of oversubscription, places will be allocated in rank order according to the following criteria:

- i. Looked After Children and previously looked after children as defined in the Secondary Education in Essex 2022/2023 booklet).
- ii. Children living within the priority admission area as defined in criterion (iv) with siblings# currently at the school and with a reasonable expectation that these siblings# will still be attending at time of admission.
- iii. Children living outside the priority admission area with siblings# currently at the school with a reasonable expectation that these siblings# will still be attending at time of admission.
- iv. Children attending Larchwood Primary School (a Discovery Educational Trust Primary School).
- v. Children resident within the school's priority admission area which includes parts of Brentwood and Hutton together with Ingrave, Herongate and Five Parishes (as defined by OS map) of Blackmore, Doddinghurst, Kelvedon Hatch, Navestock and Stondon Massey. (The priority area is shown on maps which may be inspected at the school.) The term resident is defined as children living with parents or legal guardians in the area at the time of application and for whom there is a reasonable expectation that they will still be living there at the time of admission. Proof of residence will be required e.g. exchange of contract, tenancy agreement, community charge bill, driving licence, notification of child benefit allowance, child's NHS medical number card and utility bills. This may be requested at any time during the application process.

vi. Admission of children who live with parents, carers or guardians employed by St Martin's School.

a) Where the member of staff has been employed by the school for 2 or more years at the time at which the application or admission to the school is made, and/or

viii. Exceptional medical reasons. The relevant medical reasons may be in relation to either the child, or one or both parents. Evidence is required at the time of application from a doctor or other registered health professional setting out why the preferred school is the most suitable, and the difficulties that would be caused if the child attended and had to travel to another school.

ix. Other children.

In all cases of over subscription in any and each of the above categories: Places will be allocated according to the shortest distance (based on a straight line) from the child's home to school on the date that offers are made. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

St Martin's School (continued)

Siblings are defined as "A sibling is a child who has a brother, sister, step-brother or step-sister living with one or both parents in common, living in the same family unit in the same family household and address". The sibling rule does not apply to siblings who are currently in the Sixth Form and did not attend the main school in Years 7-11.

This school holds a rolling waiting list.

Admissions to Sixth Form

The school's Sixth Form has an anticipated total capacity of 436 students: this includes students in both Year 12 and Year 13.

Each year the school expects to admit students into Year 12 who are not on the roll of the school in Year 11. The published number to admit into the Sixth Form is 1 but this is the minimum number of students expected to join the school in Year 12 and in recent years has been over 50.

The total number of students to be admitted to Year 12 is 230.

Other than in exceptional personal circumstances, all students transferring into Year 12 study a programme of three GCE A Level or BTEC options plus the optional Extended Project Qualification. The oversubscription criteria are published on the school website and we allocate places on courses to those students best qualified by virtue of their GCSE results and in the event of oversubscription, the criteria stated fully on the website for the relevant year of entry will be applied.

Students will be able to transfer from St Martin's School Year 11 on the following pathways into the Sixth Form if they meet the criteria listed below:

Applicants will be considered individually using the following criteria: medical factors; other special circumstances; subjects the applicant wishes to study; the subjects in which the applicant has achieved at least GCSE grade 6 with the exception of Maths where a grade 7 is required and Further Maths where a grade 8 or 9 is required.

External students will be able to transfer into the St Martin's School Sixth Form if they meet the entry requirements and only after all existing St Martin's students who meet the criteria have been allocated a place.

In the unlikely event of two, or more, students meeting the entrance requirements to the Sixth Form distance criteria will be applied and if the students are living the same distance from the school places will be allocated by 'the drawing of lots'.

Pathway

Route 1 - 3 A Levels with optional EPQ,
Route 2 - A combination of A Levels and/or BTEC Extended Certificates with optional EPQ,
Route 3 - 1 or 2 BTEC's with relevant work experience.

Requirements

Route 1 - 9-5 grades at GCSE including a 4 in English and Maths,
Route 2 - 9-4 grades at GCSE including a 4 in English and Maths,
Route 3 - 9- 4 grades at GCSE including a 4 in English and Maths.

A grade 6 is required in the subject to be taken at A level unless otherwise stated on the subject pages in the prospectus, with the exception of Maths where a grade 7 is required and Further Maths where a grade 8 or 9 is required.

Admissions Policy ♦

You must always ensure that you have checked any testing dates or arrangements on the school website.

Where applications for admission exceed the number of places available, the following criteria will be applied, to decide which children to admit:

1. Looked After Children and previously looked after children as defined in the Secondary Education in Essex 2022/2023 booklet).
2. Residency within the catchment area. A copy of the catchment area map is available to view at The Appleton School and is available on request.
3. Where the child has, at the time of application, a brother or sister[#] currently attending the school.
4. Up to 27 children who have an aptitude for languages. Parents wishing their child to take the aptitude test are required to complete a Supplementary Information Form (SIF), obtainable from the school (the closing date for the return of SIF is Friday 10 September, 2021). The test will be held at The Appleton School on Friday 17 September 2021 and Wednesday 22 September, 2021. Test results will be posted to parents within two weeks of sitting the test. Places are allocated in rank order. In the event of a tie on score, this will lead to straight line distance rule applying.
5. Children of staff at The Appleton School:
 - (a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
 - (b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
6. Proximity of home to school by straight line distance, those living nearest being accorded higher priority.

Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

In the event of oversubscription in criteria 1–3 and 5 the distance criterion defined in 6 will apply.

Siblings are defined as children with a brother or sister (or step-brother/sister) living at the same address at the time the application is submitted. The older child must be attending the school at the time the application is submitted and there must be a reasonable expectation that the older child will still be at the school at the time the younger child is admitted.

♦ To be considered for a place under the aptitude criterion you need to complete and return the school's Supplementary Information Form by 10 September 2021.

Waiting list held until: end of autumn term.

Admissions to Sixth Form

The number of external students joining The Appleton School sixth form will be 20 or until 150 places have been offered in Year 12. Admission Forms should be returned to the school by the due date. Successful applicants will sign an agreed working contract.

Admission to the sixth form will be determined in accordance with the following criteria :-

1. The student must have attained the entry requirements for their course which are published in the sixth form prospectus. The minimum GCSE Average point score of 40 from the student's best 8 GCSE results, with at least level 5/6 in English and Maths, are required for Advanced Level entry. An average of 35 points are required to follow Foundation Level Programmes.
2. The student has demonstrated a commitment to their studies pre-16 which is evidenced by their school or their school reference.

In the event of over subscription the following will apply :

1. Looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. Children of staff at The Appleton School:
 - (a) Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
 - (b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
3. Proximity of the child's home to the school, on the basis of straight line distance, with those living nearest being accorded the higher priority.

Admissions Policy

Where the number of applications for admission exceeds the published admissions limit (i.e. the number of places available), places will be allocated by the Governing Body in accordance with the co-ordinated admission arrangements and following criteria in the following numbered order of priority:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet).
2. Children living in the priority admission area for the school who have a sibling currently enrolled at the school at the time of the application. Siblings are defined as children with a brother or sister (or a step brother/sister) living at the same address at the time the application is submitted.
3. Children of staff gainfully employed by the school (any member of staff who has been employed for a minimum of two years, or to fulfil a vacancy in an area which is difficult to recruit). The member of staff must still be in the school's employment on the National Offer day of 1 March.
4. Children living* in the priority admission area for the school. Should the School reach its admission limit within any of the preceding criteria, then the places within that criterion will be allocated according to the distance from the child's home address to the school**.

* Living in the area shall mean 'main place of permanent residence of the child and family both at the time of application and admission and for the foreseeable future'. The school reserves the right to seek proof of residence at the given address.

** Proximity of the child's home to the school, with those living nearest being accorded the higher priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

In the event of oversubscription the following criteria, in the order given, will be applied:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children with a sibling# attending the school at the time of application;
3. children of staff employed by the school. Any member of school staff who has been employed for a minimum of 2 years, or to fulfil a vacancy in an area in which it is difficult to recruit;
4. proximity of the child's home to the school by straight line distance, those living nearest being accorded higher priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

In the event of a 'tie' between applications in any criterion, the straight line distance from the school to the child's home will be used as a tie-break mechanism.

The sibling link is defined as:-

- An older sibling must be attending the Cornelius Vermuyden School at the time the application for the younger child is submitted and there must be a reasonable expectation that the older child will still be at that school at the time the younger child is admitted.
- A sibling includes a child living in the same family unit in the family household and address. This includes brothers and sisters and stepbrothers and sisters. Additionally, biological siblings are treated as siblings irrespective of residence.

Admissions Policy♦

You must always ensure that you have checked any testing dates or arrangements on the school website.

Where applications for admission exceed the number of places available, the following criteria will be applied to decide which children to admit:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children who have been in state care outside of England and cease to be in state care as a result of being adopted;
3. children living in the priority admission area of The Deanes;
4. children with a sibling attending the school at the time of application with a reasonable expectation that the sibling will still be attending at the time of admission. The definition of a "sibling" includes a child living in the same family unit, in the same family household and address. This includes brothers and sisters and stepbrothers and sisters. Biological siblings will be treated as "siblings" irrespective of residence;
5. up to 10% of the published admissions limit (12 children in total) who demonstrate an aptitude for Sport, Performing Arts or Music may be allocated according to the aptitude assessment results. 6 places will be allocated to P.E, 2 to Music, 2 to Dance and 2 to Drama. The Sport aptitude assessment will take place on Friday 8 October 2021 at The Deanes. Places will be allocated in rank order of aptitude scored in the assessment. Children must achieve a minimum score. In the event of a tie on score, this will lead to the straight line distance rule applying. Those wishing to apply for a selective Music or Performing Arts place will be invited to perform to members of the Sport and Performance

Departments and a judgement will be made on their aptitude according to one or more of the following criteria:

- i) He/she has tuition in a musical instrument;
- ii) He/she is a member of a school, Church or similar choir, or of a Dance/Drama organisation;
- iii) He/she has had no formal training but would like to pursue the subject further;
- iv) He/she has been successful in Music, Dance or Drama examinations;

The audition will rank students according to the given criteria. Successful candidates will be expected to attend at least one Music/Dance/Drama club each week and participate in school performances. The auditions will take place on Friday 8 October 2021.

Parents wishing their child to take one of the aptitude tests are required to complete a Supplementary Information Form (SIF). This can be obtained from the school or downloaded from the school website and must be returned by Friday 1 October 2021.

Where two students are of equal ability, the one living nearer to the school would gain preference. If there are insufficient children who have satisfied the entry requirement for a selective place then the places will be offered to other children.

6. children of members of staff employed by the school (applicable to children of a member of school staff who has been employed for a minimum of 2 years at the time of application or where a member of staff is recruited to fill a vacancy for which there is a demonstrable skill shortage);
7. other children.

In the event of over-subscription in criteria 1, 2, 3, 4 and 5 and in the event of a tie on score in criterion 7, priority will be determined by straight line distance from home to school, those living closest being given the higher priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

If a child lives at more than one address, it is the address of the parent/guardian that is in receipt of child benefit for the child that is considered as the home address. Verification may be required.

♦ To be considered for a place under criterion 5 you need to complete the school's Supplementary Information Form which must be returned to the school by Friday 1 October 2021.

Where the number of applications for admission exceeds the published admissions limit (i.e. the number of places available), places will be allocated by the Governing Body in accordance with the co-ordinated admission arrangements and following criteria in the following numbered order of priority:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children living in the priority admission area for the school or in the postcode area prefixed SS with a sibling# on roll at the School at the time of application. The priority admission area (also known as catchment area) can be found on the school's website;
3. children living in the priority admission area for the school^;
4. children of staff employed by the school. Any member of school staff who has been employed for a minimum of 2 years at the time of application (on a permanent contract), or to fulfil a vacancy in an area in which it is difficult to recruit. Staff must still be employed at the school on 1 March (national offer day);

Should the school reach its admission limit within any of the preceding criteria, then the places within that criterion will be allocated according to the distance from the child's home address to the school+.

Where, after applying the above criteria, there remain unfilled places, those places will be allocated in accordance with the following criteria:

5. Up to 15 per cent of the published admissions limit may be allocated according to the results of a test of general ability living in an SS postcode, those scoring higher being awarded priority of entry. In the event of there being two or more children with tied scores being considered for the final selected place or places, then the child or children living nearest to the school will be offered the place(s) (see note (b) below). Children taking the entry test may later be offered a place according to the distance criterion. If so, they will enter under this category because it is the main and over-riding criterion. In the case of twins where only one twin is awarded a place under the test criteria the sibling does not fall under the sibling criteria as the child is not currently on roll until September. Only students living in the SS postcode area are eligible to apply to sit the test;
6. any remaining places will be allocated according to the distance from the child's home address to the school+.

^ Living in the area should mean 'main place of permanent residence of the child and family both at the time of application and admission and for the foreseeable future'. The school reserves the right to seek proof of residence at the given address.

Siblings are defined as children with a brother or sister (or a step brother/sister) living at the same address at the time the application is submitted.

+ Distance from the child's home address to the school's address on Shipwrights Drive will be measured by the shortest walking distance (calculated electronically using a computerised measurement system which conforms to the Ordnance Survey via Higher Mapping Agency) along recognised roads and footpaths, with those living nearer being accorded the higher priority.

In the event of a tie-break for the exact distance criteria, the Governors Admission Committee will use the principle of drawing names out of a hat.

Entry Test date: Saturday 2 October 2021.

Deadline for return of Entry Test Application Forms (SIF) (see important note below): 13 September 2021.

♦ This school requires a Supplementary Information Form to be completed for those applying under criterion 5. It is the responsibility of the parent or carer to ensure that the Supplementary Information Form (SIF) is received at The King John School no later than 13 September 2021. Late SIFs will not be accepted under any circumstance.

Admissions Policy

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children with a sibling* attending the school;
3. children of staff: This will only apply where the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
4. children living in the priority admission area: The Beaulieu Park School has a Priority Admissions Area. Within this criterion, children will be ranked in distance order for admission by straight line distance within the Priority Admissions Area. Those living nearer will have a higher priority, starting with the nearest first. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.
 In the unlikely event of applicants with an identical distance competing for a single place at a school, the place will be offered to one applicant on the basis of lots drawn by a member of school staff not involved in admissions, with the exception of twins, triplets etc;
5. children living outside the priority admission area (remaining applications).

Tie Break

In the event of a tie break, priority will be determined by straight line distance from the home to school, with those living nearest having highest priority. If undersubscription should occur priority

will be determined without regard to the Priority Admission Area.

*A relevant sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address who attends The Beaulieu Park School in any year group, irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

There is no guarantee of a place for children living within the priority admissions area. In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. where the child has a relevant sibling. A sibling is defined as a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address who attends The Boswells School in any year group, irrespective of place of residence. A sibling link to a child in Year 11, or Year 12, will only be taken to exist at the time of application and determination where the brother or sister has completed their statutory education at The Boswells School and where there is an intention that the Year 11 child will be returning to the school for a post 16 course of study. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. In the case of twins or triplets etc, both or all will be offered places;
3. children of staff:
 - a) Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
4. where the child attends one of the following schools, irrespective of place of residence by the closing date for applications:
 - Barnes Farm Junior School
 - Boreham Primary School

- Chancellor Park Primary School
- Perryfields Junior School
- Springfield Primary School
- The Bishops' Church of England and Catholic Primary School
- The Cathedral Church of England Voluntary Aided Primary School
- Tyrrells Primary School

Admissions Policy♦

You must always ensure that you have checked any testing dates or arrangements on the school website.

Only girls whose parents decide that they will take the CCHS Entrance Test, register their daughter at Chelmsford County High School for Girls and who attain the required standard in the prescribed arrangements for selection by reference to ability (and who make a formal application through their home local authority) will be eligible to be considered for admission.

The test is normally available to girls in Essex and from outside the County aged at least eleven years and under twelve years on 31st August 2022 whose parents have registered for them to sit the test with the School by the relevant closing date (see below). Parents seeking a place at the school must also make a formal application to their home Local Authority (LA) by the LA's published closing date of 31st October each year.

Under age and over age applications are only considered in exceptional circumstances. Any girl who is "under age" or "over age" will need to be registered for the CCHS Entrance Test in writing directly with the School Admissions Officer. The Admissions Officer will then request the relevant information to support the case and obtain the views of the girl's primary school headteacher at the time of registration to sit the test. Please note that the final decision to allow an under age or over age girl to sit the test is at the discretion of the Headteacher of CCHS. Girls may only sit the CCHS Entrance Test once.

The school supports girls with an EHCP. They will be assessed in line with the entry requirements detailed as detailed in section 1.4 as detailed in the oversubscription criteria.

Chelmsford County High School for Girls is part of a group of grammar schools who will be using a common admissions test for September 2022 entry.

The group includes: Chelmsford County High School for Girls, the Slough Consortium of Grammar Schools, Reading and Kendrick. In addition, there are other schools in the wider geographical area who will be using the same test. The tests will normally take place early in the Autumn Term. The timeline and registration process are detailed in the Information Guide which is available for download from the school website from March 2021. Applicants for any of these schools may only take the test once; the raw marks from the test will be passed to the other schools for inclusion in the appropriate standardisation sample but only if you have registered with each school in accordance with their admissions policy. The responsibility to complete this process accurately lies wholly with the parent/guardian. If it is found that an applicant has taken the test more than once, the raw scores for the first attempt will be used for the standardisation process.

It is expected that an applicant will take the test at the school closest to their home address and state that school on the CCHS Supplementary Information Form. Please note that once a test venue has been selected and submitted on the registration form, no change can be made. Test results will only be shared with those schools within the group who hold a valid registration for that child, in accordance with the School's admissions policy. Registration for the CCHS Entrance Test will close at 4pm on Wednesday 23rd June 2021. In ordinary circumstances late registration for the CCHS Entrance Test will not be accepted. Applicants who move to the area after the close of registration, for reasons that could not be foreseen, should contact the Admissions Office to be considered for sitting the entrance test on a later date.

Applicants who wish to attend an entrance test for another school being held on the same day as the CCHS Entrance Test will not be permitted to sit the CCHS Entrance Test on an alternative day. This will not be deemed as an exceptional circumstance.

Only one address can be used for the application. In applying these admission arrangements 'permanent home address' will be defined as the permanent place of residence of the parent with whom the girl spends the majority of the school week (Sunday to Thursday nights inclusive) at the time of application to the home local authority. The exception to this is if the family are returning from abroad to a previous permanent place of residence within the priority area are members of the

CHELMSFORD

Chelmsford County High School for Girls continued

Diplomatic Service or Armed Forces. Documentary evidence will be required.

Permanent residency is defined as owner occupancy or valid letting contract of a residential property; evidence will be required in the form of a UK photocard driving licence (if applicable), council tax bill and two utility bills one of which must be the electricity bill showing actual usage. The Governing Body may refuse to base an allocation on an address which might be considered only a temporary address.

If a parent claims to be renting a property, a rental agreement/lease arrangement through a letting agency or estate agent will be requested together with written evidence that it is the child's normal place of residence. Informal letting arrangements will not be accepted.

If, in addition to the rented property, the child's parents also own another property and have previously resided in that property, the school will consider whether the application for a school place has been made in good faith. In this situation consideration will be given to whether the rented property or the other property should be regarded as the child's normal place of residence.

In the case of a recent change of address during the admissions process additional evidence will be required this may be in the form of: a UK photocard driving licence (if applicable), council tax bill and two utility bills, one of which must be the electricity bill showing actual usage.

Where there is reasonable doubt as to the validity of a permanent home address, the School reserves the right to undertake additional checking measures, including home visits, in relation to both current and any previous addresses and any primary school(s) attended.

Looked After and Previously Looked After Child(ren) and Pupil Premium status must be declared by the time of application to the Local Authority (documentary evidence will be required).

Proof of status can be requested at any time. If it is subsequently discovered that an application contains falsely claimed information, then any offer of a place will be withdrawn. Any information that is subsequently proven to have been provided fraudulently may invalidate that application.

The girl must be able to demonstrate to the School's satisfaction that she has a right to reside in the United Kingdom and is entitled to state education.

Allocation of places on over-subscription

Where applications for admission exceed the number of places available in Year 7, places will be allocated in descending score order from the Ranked List of Applicants (who have not already been offered a place at a higher preference) in the order of priority listed below:

1. The applicant is a looked after child or previously looked after child who has achieved a score within the top or middle bands as advised in the CCHS Entrance Test result letter posted to parents in October in the year of testing, irrespective of where they permanently live.

2. Of the next 144, places will be allocated as follows:

- (a) up to 30 places will be made available to applicants in receipt of pupil premium, who have achieved a score within the top or middle bands as advised in the CCHS Entrance Test result letter posted to parents and live at a permanent home address within the 12.5 mile priority area (See definition Appendix 1) of the school. The offer of a place is conditional upon the applicant being continuously resident within the priority area (at their permanent home address) between 1st September of Year 6 and the start of Year 7 at CCHS.

- (b) the remaining places (of the 144) will be allocated to applicants living at a permanent home address within the 12.5 mile priority area of the school. The offer of a place is conditional upon the applicant being continuously resident within the priority area (at their permanent home address) between 1st September of Year 6 and the start of Year 7 at CCHS.

3. All remaining places (up to 36) will be allocated in descending score order from the Ranked List of Applicants irrespective of where they permanently live until all 180 places are filled.

Definitions of the above are listed in the CCHS Supplementary Information Form (SIF) and Appendix 1 available from the school.

Parents will have 21 days from the date of the letter of offer to accept or decline the offer in writing. Where an offer has been either declined or not taken up within the 21 day period the LA will offer the place to the next eligible girl on the Ranked List of Applicants (subject to the same conditions and proportions as the preceding paragraphs). Where selected girls decline the offer of a place, the place will be offered to the next qualified girl(s) in rank order whose application expressed a

Chelmsford County High School for Girls continued

preference for the school (subject to the same conditions and proportions as the preceding paragraphs).

Where there is a tie for the last available place, due to applicants achieving identical standardised aggregate test scores, preference will first of all be given to any applicants who are 'looked after' or have previously been looked after by a local authority and second to any applicant in receipt of pupil premium (evidence will be required). Following this, preference will be given to siblings. Should there be no siblings, or should there be more applicants with siblings at the school than there are places available, then preference will be given to the girl(s) who live closest to the school by straight line measurement from the school to the permanent home address (as detailed by the Residency Clause above) by way of electronic measurement. In the unlikely event of two applicants with an identical distance competing for a single place, the place will be offered to one applicant on the basis of lots drawn by an independent person (usually a Governor).

Applicants who have registered for the CCHS Entrance Test will take the test in the Autumn term at Chelmsford County High School for Girls unless one of the other designated schools within the group is indicated on the Supplementary Information Form (SIF).

Applicants who are ill, or owing to other exceptional circumstances are unable to take the test on the main date, may be permitted to take the test at a later date, subject, in the case of illness, to the provision of sufficient evidence in the form of a medical certificate from the family doctor, hospital consultant or specialist and in any other circumstances to a written explanation of the reason. No applicant will be able to retake, on a subsequent occasion, an individual test which they have started.

The DfE School Admissions Code requires that the results of the selective test are made known to parents prior to the closing date for applications to be made to the Local Authority (using the Common Application Form) which is 31st October. The tests will be taken on a date to be finalised by the school in the Autumn Term each year; the results will be posted to parents at least 7 days prior to the Local Authority CAF deadline. Alongside the results parents will be provided with information about this score. This will indicate for parents the likelihood that their daughter will be deemed suitable for selective education at CCHS, however, a result above

that cut off mark is no guarantee of a place as results fluctuate each year and distance plays a part in the process as detailed above.

Any parents whose daughter is not successful in obtaining a place will be notified of their right of appeal to an Independent Appeal Panel.

◆ This school requires a Supplementary Information Form to be completed and returned by 4pm Wednesday 23rd June 2021. This form is available from the website: www.cchs.co.uk/admissions Please check the school's website for any changes in the latest information regarding the test.

Waiting list held until: end of academic year.

Admissions to Sixth Form

Chelmsford County High School for Girls intends to admit 30 girls into Year 12 in addition to those progressing from Year 11 at CCHS.

External applicants will be admitted provided they have met the minimum entry requirements and where the availability of places in subject courses, the availability of teaching staff, the suitability of group sizes and the pastoral capacity of the school permit. Applications will be refused where the School considers the size of teaching sets or tutor groups necessary would prejudice the efficient education of the group and where it is not financially or educationally desirable for the Governors to alter the balance of the School's staffing or to appoint additional staff.

The GCSE criteria below apply equally to internal students and to external applicants. However internal students will be offered places (provided they meet these criteria) before places are offered to external applicants.

Admission to the Sixth Form is based on GCSE/IGCSE grades attained in full courses. Students with non-standard qualifications will be assessed separately and the equivalency of other qualifications obtained will be taken into consideration.

Minimum entry requirements

- All candidates are required to have reformed grade 6 or higher, or grade B or higher in GCSE/IGCSE English Language and Mathematics.
- All candidates must achieve an average of at least 6.625 over their best eight GCSE grades, including English Language and Mathematics. This average should be calculated (according to guidance issued by the DfE) by converting the grades for English Language, Mathematics and the six highest GCSE

CHELMSFORD

Chelmsford County High School for Girls continued

results as follows:

Reformed GCSE Grading: 9=9, 8=8, 7=7, 6=6, 5=5, 4=4

Unreformed GCSE Grading: A*=8.5, A=7, B=5.5, C=4

- Short or half courses will not be considered in the above calculation.
- The only dual awards to be considered will be dual award Science and dual award Engineering.
- Dual awards will be counted as one GCSE and, where applicable, the grade used in the calculation will be the one scored in the higher paper. e.g. the additional science grade.
- Only two qualifications per subject will be accepted e.g. the grades for GCSE Mathematics and GCSE Statistics could be included in the average grade calculation but a third Maths result would not be included.
- In addition to the above entry requirements, students are, in general, expected to achieve reformed grade 7 or higher, or unreformed IGCSE equivalent, in the subjects they intend to study at A level. Requirements for individual subjects are shown in the A level Subjects Booklets.

In the event of over-subscription when there are more external applicants who satisfy the entry requirements above than there are places available priority will be given in the following order:

1. Students who are 'Looked After' or 'Previously Looked After' children who meet the admission criteria.
2. Other students who meet the admission criteria.

Each individual applicant must meet the same admission criteria, and places will be offered in descending rank order of their average GCSE points score across their best eight GCSE/IGCSE qualifications as outlined above and given the availability of places in the teaching sets for each subject they wish to study. In the case of a tie, the results of GCSEs beyond the eighth subject will be taken into account, using the higher average point score of nine subjects, then ten subjects etc, until the tie is resolved.

Further Requirements

- The student must be under 17 years of age on 31st August of the calendar year of proposed admission.
- The student must be able to demonstrate to the School's satisfaction that she has a right to reside in the United Kingdom and is entitled to State Education.

- The student will not be admitted to the school until she has provided authentic, valid and bona fide documentation in support of her application, including documentation to confirm her GCSE results.
- The student will need to be a proficient English speaker to cope with the pace of the academic curriculum on offer at this school. With the exception of Modern Foreign language classes, lessons are taught in English so if a student's first language is not English, the School may require her to demonstrate the fluency, both orally and in writing, necessary for her to participate successfully in the Sixth Form.

External students will need to complete the Application Form, while internal students will be required to fill in an Options Form.

Interviewing does not form part of our admissions process but we may invite students for an options discussion where necessary.

The closing date for applications is Thursday 10th February 2022.

All prospective Sixth Formers will be invited to participate in the Induction programme which takes place in June. Offers of places in the Sixth Form are made and confirmed when GCSE results are published; for equal consideration students must upload their results to the CCHS admissions website by 1200 BST on GCSE Results Day. If the school is able to offer them a place they will subsequently be contacted by telephone for a verbal offer to be made. They will need to confirm their place by email immediately after this conversation has taken place.

Where students applying to the Sixth Form do not have standard GCSE or IGCSE qualifications, applications are considered on an individual basis and students may be asked to sit specific tests in school. Student qualifications will be considered along with other information provided by the student's current school, in an attempt to make a fair assessment of the application. This process is entirely at the discretion of the Governing Body. Students may find it helpful to consult NARIC, (the National Agency responsible for providing information and expert opinion on academic qualifications from overseas), to obtain the necessary information.

Admissions Policy♦

You must always ensure that you have checked any testing dates or arrangements on the school website.

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order given, to determine which children to admit:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children with a sibling* attending the school at the point of application;
3. children of staff at the school where the member of staff has been employed for a minimum of two years at the time of application or where a member of staff is recruited to fill a vacancy for which there is a demonstrable skill shortage;
4. children living in the priority admission area; children attending a primary school within the priority admission area; plus children attending Barnes Farm, Chancell or Park and St. Andrew's Junior School, Hatfield Peverel. Within this criterion, children will be ranked by proximity of home to school by straight line distance, those living nearest being accorded the higher priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.
5. up to 10% in each year group who demonstrate an aptitude for sport. To apply for a place under this criterion, the school's Supplementary Information Form (SIF) must be completed. If you qualify for criterion 1, 2, 3 or 4 outlined

above, you do not need to apply for the sports selection day.

6. all remaining applications by proximity of home to school by straight line distance, those living nearest being accorded the higher priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

*A relevant sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit, in the same family household and address, who attends Great Baddow High School in any year group, will also be treated as siblings, irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. In the case of twins or triplets, both or all will be offered places.

♦ This school requires a Supplementary Information Form to be considered under aptitude for sport. This must be returned to Great Baddow High School by NO LATER THAN FRIDAY 1ST OCTOBER 2021.

The selection day will take place on Saturday 9th October 2021, starting at 9.00 am and finishing at 3.00 pm.

#The selection process will take place following the practical activities day at Great Baddow High School Sports College. Students will be assessed for their level of speed, balance, awareness, agility, endurance, coordination and ability at two sports chosen by the student.

Waiting list held until: end of academic year.

Admissions to Sixth Form

The Sixth Form is open to all Great Baddow High School students, as well as external students. All applicants must meet the minimum entry requirements for their chosen course of study and any subject specific requirements. Full details of our courses and entry requirements are available on the website. The Sixth Form Open Evening takes place at the end of October (please see the school's website for full details).

Admissions Policy

The admission criteria for the school, in the case of oversubscription, will be in the following order of priority:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. pupils living in the priority admissions area of the school with a sibling[‡] attending at the time of application and admission;
3. children of staff;
4. other pupils living in the priority admissions area;
5. pupils living outside the priority admissions area with a sibling[‡] attending at the time of application and admission;
6. remaining applications.

In the event of over subscription within any of the above criteria, priority will be determined by the straight-line distance from home to school, those living closest being given highest priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Exceptional medical circumstances (supported by medical evidence) may override the above.

Admissions Policy♦

You must always ensure that you have checked any testing dates or arrangements on the CSSE website and/or the school website.

The selection test and eligibility for entry to Year 7

- (a) There will be one selection test for those schools that are members of the CSSE (Consortium of selective schools in Essex). This will save children whose parents or carers express a preference for more than one selective school in the CSSE from taking multiple tests for those schools.
- (b) The number intended to admit to King Edward VI Grammar School is 150.
- (c) Parents or carers must register their child with the CSSE by the closing date for registration to sit the test.
- (d) The test is normally available to children registered in Year 6 from the start of the academic year in which the test is to be taken and who are aged 11 years but under 12 years of age on the following 31st August, immediately prior to admission in September. For applicants who are outside of this age range, the school will follow the procedures set out by the CSSE to determine whether or not an 'over age' or 'under age' applicant will be permitted to sit the test. Please contact the CSSE, www.csse.org.uk, for further details.
- (e) Parents or carers must complete both the CSSE registration form and submit this to the CSSE by its closing date (see www.csse.org.uk) as well as submitting a formal Common Application Form to their home local authority. The closing date for applications is 31st October each year. Further information about how to register for the test can be obtained from the CSSE (see www.csse.org.uk).
- (f) Only boys who have been entered for the test, are of the appropriate age and who attain the required standard in the prescribed arrangements for selection

by reference to ability and aptitude will be eligible to be considered for admission to King Edward VI Grammar School in the September of Year 7. The test is available to pupils in Essex and from outside the County.

(g) The selection process for the standard number of 150 is by two exam papers in English and Mathematics. The papers will be marked by staff employed by the school and a mark aggregated for each applicant. The CSSE will determine what age adjustment, if any, should be applied to the 11+ scores.

(h) Applicants who are ill, or through other special circumstances are unable to take the test on the main date, will be allowed to sit a test on another stated day at a stated venue as determined by the CSSE, subject, in the case of illness to the provision of a medical certificate, and, in any other circumstances to a written explanation of the circumstances. Further details can be found in the Access Arrangements document provided by the CSSE on their website.

Venue of the test for Year 7 entry

- (a) The test will be taken at a selective school or other designated centre. Normally applicants for King Edward VI Grammar School will take the test at the school or other local site which the school may use. If maximum candidate capacity at KEGS is reached, the CSSE will offer applicants an alternative test centre, sometimes on a different day. All UK candidates must sit the test at a CSSE centre.
- (b) In the interests of fairness, no applicant will take the test at his own school except as described in
- (c) below where no alternative is available.
- (c) Applicants intending to move to Essex for the start of their child's Year 7 education, but who currently live abroad, will take the test on the main test date at a place to be decided in consultation with the CSSE and the applicant's parents or carers.

Date of the test for Year 7 entry

The main date for the test for the September entry will normally be a Saturday in the first half of the Autumn term except for variations described above.

Over-subscription for entry in Year 7

- (a) 150 places are available to those who made KEGS one of their preferences, who have not been offered a place at another school for which they expressed a higher preference, and who qualify to be offered a place at the school under the coordinated admissions arrangements. Where applications for admission

CHELMSFORD

King Edward VI Grammar (Boys) School, Chelmsford (continued)

exceed the number of places available in Year 7, places will be awarded in rank order from the test, using standardised scores (including age standardisation).

Places that are dependent on living continuously in the 'Priority Area'

120 places are reserved for boys who have been continuously living within the priority area, i.e. within a distance of 12.5 miles from the school (see section 4(b)-(c) and section 5 below), since 1st September at the start of Year 6:

(i) Up to 8 out of the 120 'priority area' places are available to the top performing boys in the selection test who fulfil all of the following criteria:

A. at the time of test registration, are EITHER in receipt of the Pupil Premium payment OR are classified as 'looked after' children or 'previously looked after' children. In each case, this must be declared on the CSSE Supplementary Information Form when registering for the tests (evidence will be required);

B. achieved a final standardised score of at least 340

(ii) Further places will be offered in descending rank order of marks to the boys up until 120 places have been awarded to priority area applicants (this total includes any places awarded in 4(i) above).

Places not dependent on living in the 'Priority Area'

Once 120 places have been allocated to boys living inside the 'priority area', the remaining 30 places will be allocated to boys regardless of where they live:

(iii) Up to 2 of these 30 places are available to the top performing boys in the selection test who fulfil all of the following criteria:

A. at the time of test registration, are EITHER in receipt of the Pupil Premium payment OR are classified as 'looked after' children or 'previously looked after' children. In each case, this must be declared on the CSSE Supplementary Information Form when registering for the test (evidence will be required);

B. achieved a final standardised score of at least 368.

(iv) The remaining places from the 30 will then be offered in descending rank order of marks to the boys scoring highest in the selection test.

(b) The offer of a place made under 4(a)(i) and 4(a)(ii) is conditional upon the pupil being continuously resident within the priority area (at their permanent home address and that of their primary carer) between 1st September at the start of Year 6 and the date of commencing the start of Year 7 at KEGS.

(c) Only one address can be used for application. In applying these admission arrangements, the 'permanent home address' will be defined as the place where the child resides for the majority of the week (Sunday to Thursday nights inclusive) and where their primary carer normally resides. Permanent residency is defined as owner occupancy or valid letting contract of a residential property. If a family rents a property, or lives with relatives temporarily, and uses this address in order to try to gain a priority area school place, whilst retaining ownership or tenancy of an alternative property, then the latter property will normally be considered as the appropriate address to assess admission from, even if this property is not currently being occupied by the child and their primary carer. For all applications, evidence of residence at the address may be required.

(d) Children of returning UK service personnel and crown servants (or who are posted to the priority area) will be treated as meeting the residency requirement in 4(b) above. Documentary evidence will be required.

(e) Where selected pupils drop out between the time of publication of offers of places and the start of the following academic year places, then:

(i) any pupil who drops out who was awarded a place on the basis of categories 4(a)(i) and 4(a)(ii) above (i.e. who lives within the priority area) will be replaced by the next pupil in rank order who lives in the priority area as defined in 4(b)-(c).

(ii) any pupil who drops out who was awarded a place on the basis of categories 4(a)(iii) and 4(a)(iv) above will be replaced by the next pupil in the rank order.

(f) Where there are a number of pupils with equal scores competing for the last available place, due to applicants achieving identical standardised test scores (including age standardisation), preference will first of all be given to "looked after" or "previously looked after" children, then to those in receipt of Pupil Premium (evidence will be required), and then to siblings. Should there be no siblings, or should there be more applicants with siblings at the school than there are places available, the preference will be given to the pupil(s) who live closest to the school by straight-line measurement (see section 5 below). In

King Edward VI Grammar (Boys) School, Chelmsford (continued)

the unlikely event of two applicants with an identical distance competing for a single place, the place will be offered to one applicant on the basis of lots drawn by an independent person (usually a Governor).

(g) A waiting list of the remaining pupils who took the selection test, will be held by the school for one year following admission to Year 7. If a pupil leaves KEGS during Year 7 then an offer of a place will be made according to the procedure in 4(e) above.

Address checking

The school may ask applicants to provide proof of their home address. This must be a copy of the following:

- UK driving licence (if applicable);
- Council tax notification; and
- Two utility bills dates within the last six months (gas, electricity, water or landline telephone).

Fraudulent / Misleading Applications

Regrettably, on occasion some parents give false information about their home address to get a place at a particular school. This is unacceptable and has the effect of denying a place to a child with a more genuine claim. The school expects that all applications are made in good faith, giving the correct information.

Where there is reasonable doubt as to the validity of a home address, the school reserves the right to undertake additional checking measures, including in some cases, unannounced home visits. If a school place is secured through false information regarding a home address, the school reserves the right to withdraw the place and will exercise that right in relevant cases.

‡ LA sibling definition applies.

◆ This school requires a Supplementary Information Form to be completed. This form is available online at www.csse.org.uk
Please check the CSSE website for any changes in the latest information regarding the test.

Waiting list held until: end of academic year.

Details of the Admission Policy for Years 7 to 11 entry are available in the school prospectus and in the school's full admission policy which can be seen by selecting the school at www.essex.gov.uk/admissions.

Admissions to Sixth Form

- a) External applicants for Sixth Form places comprise all genders without bias. The Priority Area criterion does not apply to the Sixth Form, ie. admission is based solely on GCSE results as outlined below. Except in exceptional circumstances, students must be under 17 years of age on 31st August of the calendar year of proposed admission.
- b) The morning of the day GCSE results are released at the end of Year 11 is the latest time for receipt of an application if the applicant is to be considered equally alongside all other candidates.
- c) All applicants will be asked to specify their intended subject choices, upon which the school will determine the projected number of teaching groups for each subject. Interviewing applicants or their families for entry to Year 12 will not take place, although meetings can be held to provide advice on options and entry requirements for particular courses.
- d) Admission by any applicant to the Sixth Form is based on GCSE or IGCSE grades in full courses and AS levels or FSMQ Additional Mathematics at grades A and B only. The equivalency of other qualifications obtained will be taken into consideration.
- e) The minimum number of external applicants likely to be admitted is 50. The upper limit of Year 12 external applicants will be based, not on total Year 12 numbers projected for the following academic year, but on the projected size of the teaching groups and the pastoral capacity of the school. Taking into account choices for A Level study, applications will be refused where the school considers the size of teaching sets or tutor groups to be detrimental to the education of the group and where it is not financially or educationally desirable for the Governors to alter the balance of the school's staffing or to appoint additional staff.
- f) The requirements for admission into Year 12 are:
 1. an average GCSE/IGCSE points score of at least 6.625 across the best eight subjects.
This will be calculated as follows:
Reformed GCSEs (graded 9 to 1) will score according to the grade i.e. a grade 7 would score 7

King Edward VI Grammar (Boys) School, Chelmsford (continued)

points for KEGS admission purposes.

Unreformed GCSEs (graded A* to G) will score A* = 8.5 points, A = 7 points, B = 5.5 points, C = 4 points.

AS B grade or above = 8.5 points and FSMQ

Additional Mathematics B grade or above = 8.5 points.

2. Reformed grade 6 or higher must be achieved in GCSE Mathematics and English (whether or not these subjects are being followed to A Level). The English GCSE may be either English Language or English Literature.
3. A suitably high GCSE grade, usually reformed grade 7 or A or better, in each chosen subject of study. An 8 or higher is usually required to study A Level Mathematics; a 9 is usually required to study Further Maths.
4. Reformed grade 4 or higher must be achieved at GCSE in a modern foreign language.
5. There need to be available places in the teaching sets for each subject.
6. Only two qualifications per subject are accepted e.g. FSMQ Additional Maths (of B or above) + Maths GCSE, but not GCSE Statistics + GCSE Maths + FSMQ Additional Maths.
7. Applicants who have previously left KEGS for disciplinary reasons, either through a managed move or a permanent exclusion, will be treated as "external" candidates.

g) In cases of over subscription, places will be offered first to all internal applicants then to external applicants. Each individual applicant must meet the same admission criteria, and places will be offered in descending rank order of their average points score across eight qualifying qualifications. In the event of tied scores, places will be offered first to 'looked after' children or 'previously looked after' children or those formerly in receipt of Pupil Premium who meet the criteria above. If there is still a tie after applying this criterion, places will be offered on the basis of the average points score across nine qualifying qualifications. If these scores are tied, then the best ten will be compared and so on. The school will also strive to maximize the viability of each pre-published A Level course running and, if appropriate, will occasionally prioritise applications from students who wish to study one or more of the courses with fewer students.

Waiting list held until: end of autumn term.

♦ This school requires a Supplementary Information Form to be completed and returned to the school by 1st October 2021 only if you are applying through music aptitude.

Admissions to Sixth Form

The total number of places available for Year 12 students is 180. Students will be admitted into the Sixth Form at age 16 where the school agrees it is able to offer and resource for the student.

To study AS Levels and BTECs students must have a minimum points score from their best eight GCSE results (including English and Maths) and meet the entry requirements for the sixth form and of the subjects they wish to study. The entry requirements are set annually in the school's Sixth Form prospectus.

To continue with a course during Year 13, students will normally need to achieve a 'D' grade or above at AS Level, unless there are exceptional circumstances.

Further details of all courses offered in the Sixth Form and their respective entry requirements will be available in the Sixth Form course guide 2022/2023.

All applicants will be required to sign an agreed working contract.

Applicants will be rank ordered according to their average GCSE point score in their best 8 GCSE results (including English and Maths). Offers will then be made according to places available in the relevant teaching groups using the following criteria:

1. Looked after children and children who were previously looked after* and meet the minimum entry criteria for the course that they wish to follow;
2. Students currently attending Moulsham High School and meeting the minimum entry criteria for the course that they wish to follow;
3. Any other applicant meeting the minimum entry requirement for the course that he/she wishes to follow, with those living nearer, measured by straight-line distance, being accorded the higher priority.

Admissions to Sixth Form

1. Students will be admitted into The Sandon Sixth Form from the age of 16 if they meet any subject specific grades and other criteria as identified in the Sixth Form Prospectus for 2022.
2. The School cannot guarantee a chosen programme of study. The School reserves the right not to run a subject if there are not enough students or to limit the number of students in any subject class.
3. The maximum number to admit in the sixth form will be 230. In the event of over subscription to the Sixth Form, priority will be given to students currently attending The Sandon School, thereafter the general admissions criteria 1, 4, and 5 above will apply.
4. The Headteacher, in consultation with the Chair of Governors, at their discretion may admit or decline to admit any student to the Sandon Sixth Form if in the interests of the student and the School that is the best action to take.

Admissions Policy♦

Where there are more applications than the number of places available, places will be offered in the following order of priority:

1. 'Looked after' and previously looked after Catholic children in a non-Catholic family or 'looked after' children of a Catholic family who are resident in the Parishes of: Billericay, Braintree, Brentwood, Burnham, Chelmsford, Danbury, Great Dunmow*, Hutton, Ingatestone, Maldon, Springfield, South Woodham Ferrers and Witham;
2. baptised Catholic† children of practising^ Catholic families resident in the parishes of Billericay, Braintree, Brentwood, Burnham, Chelmsford, Danbury, Great Dunmow*, Hutton, Ingatestone, Maldon, Springfield, South Woodham Ferrers and Witham;
3. other baptised Catholics‡;
4. other Looked After Children and previously looked after children#;
5. Christians of other denominations whose application is supported by a reference from a minister of religion or other religious leader;
6. children of other faiths whose application is supported by a reference from a minister of religion or other religious leader;
7. other children attending Catholic primary schools;
8. any other applicants.

Where the offer of places to all the applicants within any of the categories listed would lead to over-subscription the following rules will be applied:

1. The attendance of a sibling~ at the school at the time of admission will increase the priority of an application within each category.
2. Where the offer of places to all the applicants in the sub-category listed above would still lead to

over subscription, the places up to the admission number will be offered to those living nearest to the school. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet. In the unlikely event of two applicants with an identical distance competing for a single place at a school the place will be offered to one applicant on the basis of lots drawn by an officer of the County Council not involved in admissions;

3. catechumens (defined as a member of the catechumenate of a Catholic Church. This will be evidenced by a Certificate of reception into the order of catechumens) and members of an Eastern Christian Church (including Orthodox Churches and evidenced by a Certificate of baptism or reception from the authorities of that Church) will be given priority in category 5.

~ A sibling is a child who has a brother, sister, stepbrother or stepsister living in the same family unit in the same family household and address who attends SJP in any year group at the time of application. Biological siblings who attend SJP in any year group will also be treated as siblings irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. If the last child to be offered a place is a twin and their sibling cannot initially be offered, the school will ensure both twins are offered a place. In the case of triplets or other multiple births, if the majority of children can initially be offered a place, the school will offer places to the remaining children.

LA definition applies.

* The area around Gt. Dunmow that is east of the river Roding and south of the A120.

† 'Catholic' means a baptised member of a Church in communion with the See of Rome. This includes the Eastern Catholic Churches. This will be evidenced by a certificate of baptism in a Catholic Church or a Certificate of reception into the full communion of the Catholic Church.

Eastern Christian Church' includes Orthodox Churches and is evidenced by a Certificate of baptism or reception from the authorities of that Church.

Admissions to Sixth Form

The school operates a sixth form for a total of 260 pupils. 130 places overall will be available in Year 12. While the admission number is 130, if fewer than 130 of the school's existing pupils transfer into Year 12, additional external pupils will be admitted until Year 12 meets its capacity of 130. Both internal and external pupils are required to meet the following entry requirements:

1. Achieve the minimum points score from the best 8 KS4 qualifications
2. Achieve individual requirements for the selected subjects

Criteria are published annually in the school's prospectus and on the school website.

Admissions Policy

The School/Governing Body are responsible for the implementation and administration of the policy and places will be offered to applicants in the following order of priority:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. students attending the following Primary Schools:
 - Cold Norton Primary School
 - Collingwood Primary School
 - Elmwood Primary School
 - St Joseph's Catholic Primary
 - St Mary's CE (VA) Primary School, Woodham Ferrers
 - Trinity St Mary's CE (VA) Primary School
 - Woodville Primary School

by the closing date of applications for September Intake.
3. students living in South Woodham Ferrers and those with a Woodham Ferrers postal address;
4. students with siblings[‡] already attending the school in any year excluding the final year (Year 13);
5. children of staff in both of the following circumstances:
 - a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or
 - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
6. remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given highest priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Admissions Policy

If the Academy is oversubscribed or there are more applications than places, after the admission of pupils with a Statement of Special Educational Needs or Education, Health and Care Plan (where the Academy is named in the Statement or Plan), priority for admission will be given to those children who meet the criteria set out below, in order:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. Children who are Ordinarily Resident (see Definitions) in the Priority Admission Area (see Definitions) with a sibling (see Definitions) who is either on roll at the time of the application, or has been offered a place and will still be a pupil of the School at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap. If you have more than one child at the School, please name the youngest one.
3. Children who are Ordinarily Resident outside of the Priority Admission Area with a sibling who is either on the roll at the time of the application, or has been offered a place and will still be a pupil at the School at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap. If you have more than one child at the School, please name the youngest one.
4. Children who are Ordinarily Resident in the Priority Admission Area and attend one of the designated primary schools:
 - Fingringhoe CE (VA) Primary
 - Friars Grove Primary School
5. Children who are Ordinarily Resident in the Priority Admission Area.
6. Children who are Ordinarily Resident outside the School's Priority Admission Area but attend one of the designated primary schools:
 - Fingringhoe CE (VA) Primary
 - Friars Grove Primary School
 - Hazelmere Junior School
 - Parsons Heath CE
 - Roach Vale Primary School
 - Unity Primary Academy
 - St John's CE (VC)
 - St Lawrence CE Primary School, Rowhedge
 - Willow Brook Primary school
7. Children of staff employed by a Trust School in the following circumstances:
 - 1) where the member of staff has been employed for two or more years at the time the application for admission to the School is made; or
 - 2) where the member of staff is recruited to fill a vacant post for which there is a skill shortage.
8. All other applicants by distance from the address where the child is Ordinarily Resident, as per the distance tie-breaker.

If it is necessary to use a tie-breaker to distinguish between two or more applications, a distance criterion will be used. We will give priority to the applicants who are Ordinarily Resident nearest to the Academy as measured by a straight line. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Colchester Academy (continued)

In the unlikely event that two or more applicants competing for a single place at the Academy live the same distance from the School, the place will be offered to one applicant on the basis of random allocation (i.e. the drawing of lots). The random allocation process will be supervised by a person who is independent of the Academy and a fresh round of random allocation will be done each time a child is to be offered a place from a waiting list.

In the case of twins or other multiple births, where there is only one place available in the Academy, all will be considered and admitted together as one application.

By ordinarily resident, ordinarily residing or ordinarily reside we mean the place where your child usually lives. We consider this to be where they sleep overnight. We may need proof of this address. If you use another address to give the impression that your child lives at a different address to where they are ordinarily resident, such as a second home or a grandparent's address, so that you have a higher priority for a place at that school; we consider this to be a fraudulent application.

Where a child lives at two or more addresses, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Separate evidence in writing from each parent must be provided to confirm the child's living arrangements at the time of application.

Siblings include a brother or sister who share the same parents; a half-brother, half-sister or legally adopted child Ordinarily Residing at the same address; a child looked after by a local authority placed in a foster family with other school age children; a stepchild or children who are not related but Ordinarily Reside at the same address as a family unit.

Admissions Policy♦

You must always ensure that you have checked any testing dates or arrangements on the CSSE website and/or the school website.

To enter for the test a Supplementary Information Form (SIF) must be obtained from, completed and returned to The Secretary to the CSSE (address available from the school). Applications may also be made online.

An additional form for those candidates in receipt of free school meals by virtue of their household income at the agreed government threshold * or for whom their primary school receives the pupil premium** must be completed and returned to Colchester County High School for Girls by 31 October 2021. The School will seek written verification of this information from each candidate's primary school, with parental permission. The eligibility will be taken to be as on the date the test is taken.

*This does not apply to students who receive free school meals only due to the universal free school meals policy by the Local Authority.

**Children eligible for the pupil premium:

1. Looked after children
2. Previously looked after children
3. Children currently eligible for free school meals by virtue of their household income at the agreed government threshold
4. Children who are known to have been eligible for free school meals by virtue of their household income at the agreed government threshold since 2014

Only girls who have been entered for the test, are of the appropriate age, and who attain the required standard in the prescribed arrangements for selection by

reference to ability will be eligible to be considered for entry to the school in the September of Year 7. The test is available to students in Essex and from outside the county.

Looked After Children* (LAC) or Previously Looked After Children (PLAC) who score 320 or above will be prioritised first. Thereafter up to 20 places will be available to the highest scoring applicants who are eligible for the pupil premium (i.e. those in receipt of free schools meals either currently or have received free school meals in the previous 6 years, for whom their primary school receives the pupil premium) and who achieve a test score of 320 or more. The remaining places will be available to all other highest scoring applicants in rank order of merit.

The test is normally available to girls in Essex and from outside the county aged at least eleven years and under twelve years on 31 August following the taking of the test, who make application via the CSSE by the published cut-off date. No students who will be younger than eleven years of age on 31 August following the taking of the test will be eligible for admission unless they fulfil the LA's criteria for early entry – i.e. they are following the full Year 6 curriculum in the year in which they take the test. No student who will be twelve years of age or over on 1 September following the test date will be allowed to take the test and gain admission to Year 7 at Colchester County High School for Girls, unless there are verified exceptional circumstances. Written requests should be addressed to the Headteacher and sent via the CSSE with supporting documents.

The CSSE deadline date for submitting the SIF will be published on the CSSE website.

The selection process is by two tests, in English (50%) and Mathematics (50%). The English paper will comprise of comprehension, grammar and vocabulary, creative/extended writing, and applied reasoning (literacy and verbal). The Mathematics paper will comprise of questions consistent with KS2 National curriculum and applied reasoning (mathematical/non-verbal). The English and Mathematics tests will be set by the Consortium or anybody they choose to act on their behalf. Practice papers are available from the CSSE. The tests will be marked by staff employed by the selective schools and the marks from the two tests will be aggregated and mathematically standardised for each candidate. A rank order of merit of all candidates seeking a selective place will be created.

Colchester County High School for Girls (Continued)

The test can only be taken once by any candidate.

The main test date for September 2022 entry will take place on a date arranged by the CSSE.

Applicants intending to move to Essex for the start of their child's Year 7 education, but who currently live in the UK, must travel to take the test at a CSSE test centre. Applicants who live overseas should contact the CSSE regarding arrangements to take the tests on the main test date at a place to be decided by the CSSE in consultation with the applicant's parents.

Applicants, whose move to the area could not be foreseen in time to meet application deadlines, will be permitted to take a test at a later date decided by CSSE. The applicant will be placed in rank order with the rest and the details passed to the LA. If offers of places up to the PAN have already been made by the LA, but the applicant's result would have earned her a place then the applicant will be placed on the waiting list. If a place then becomes available within the number intended to admit, it will be offered (via the LA) to the late applicant by virtue of having a higher qualifying score than the next student on the rank order. The Local Authority will inform late applicants of their statutory right of appeal at the time a place is refused.

Following the tests, parents will be sent the test results for their daughter and information regarding the lowest cut off score for admission in previous years. However these scores are not a final indicator of applicant admission success as they may vary from year to year.

Application for a place should be made to the LA.

Where applications for admission exceed the number of places available in Year 7, places will be awarded in rank order until the PAN is reached. The CSSE operates a co-ordinated testing system providing access to selective places for all CSSE schools via a single set of tests. The LA will be notified of the Order of Merit score of all candidates who have expressed a preference for this school so that it can decide whether to offer a place on the basis of satisfying the highest preference of school indicated by the candidate on the LA's application form.

Places will be allocated in the following order:

- (i) who is 'looked after' or was previously looked after (as defined in the Secondary Education in Essex 2022/2023 booklet) who score 320 or above in

the selection test;

- (ii) up to 20 places will be allocated to the highest scoring candidates on the Order of Merit List who are eligible for the pupil premium on the date that the 11+ test is taken and who achieve a standardised test score of 320 or above.
- (iii) places will then be allocated in descending score order from the Rank Order of Merit List, highest scoring first, until all PAN places are filled.

Where there are a number of girls with equal aggregated test scores competing for the last available place(s), preference will first be given to the girl eligible for the pupil premium if they have not already been offered a place, followed by the girl living closest to the school by straight line measurement, measured from the school.

When selected students withdraw between the time of publication of the results and the following September, places will be offered to the next qualified girl(s) from the Order of Merit List, (subject to the same conditions as outlined in the preceding paragraphs).

A waiting list will be kept by the LA until the end of the first week of the autumn term and thereafter by the school until the end of the first term. The Order of Merit List will cease to apply from the second term in Year 7 and any further vacancies will be treated as per the In Year Admissions Policy

* as defined in the Secondary Education in Essex 2022/2023 booklet

◆ This school requires a Supplementary Information Form to be completed. The CSSE deadline date for submitting the SIF will be published on the CSSE website. The form is available online at www.csse.org.uk. Please check the CSSE website for any changes in the latest information regarding the test.

Waiting list held until: end of autumn term.

For full details of the Admissions Policy for Years 7 to 11 and the Sixth Form please apply to the school for a prospectus or see the school website.

Admissions to Sixth Form

The school plans to admit up to a maximum of 50 students (girls) joining from other schools in addition to those progressing from Colchester County High School provided they have met the minimum entry

COLCHESTER

Colchester County High School for Girls (Continued)

requirements and there is availability of places in subject courses, teaching staff and group sizes.

The deadline for submitting applications for sixth form places will be published on the website.

The School will acknowledge receipt of applications from external applicants and will request a reference, including predicted GCSE grades or any GCSE grades already achieved, from the applicant's current school. Where predicted grades are not provided by the school, performance in trial/mock examinations will be considered and the professional judgement of staff at Colchester County High School will be used to make an assessment of the information provided.

The programme of study in the Sixth Form is that students will study three, four or five A Levels in Year 12. Students may study Further Mathematics within the four course choices or in addition to a four A Level programme.

Offers of conditional places will be made after the closing application date. The school will determine the projected number of teaching groups based on the applicant subject choices and conditional offers will be based on these choices.

More conditional places will be offered than places available as some applicants will not achieve the minimum entry criteria or will decide to attend an alternative Sixth Form provider. Taking into account subject choices for A Level study, applications will be declined or placed on a waiting list where the school considers the size of teaching groups to be detrimental to the education of the group (or groups) as a whole and where it is not financially or educationally desirable for the Governing Body to alter the balance of the school's staffing or appoint additional staff to create additional groups.

GCSE results will be verified on results day for both internal and external applicants; external candidates will be required to bring their results to the school on results day. Places in the Sixth Form will be confirmed by email within five working days after the GCSE results are published.

Places in the Sixth Form and course choices are confirmed on the basis of GCSE results and meeting the entry criteria, the availability of places in subject courses, group sizes and availability of teaching staff.

The minimum entry requirement is 4 GCSEs at Grade 7 or above and 2 GCSEs at Grade 6 including English Language and Mathematics at a minimum of Grade 6. Students will be required to achieve at least a Grade 7 in each GCSE subject they wish to study at A Level. Those students wishing to take A Level Music will also require Associated Board Grade 5 Music Theory and Associated Board Grade 5 Music Practical in addition to the GCSE grade requirements outlined above. For A Level subjects not studied at GCSE, each subject has a specified GCSE entry qualification:

- for Classical Civilisation, Economics or Religious Education a Grade 6 in GCSE English Language or GCSE English Literature
- for Psychology a Grade 7 in GCSE English Language or English Literature and Grade 6 in Mathematics
- for Further Mathematics a Grade 8 or above in GCSE Mathematics.

If Economics, Psychology or Religious Education has been studied at GCSE then the entry requirement will be a Grade 7 in the subject to be taken at A Level.

The criteria above are minimum entry requirements. Achievement of the GCSE grades specified does not guarantee a place on any course or combination of courses as this is dependent on numbers in the teaching groups.

In addition to the GCSE requirements set out, where a candidate's first language is not English, the school may require her to demonstrate sufficient fluency in English, both orally and in writing, to participate successfully in the Sixth Form. The candidate must also be able to show to the school's satisfaction that she has a right to reside in the United Kingdom and is entitled to State Education. The school will refuse admission to any candidate who fails to provide authentic, valid and bona fide documentation in support of their application.

Where students applying to the Sixth Form do not have GCSE or IGCSE qualifications, applications are considered on an individual basis and will involve the candidate taking a test for each A Level subject set by the Head of Department. Student qualifications will be considered along with other information provided by the student's current school. Students must be under 17 years of age on 31 August of the calendar year of admission. Our first priority is to admit CCHSG students followed by Alpha Trust secondary school students who

Colchester County High School for Girls (Continued)

have met the entry requirements; both the minimum entry requirements and GCSE grades for the subjects chosen for which the conditional offer was made.

In the case of over-subscription, places will be confirmed to internal applicants who have met the entry requirements first, followed by applicants from Alpha Trust secondary schools, then any applicants who are currently Looked After Children or previously Looked After Children* who meet the minimum entry requirements, then to students on Free School Meals, and finally to all other students applying to join the school.

Places will then be confirmed in descending rank order of students average GCSE points score across their highest grades for their best eight full course GCSE subjects including English and Mathematics. Dual awards will be counted as one GCSE and, where applicable, the grade used in the calculation will be the one scored in the higher paper for example the additional science grade.

Grades from unreformed GCSE's will be treated as follows:

A* = 8.5 points, A = 7 points, B = 5.5 points, C = 4 points.

Grades below C or 4 points are not considered.

If there is a tie then GCSEs in addition to the eighth subject will be taken into account. Short or half courses will not be taken into account. In the event of a tie for one remaining place to study a particular combination of subjects between students with the same average GCSE points score across all of their subjects, the place will be offered to the student who lives nearest to the school by straight line measurement, measured from the school.

An applicant considering joining from another school would not be offered a place if the school considered that their addition to a teaching group (or groups) would increase the size of it (or them) to the detriment of the group (or groups) as a whole and it is not financially or educationally desirable for the Governors to alter the balance of the school's staffing or appoint additional staff to create additional groups.

Admissions Policy

You must always ensure that you have checked any testing dates or arrangements on the CSSE website and/or the school website.

Admission to Year 7 is determined by a pupil's position within the selection procedure organised by the Consortium of Selective Schools in Essex (CSSE). This position is decided on the basis of the pupil's standardized score in the selection tests. The selection procedure is open equally to pupils in Essex and those who live outside the county. Testing now takes place before application, and applicants to CRGS must register with the CSSE to take the selection tests by the official registration deadline. The main test date for September 2022 entry will take place on a date arranged by the CSSE. Applications must be submitted to the pupil's home LA by the published deadline of 31st October in the year prior to admission.

Admissions Priority 1:

Up to 12 places will be offered to boys who have named CRGS as a preferred school and who qualify to be offered a place at the school under the coordinated admissions arrangements, who achieve a score greater than 320 in the selection tests and who fall into any of the following categories:

- a 'looked after child' or previously looked after child;
- a child in receipt of the Pupil Premium Grant at the time of registration for the 11+ test (i.e. one who is in receipt of Free School Meals currently, or has received Free School Meals in the previous six years, whose primary school receives the Pupil Premium Grant).

In both of these cases, the information must be declared on the CSSE registration form for the tests; evidence to confirm eligibility will subsequently be sought. The places will be allocated based on

descending rank order of marks, until either 12 places have been allocated or there are no more boys who fall into one of the above categories and who achieve a score greater than 320.

Admissions Priority 2:

The remaining places will then be offered in descending rank order of marks to the boys scoring highest in the selection tests who have named CRGS as a preferred school and who qualify to be offered a place at the school under the coordinated admissions arrangements until the PAN of 128 is reached.

If there are applicants with an equal ranking competing for the last available place in either Admissions Priority category, preference will be given to:

- a 'looked after child' or a child who was previously looked after;
- followed by a child in receipt of the Pupil Premium Grant at the time of registration for the 11+ test (i.e. one who is in receipt of Free School Meals currently, or has received Free School Meals in the previous six years, whose primary school receives the Pupil Premium Grant);
- followed by the applicant living closest to the school by straight line distance as defined by the LA and set out in the Secondary Education in Essex Booklet.

The published admission number for Year 7 is 128. Application to CRGS is open to boys registered in Year 6 and under twelve years of age on the following 31st August, immediately prior to admission in September. The test can only be taken once by any pupil.

The school does not normally admit 'over age' applicants. Any test candidate who is 'under age' or 'over age' will need to demonstrate that their application is supported by the necessary relevant evidence. A panel of Headteachers, selected from the Consortium Schools and with full delegated authority from those schools, will review all 'under age' and 'over age' applications. The panel's decision is binding. For further information on 'under age' and 'over age' applicants, please see the CSSE document 'Arrangements for 'under age' and 'over age' entry to CSSE schools' that is available on the CSSE website (www.csse.org.uk).

If a place has been offered, but is then subsequently declined, a new offer will be made to whichever applicant has the next highest score in the same Admissions Priority category, provided the conditions outlined above are met. If there are no more applicants who meet the conditions for Admissions Priority category 1, then the place will be offered to the next highest scoring applicant from Admissions Priority category 2.

COLCHESTER

Colchester Royal Grammar School (continued)

◆ This school requires a Supplementary Information Form to be completed. The form is available online at www.csse.org.uk. Please check the CSSE website for any changes in the latest information regarding the test.

Waiting list held until: end of autumn term.

Admissions to Sixth Form

In addition to those who progress from the Colchester Royal Grammar School Year 11 cohort, a number of external students are admitted into Year 12 each year. A number of additional places are reserved for boarders each year. The school admits a limited number of girls as students into the Sixth Form.

Offers of places are made subject to satisfactory performance at GCSE or equivalent examination. The minimum requirement for entry into the Sixth Form is at least 38 points across the best five subjects. Reformed GCSEs will score according to their numerical grade; unreformed GCSEs will score as follows: A* = 8.5 points, A = 7 points, B = 5.5 points, C = 4 points. Grades below a C are not considered. AS grade B or above = 8.5 points.

A grade 7 (or above) is required in the subjects to be studied at A level. A reformed grade 5 or above must be achieved in GCSE (or GCSE equivalent, as defined by the DfE) English Language and Mathematics, regardless of whether or not these subjects are being followed at A level. A reformed grade 8 in GCSE Mathematics is required for anyone wishing to study Further Mathematics at A level.

Priority will be given to existing CRGS pupils transferring from Year 11 who meet the admissions criteria stated above. External students must complete and submit the school's official application form by 1st December, which can be found on the school's website. Predicted GCSE grades will be requested from the applicants' schools. Where predicted grades are not provided by the school, performance in trial examinations will be considered instead of the predicted grades, and the professional judgement of the CRGS staff will be used to make an assessment of the data provided. Applicants who are predicted high grades at GCSE or in equivalent single subject examinations will be invited to the school to discuss their subject choices, although this meeting will not form part of the selection process. Where some GCSE grades have already been achieved, the actual grades will be taken into account. Students from overseas who do not follow the National

Curriculum are admitted on the basis of their academic performance in their current school and, where appropriate, their performance in the school's entrance tests. The professional judgement of the CRGS staff will be used to compare this information with the information provided on other applicants. Students from overseas, who do not follow the National Curriculum and who do not have reformed GCSEs (or GCSE equivalent, as defined by the DfE) in English Language and Mathematics, will be expected to study towards and pass these qualifications before the end of their A level courses, unless taking a higher level equivalent at A level.

Conditional places will then be offered to those students with the highest average points score, based on predicted grades, in their best 8 GCSEs or equivalents, including English and Mathematics. If students have an equal average points score, the number of grade 9s (or A* grades for unreformed GCSEs), predicted or achieved will be used to differentiate between candidates if necessary. Taking into account choices for A level study, applications will be declined or placed on a waiting list where the school considers the size of teaching sets to be detrimental to the education of the group and where it is not financially or educationally desirable for the Governors to alter the balance of the school's staffing or to appoint additional staff.

In cases of oversubscription, and if further discrimination is necessary, first preference will be given to looked-after or previously looked-after children who meet the grade requirements. Following this, preference will be given to applicants living closest to the school by straight line as defined by the LA. Decisions will be made and communicated to applicants by the end of February Half Term. Applications received after 1st December will be considered after the first tranche of offers have been made. Any vacancies arising in the Summer Term will be filled in August on the basis of the actual GCSE results achieved, following the same criteria as detailed above.

In the case of boarding applicants an interview will be held to seek to establish whether the applicant is suitable for a boarding place.

Overseas applicants must hold a full British or EU passport, subject to changes in national legislation, or have residency rights in the UK. All applications to the Sixth Form should be submitted to the school by 1 December 2021.

Priority A - 3

Admissions Policy♦

You must always ensure that you have checked any testing dates or arrangements on the school website.

Where applications exceed the number of places available, the following criteria will apply in the order set out below, to decide which child to admit:

- 1 Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet); will be admitted over and above any other Priority A child listed in the criteria 1-3.

Priority A:

A minimum of 270 places will be allocated in the following priority order:

- 1) Children of teaching and non-teaching staff:
 - i) Who have been directly employed by the school for two or more years at the time of the application for a school space*;
 - ii) Where the member of staff is recruited to fill a vacancy for which there is a demonstrable skill shortage;

Parents applying under this criterion must inform the Admissions Officer at The Gilberd School in writing.

- 2) Where a student's sibling‡, who lives within the same household, attends the Gilberd School in Years 7 to Year 10 at the date of application and is still expected to be on roll at the time of the proposed admission.
- 3) The remaining places will be allocated on the basis of straight line distance from the child's home address*** to the school, with those closest

to the school being given the highest priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

***The home address is where the child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then the parents will be asked to determine which residential address should be used for the purpose of admission to the school. If no joint declaration is received where the residence is split equally by the closing dates of the applications, the home address will be taken as the address where the child is registered with the doctor. If the residence is not split equally between both parents then the address used will be the address where the child spends the majority of the school week.

Priority B:

Up to 30 places in Year 7 will be allocated on the following basis:

1. children resident in the Colchester area***** at the time of application who are identified as having a proven aptitude in Music as determined by the school's aptitude test. Applicants seeking admission under this criterion should complete a Supplementary Information Form which is available from the Admissions Officer at The Gilberd School. The SIF must be received by the Admissions Officer no later than 23rd September 2021. Tests/auditions will then be scheduled and concluded so that parents can be notified of the outcome prior to the 31st October 2021. A pass does not equate to a guarantee of a place at the school since places will be allocated as follows:
 - I. in the event of over-subscription within Priority B, priority will be given to applicants with the highest scores for aptitude as determined by the school's aptitude test. There is no specific pass mark.
 - II. In the event of a Priority B applicant not wishing to take up their place or being allocated a place via a Priority A criteria, this place will be reallocated to other Priority B applicants in rank order of aptitude score until the Priority B waiting list is exhausted.

COLCHESTER

The Gilberd School (Continued)

- III. In the event of Priority B places remaining unfilled after ii) above, they will be reallocated to Priority A applicants in order of straight-line distance in accordance with Criteria 3.
- IV. In the unlikely event that a student who is offered a place under Priority B has a sibling[‡] in the same year group, that sibling will be considered under Priority A 2.

A priority B offer will only be made if a Priority B place becomes available and if a Priority B waiting list exists. All other offers will be made under Priority A.

[‡] LA sibling definition applies.

* This does not include staff who are employed by subcontractors, agencies or who do not have permanent contracts.

***** Applicants from the Colchester Borough Area (A map is available from the school).

◆ If applying under the music aptitude criteria, this school requires a Supplementary Information Form to be completed and returned by 23rd September 2021

Admissions Policy♦

Where the number of applications for admission is greater than 180, applications will be considered against the criteria set out below.

- a. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
- b. children of parents committed to the Christian or Jewish faith, determined by attendance at a place of mainstream Christian[†] or Jewish worship by at least one parent or legal guardian. Preference will be given to the greater number of years attended and frequency of attendance during the last seven years, as confirmed by referees. Where applicants have the same record of attendance, places will be allocated in the following order:
 1. children of members of staff who have been employed at the school for two or more years at the time at which application for admission is made, or who are recruited to fill vacant posts for which there is a demonstrable skill shortage;
 2. children with siblings[‡] in the school who will still be in the school at the time of proposed admission;
 3. children living nearest to the school measured in a straight line to the school*.
- c. other children, with places allocated in the following order:
 1. children of members of staff who have been employed at the school for two or more years at the time at which application for admission is made, or who are recruited to fill vacant posts for which there is a demonstrable skill shortage;

2. children with siblings[‡] in the school who will still be in the school at the time of proposed admission;
3. children living nearest to the school measured in a straight line*.

The Admissions Committee may, in exceptional individual family circumstances which are fully supported by independent evidence provided at the time of application, consider an application which does not meet the criteria set out above. Paperwork in this regard must be clearly marked 'Consider under Clause 11'.

Applications will be considered on the basis of a parent's commitment to the Christian or Jewish faith. All applications will be graded according to the frequency and length of attendance at a place of worship, with the attendance over the last 7 years of one parent or a legal guardian counting, based on the information provided. Only one Parent/Legal Guardian's attendance at a place(s) of worship will be requested and references sought for that parent/guardian only.

Each application is given an attendance score which is calculated by awarding:

- 20 points for each year of confirmed weekly attendance
- 10 points for each year of confirmed fortnightly attendance
- 5 points for each year of confirmed monthly attendance
- 1 point for each year of confirmed occasional attendance.

The list of applications will be ranked in order of attendance score.

In the event that during the period specified for attendance at worship the church or synagogue has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or synagogue, or alternative premises have been available for public worship.

[†] A place of mainstream Christian worship in the United Kingdom is defined as one which is a member of, or affiliated to, Churches Together in Britain and Ireland,

the Evangelical Alliance or Affinity. Referees will be asked to confirm, on the form which is sent to them, that the place of worship satisfies this definition. Information provided in the SIF will be used to allocate places if there are more applications than there are places available.

‡ LA sibling definition applies.

* Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Since residency is relevant to an application for a place at the school, applicants will be required to provide proof of their home address when they return their Supplementary Information Form. This must be a copy of each of the following:

- council tax notification
- child benefit statement or child tax credits or medical card/letter
- two utility bills dated within the previous three months.

Where there is reasonable doubt as to the validity of a home address the school reserves the right to take additional checking measures. If a place is secured through false information regarding a home address, the offer of a place may be withdrawn.

◆ This school requires an online Supplementary Information Form to be completed; please use the link on the school website. (A printable version of the form can be obtained from the school reception, should it be required).

Waiting list held until: end of autumn term, longer by request.

Admissions to the Sixth Form

1. The total number of Year 12 students in the Sixth Form will vary a little each year but will be no fewer than 160 in total. The admission number for entry at Year 12, by students not previously on the school roll, is at least 80. The School will accordingly admit a minimum of 80 students in addition to those existing school students wishing to enter Year 12.
 2. The school will publish a prospectus for admission to Year 12 during the preceding Autumn term and will hold an open evening in November when would-be applicants can view the school.
 3. In the event of oversubscription for the 80 places, applicants will be assessed on their suitability for the courses offered, commitment to the school's Christian ethos and their likely involvement in the extensive extra-curricular programme.

Admissions Policy

Where applications for admission exceed the number of places available, the following criteria will be applied in the order set out below to determine which children to admit:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet).
2. Current Family Association. A brother or sister on the roll at the King Harold Academy at the time of entry. In this context, brother or sister means children who live as brother or sister in the same house, including adopted siblings, stepbrothers or sisters and foster brothers or sisters.
3. Proximity of a student's home to the school. Those residing in the EN9 postcode area and living closest being given highest priority. When we apply the distance criterion for the school, these straight line measurements are used to determine how close each applicant's address is to the school. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

A pupil's home address is considered to be a residential property that is the child's only or main residence and not an address at which your child may sometimes stay or sleep due to your own domestic or special arrangements. The address must be the pupil's home address on the day you completed your application form.

Exceptional medical circumstances (supported by medical evidence) may override the above.

 Applications received (all preferences) Sept 2021: 375
 Number on roll Jan 2021: 621
 In 2021 the last child was admitted under criterion 5

Admissions Policy

You must always ensure that you have checked any testing dates or arrangements on the school website.

A maximum of 120 allocations will be available and allocated within criteria 1 to 7. Up to 6 allocations within the 120 are reserved for applicants taking the musical aptitude test.

When the Academy is oversubscribed, priority for admission will be given to those children who meet the criteria set out below, in the following order:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. where the child has a sibling* currently attending the academy at the time of application, unless the sibling is in the last year of the normal age-range of the school (ie Year 13);
3. children** who live with parents, guardians or carers, who are employees of Bridge Academy Trust, provided that the employee has been employed by the Trust for a minimum of 2 years at the date of application for admissions;
4. up to a maximum of 65 places will be allocated to students from the following group of primary schools:
 - Ongar Primary;
 - Chipping Ongar Primary;
 - High Ongar Primary;
5. up to 5% (6) of the places available will be allocated to students with a proven aptitude in music. Aptitude in music will be assessed by tests to be taken by applicants on Monday 18th October 2021. If parents and carers wish for their child to take the Musical Aptitude test, they will need to communicate this with the school

EPHING FOREST

The Ongar Academy (continued)

via email before Friday 15th October 2021. The tests have been devised to be taken by children whether or not they have had experience of, or formal training in music. More detailed information about the test is available from the school on request or via the school website.

The 6 places will be offered in rank order of aptitude, as displayed in the test. In the event of a tie-break under criterion 6, the place will be allocated to the student who lives nearest (as defined above) to The Ongar Academy.

Should fewer than 6 children apply for these places or achieve the minimum score, the unfilled places will be allocated in accordance with the distance criterion.

If your child is a twin (or of multiple birth), the Musical Aptitude test is taken at your own discretion. The waiting list for these applicants is separate to the main waiting list, which could result in only one child being offered a place dependent on results. If one child does gain a place at The Ongar Academy because of their Musical Aptitude results, this does not mean that their sibling (s) is automatically allocated a place.

6. Remaining applications - All applications received where applicants are not attending the named schools in criterion 4.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from the home to the academy; those living closest having the highest priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Should two applicants have the same home to school distance, (not including multiple-birth siblings at the same address who would both be admitted) a random allocation would be made. This will be independently supervised.

*A 'sibling' means a brother, sister, half brother or sister, adopted brother, adopted sister, step brother, step sister or a child of a parent/carer of a child looked after living permanently at the same address from Monday to Friday.

**Children is defined by birth or adoption, of a member of staff, or a child by birth or adoption, of a wife/husband/partner of a member of staff living at the member of staff's home from Monday to Friday during term-time; or a child for whom child benefit is paid to a member of staff.

◆ This school requires a Supplementary Information Form to be completed by the closing date for applications in order to be considered under the music aptitude criterion.

Waiting list held until: Prior to September 2022 the waiting list will be administered according to the criteria set out above. Students remaining on the waiting list in September 2022 will be ranked according to the In-Year Admissions Criteria which can be found on the school website.

Admissions Policy

There is no guarantee of a place for children living in the priority admission area. In the event of oversubscription, remaining places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. siblings*;
3. children of Roding Valley High School Staff:
 - a) Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
4. where the child attends one of the following schools, irrespective of place of residence:
 - Buckhurst Hill Community Primary School
 - Chigwell Primary School
 - High Beech C of E Primary School
 - Ivy Chimneys Primary School
 - Lambourne Primary School
 - Limes Farm Junior School
 - Staples Road Primary School
 - St. John's C of E School, Buckhurst Hill
 - The Alderton Junior School
 - Theydon Bois Primary School
 - White Bridge Primary School
5. all remaining applications by distance.

For all criterion; children will be ranked in distance order for admission by straight line distance. Those living nearer will have a higher priority, starting with the nearest first. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

In the unlikely event of applicants with an identical distance competing for a single place at a school, the place will be offered to one applicant on the basis of lots drawn by a member of school staff not involved in admissions, with the exception of twins, triplets etc.

*A relevant sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address who attends Roding Valley High School in any year group, irrespective of place of residence. A sibling link to a child in Year 11, or Year 12, will only be taken to exist at the time of application and determination where the brother or sister has completed their statutory education at Roding Valley High School and where there is an intention that the Year 11 child will be returning to the school for a post 16 course of study.

Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

In the case of twins or triplets etc, both or all will be offered places.

Waiting list held until: end of academic year.

Admissions to Sixth Form

Roding Valley High School Sixth Form is available for all existing students and applications from external students are most welcome. All applicants must meet the minimum entry requirements for their chosen course of study. In addition, students must meet subject specific requirements. Admissions Policy♦

Where the number of applications for admission is greater than 249 for 2022, applications will be considered against the following order of criteria set out below:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. siblings#;
3. children of members of staff: who have been employed at the school for two or more years at the time at which application for admission is made, or who are recruited to fill vacant posts for which there is a demonstrable skill shortage;
4. children living in the Admissions Area. Within this criterion, children will be ranked in distance order for admission by straight line distance within the Priority Admissions Area. Those living nearer will have a higher priority, starting with the nearest first. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet (map available on the school's website);
5. remaining applications by straight line distance to home address with the nearest having a higher priority.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from the home to school, with those living nearest having highest priority.

A relevant sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address who attends West Hatch High School in any year group, irrespective of

place of residence. A sibling link to a child in Year 11, or Year 12, will only be taken to exist at the time of application and determination where the brother or sister has completed their statutory education at West Hatch High School and where there is an intention that the Year 11 child will be returning to the school for a post 16 course of study. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

In the case of twins, we will ensure that both will be offered places. In the case of triplets or other multiple births, if the majority of children can initially be offered a place, we will offer places to the remaining children.

♦The deadline for receipt of the Evidence of address form is 5th November 2021. The Evidence of Address Form is required even if WHHS is not your first preference. The form, which can be downloaded from our website, and original documents should be sent by post, preferably via Recorded Delivery, or brought into the school in person by the above date. Original documents will be photocopied and returned. Documents required are: The original of the child's Birth Certificate, an original recent Council Tax Bill, two original utility bills (e.g. gas, electric, water or TV license) covering a period within the last six months and, if applicable, a tenancy agreement.

Waiting list held until: end of academic year.

Published admission number Sept 2022: 90
 Number on roll Jan 2021: 134

This school admits children for the first time in year 10.

Admissions Policy ❖

BMAT STEM ACADEMY will consider all applications for places. Where fewer than the published admission number for any relevant age group Year 10 are received, BMAT STEM ACADEMY will offer places to all those who have applied. The Published Admission Number for year 10 is 90 pupils (45 from BMAT and 45 external).

After the admission of SEN pupils, and where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria below in the order in which they are set out:

1. Looked After Children and previously Looked After Children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. priority will be given to siblings; ie brothers or sisters of existing pupils with common parent(s) or step-siblings sharing the same home address at time of Application. Applications from sets of twins or other children from multiple births will be treated as individual applicants, this may result in one child being allocated a place under random allocation and another not;
3. up to 50% of remaining places allocated to applicants from postcodes CM17, CM18, CM19, and CM20 ("the Catchment");
4. the remaining places will be allocated to pupils living outside the Catchment, with those living closest to the BMAT STEM ACADEMY (as the crow flies) being prioritised.

If places remain unfilled after pupils living outside the Catchment, then they will be re-allocated to pupils living within the Catchment by independently verified random allocation.

Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

In the event that we are unable to distinguish between applicants for the final available place, such as in the case of students who live in the same block of flats, then the final place will be made through random allocation which will be independently verified.

The applicant's home address is the home address as registered with the Doctor.

❖ This school requires a paper application to be downloaded and completed by the closing date. The application form is available from:
essex.gov.uk/admissions

Waiting list held until: end of academic year.

Admissions to Sixth Form

The school is proposing to admit a maximum 60 in Year 12, in September 2022 including internal applications.

Year 12 students will be admitted to study an academic A Level pathway only if they meet the entry requirements of Grade 5 in English and Maths and 4 other GCSE grades at 5 or above or equivalent.

To follow a vocational BTEC Pathway a Grade 5 in English and Maths plus at least 3 other GCSE grades 4 or above or equivalent is needed. In addition students must meet the specific requirements for individual subjects detailed in the prospectus.

Existing Year 11 students applying for a Sixth Form place and external students applying to be admitted for the first time will be offered a place according to the school's existing Admission Arrangements.

Admissions Policy

There is no guarantee of a place for children living in the priority admission area. Admissions are made without reference to aptitude or ability. In the event of over-subscription, places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children living within the defined geographical area of Harlow* with a sibling attending the academy. A sibling is a child who has a brother, sister, adopted brother or sister or step-brother or step-sister living in the same family unit in the same family household and address who is on roll at Burnt Mill Academy at the time of application. Biological siblings who are on roll at Burnt Mill Academy will also be treated as siblings, irrespective of place of residence;
3. children of teaching and associate staff will be considered who:
 - a) have been employed at the academy for more two years at the time of application;
 - b) have been recruited as staff to fill a vacancy for which there is a demonstrable skill shortage;
 Associate staff are defined as employees employed by BMAT in a capacity other than as a teacher.
4. children attending one of the following primary schools that are part of the Burnt Mill Co-operative Academy Trust - BMAT (in alphabetical order):

Admissions Policy

If there are more applications for places than there are places available, we will give preference to children according to the following rules in this order of priority:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. siblings of current pupils, which, for the purposes of this policy, are defined as children living permanently at the same address as a child attending the academy and either have one or both parents in common; are related by a parent's marriage; are adopted or fostered by a common parent or are related children who live at the same address whose parents are partners. This definition relates to the time of their admission;
3. children of permanent staff of the Academy Transformation Trust Academy who have been employed at the Academy where the application for admission is made for 2 years or more at the time of application OR when a member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage at the same academy;
4. other children by distance from the academy, with priority for admission given to children who live nearest to the academy. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Straight line distance between the home and the academy will be used as a tie breaker, with those living closest to the Academy having highest priority.

Admissions Policy

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan or a Statement of Special Educational Needs naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order;
2. priority will next be given to children with a sibling attending the academy. A sibling is a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address, who is on roll at SFG at the time of application in Year 7 to 13;
3. priority will next be given to children attending the following feeder schools (in alphabetical order):
 - a. Abbotsweld Primary Academy
 - b. Hare Street Community Primary School
 - c. Jerounds Primary Academy
 - d. Katherine's Primary Academy and Nursery
 - e. Latton Green Primary Academy
 - f. Longwood Primary Academy.

Straight line distance between the home and SFG will be the determining factor in the ranking of applicants from the above primary schools;

4. priority will next be given to children living nearest to the school. Distance is measured from the child's home address to the school in a straight-line Distances will be measured, using

- the Local Authority's Geographical Information System. The School's address for the purpose of the distance calculation will be the permanent site at Tendring Road, Harlow Rd, CM18 6RW;
5. other children.

Random allocation undertaken by the local authority will be used as a tie-break in categories 2-4 above to decide who has highest priority for admission if the distance between a child's home and the academy/free school is equidistant in any two or more cases. Note: We will admit over the Published Admissions Number (PAN) where children of multiple births are tied for the final place.

Waiting list held until: This list will be maintained by the school for five academic years unless parents/carers request to remove their child's name from the waiting list.

Admissions to Sixth Form

Sir Frederick Gibberd College Sixth Form is available for all existing students and applications from external students are most welcome. All applicants must meet the minimum entry requirements for their chosen course of study. In addition, students must meet subject specific requirements. Admissions Policy♦

Where applications for admission exceed the number of places available, the following criteria will be applied in the order set out below to decide which children to admit:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. Catholic children attending a Catholic or non-Catholic primary school in the catchment area, with those living closest being accorded the highest priority*;
3. Catholic children from elsewhere who cannot reasonably attend another Catholic school nearer their home, with priority given to those who have the furthest to travel to the nearest alternative Catholic school;
4. other children attending a Catholic primary school in the catchment area, with those living closest being accorded the highest priority*;
5. children of committed Christians of other traditions or committed adherents of other faiths whose application is supported by a minister or religious leader, with those living closest to the school being accorded the highest priority*;
6. children whose parents wish them to continue their education in a Catholic secondary environment, with those living closest to the school being accorded the highest priority*.

Those who will have a brother or sister in the school at the time of admission will have preference in the categories in which they fall. The definition of 'siblings'

will include adopted and step-children.

* Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

'Catchment area' includes the six Catholic Parishes of Harlow and Epping.

♦ This school requires a Supplementary Information Form to be completed by 31 October 2021.

Waiting list held until: end of autumn term.

Admissions Policy

There is no guarantee of a place for children living in the priority admission area. In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children living in the area served by Nazeing Primary School (this includes children living within the priority admissions area of Nazeing Primary and children where Nazeing Primary is the closest school to the home address*);
3. children of permanent members of staff at Stewards Academy:
 - (a) Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or;
 - (b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
4. children living within the defined geographical area of Harlow* with a sibling[‡] attending the school at the time of admission;
5. other children living in the defined geographical area of Harlow*;
6. children living outside the defined geographical area of Harlow* with a sibling[‡] attending the school at the time of admission;
7. remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given highest priority. Straight line distances are calculated by the LA as described in the Secondary

Education in Essex 2022/2023 booklet.

Exceptional medical circumstances (supported by medical evidence) may override the above criteria if, in the view of the Governing Body, Stewards Academy is the only local school that can meet the needs of the child (other than Looked After Children and previously looked after children).

* A map of the area served by Nazeing Primary School and the defined Geographical area of Harlow is available at the school.

Admissions Policy

There is no guarantee of a place for children living in the priority admission area. In the event of oversubscription any remaining places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children living in the priority admission area with a sibling# attending the school;
3. other children living in the priority admission area;
4. children living outside the priority admission area with a sibling# attending the school;
5. remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given highest priority.

Exceptional medical circumstances (supported by medical evidence) may override the above criteria (other than Looked After Children and previously looked after children).

Siblings are defined as children with a brother or sister (or a step-brother/sister) living at the same address at the time the application is submitted and there must be a reasonable expectation that the older child will still be at the school at the time the younger child is admitted.

Waiting list held until: end of autumn term.

Admissions to Sixth Form

Applications for the 2022/23 academic year begins 1st October 2021. The closing date for applications for this year is 16th December 2021.

To apply you need to complete the academy's form and submit this directly to the academy by the deadline. The closing date will be published on the school's website. Entry requirements vary according to the course of study. Full details are available in the school's Sixth Form Brochure. Late applications will only be considered where there are a surplus of places in the academy / course(s) applied for once the oversubscription criteria has been applied.

All internal candidates seeking transfer to our sixth form, and all external candidates seeking admission to the our sixth form, will need to have the same minimum academic qualifications for entry, which vary according to the course of study. Full details are available in the school's Sixth Form brochure, available on our website. If the academy receives more applications that meet the selection criteria above than there are available places, priority for admission will be in line with the oversubscription criteria set out below:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet).
2. Children living in the priority admission area with a sibling# attending the school.
3. Other children living in the priority admission area;
4. Children living outside the priority admission area with a sibling# attending the school.
5. Remaining applicants.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given highest priority. Exceptional medical circumstances (supported by medical evidence) may override the above criteria (other than Looked After Children and previously looked after children). In the event of a tie-breaker being required, this will be via random allocation supervised by an independent person or panel.

 Number on roll Jan 2021: 1734
 In 2021 the last child was admitted under criterion 5

Admissions Policy

Where applications for admissions exceed the number of places available, the following criteria will be applied in the order set out below:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children residing in the priority admission area, as defined by the catchment area outlined on the Essex County Council website, with a sibling# attending the academy at the time of the application and determination with a reasonable expectation that the sibling will still be attending Plume Academy at the time of the new academic year;
3. children of staff who have been employed for a period of two years or more at the time of application, or those filling a recognised skills shortage area;
4. children residing in the priority admission area as defined by the catchment area outlined on the Essex County Council website;
5. children residing outside the priority admission area as defined by the catchment area outlined on the Essex County Council website, with a sibling# attending the academy at the time of the application and determination with a reasonable expectation that the sibling# will still be attending Plume Academy at the start of the new academic year;
6. children residing outside the priority admission areas defined by the catchment area outlined on the Essex County Council website.

In the event of oversubscription in any category above, priority will be determined by the proximity of the child's home to Plume Academy using a straight line distance with those living nearest given priority. Straight line distances are calculated by the LA as

described in the Secondary Education in Essex 2022/2023 booklet.

Where a child lives part of the week with one parent and part with another member of the family, the 'home address' will be considered to be the residence where the child spends at least three nights of the school week each term time week.

Proof of residence will be required and any offer of a place may be withdrawn if this is not met.

A sibling is a child living at the same address who has one or both parents in common or who is related by a parent's marriage or whose parents are living as partners at the same address. It also includes siblings who are adopted. 'Cousins' are not included in our definition of sibling.

Waiting list held until: end of autumn term.

Admissions to Sixth Form

Applications are welcome from current Plume students and external students. Applications should be made on the application form, available to download from the school website or from the College office by the closing date.

Entry requirements vary according to the course of study and students must meet the specific subject requirements published in the college prospectus and on the school website.

Please refer to the College Admissions Policy which is also available on the academy website.

Applications received (all preferences) Sept 2021: 868

Number on roll Jan 2021: 1687

In 2021 the last child was admitted under criterion 7

Admissions Policy ♦

You must always ensure that you have checked any testing dates or arrangements on the school website.

Where applications for admission exceed the number of places available, the following criteria will be applied in order of priority:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. where a child lives within the existing priority admissions area (see map available from our school office);
3. when, though living outside the priority admissions area, the child has a sibling[#] already attending FitzWimarc;
4. where the child lives outside the priority admissions area but attends one of the partner primary schools:
 - Edward Francis Primary
 - Grove Wood Primary
 - Rayleigh Primary
 - Wyburns Primary
5. children of members of staff:
 - a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or
 - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
6. Where a child lives outside the priority admissions area and does not satisfy the requirements of criteria 1 to 5 above but who demonstrate an aptitude in:

- a) PE. Up to 5% of the published admissions

limit who demonstrate an aptitude for PE may be allocated according to the aptitude assessment results. The PE aptitude assessment will take place at The FitzWimarc School. Places will be allocated in rank order of aptitude scored in the assessment; or,

- b) Art or music. Up to 5% of the published admissions limit who demonstrate an aptitude for art or music may be allocated according to the aptitude assessment results. The art aptitude assessment will take place at The FitzWimarc School. Places will be allocated in rank order of aptitude scored in the assessments.

Parents wishing their child to take one (or more) of the aptitude tests are required to complete the relevant Supplementary Information Form(s) (SIF). These can be obtained from the school or downloaded from the school website and must be returned to the school. Where two students are of equal ability, the one living nearer to the school would gain preference. If there are insufficient children who have satisfied the entry requirement for a selective place, then the places will be offered to other children. Students may apply to more than one aptitude assessment.

Where, after applying the above criteria, there remain unfilled places, those places will be allocated by the Governing Body in accordance with the following criteria:

7. where the child's home is close to the FitzWimarc School, with those living nearer being accorded the higher priority. The home address is considered to be the address at which the child resides on a permanent basis. If the child lives at more than one address, it is the address of the parent/guardian who is in receipt of child benefit for that child that is considered as the home address. Verification may be required. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being awarded the highest priority.

The FitzWimarc School (continued)

A sibling is defined as a brother or sister (or a step brother/sister) of the applicant living at the same address who attends the school at the time of application with a reasonable expectation that he or she will still be attending at the time of the proposed admission.

◆ This school requires a Supplementary Information Form to be completed and returned to the school by the 4th October 2021. For the school year 2022/23, 5% of applicants will be selected for places on the basis of their aptitude for PE and 5% of applicants will be selected for places on the basis of their aptitude for Art or Music.

The practical selection process for PE will assess students in a number of components of fitness to measure their sporting aptitude including speed, power, endurance, agility, balance and coordination. They will also be tested in a small-sided competitive activity. Please note that the assessment activities are generic and measure aptitude for sport, there is no test of academic ability, sporting experience or reference to previous sporting achievements.

The practical selection process for Art and Music will assess students in their ability to respond to stimuli in an unfamiliar area. In Art, this will include an intuitive ability to visually respond as well as record accurately and creatively to stimuli. In Music, this will include an unprepared group arrangement task and performance which will measure students' understanding of music and performance ability, as well as their team working skills and leadership capabilities. Please note that the assessment activities are generic and measure aptitude for art and music, there is no test of academic ability, art or music experience or reference to qualifications within art or music.

On receipt of the Supplementary Information Form, further details of the assessment will be emailed or posted to parents.

Waiting list held until: end of autumn term, longer by request.

Admissions to Sixth Form

The Fitzwimarc Sixth Form is available to all existing students and applications from external students are welcome. Admissions Policy

Where applications for admission exceed the number of places available the following criteria will be applied:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children with a sibling[‡] (brother or sister) who will still be on roll at the Academy at the time of admission;
3. children who attend one of the following partner primary schools:
 - Ashingdon Primary Academy
 - Hockley Primary School
 - Plumberow Primary Academy
 - Westerings Primary Academy;
4. children of staff* in either or both of the following circumstances:
 - a) where the member of staff has been employed at the academy for two or more years at the time at which the application for admission to the academy is made, and/or
 - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
5. distance** - children resident closest to the Academy.

Tie breaker: where two or more applicants have equal priority for the last available place (except for twins and children from multiple births), the final tie-breaker will be random allocation which will be independently verified. N.B. Should the PAN be reached in any criterion before the final oversubscription criterion, then distance* will be used to prioritise applicants, with those resident closest to the school receiving the higher priority.

Twins and Multiple Births - Where the parent has made the same preferences of school and, through the normal operation of the admission arrangements, the last available place has been allocated to one twin or child from a multiple birth, the other twin or children from the multiple birth will be offered a place at the Academy. In such circumstances the PAN would be exceeded.

[‡] LA sibling definition applies.

* In the context of oversubscription criterion 4, children of staff refers to children with a parent employed at the Academy, and includes teachers, non-teaching staff, full time and part time employees.

** Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Waiting list held on an annual basis.

Admissions to Sixth Form

Greensward Academy will admit into Year 12 up to 10 students from other schools (external applicants) who meet the academic requirements for entry in the priority order of the oversubscription criteria. The Published Admission Number (PAN) for admissions to Year 12 is 10. Internal candidates (those who were on roll at the Academy in Year 11) and who meet the academic requirements for entry are eligible to transfer to the sixth form.

Applications for a sixth form place must be submitted to the Admissions Officer. For further information including the oversubscription criteria and academic requirements please see the Key Stage 5 prospectus available from the Academy.

Admissions Policy

Where applications for Year 7 exceed the admission number, the following criteria will be applied in the order set out below:

- a. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
- b. children attending the following Rochford cluster primary schools:
 - Barling Magna Primary School
 - Canewdon Endowed Primary School
 - Great Wakering Primary School
 - Holt Farm Junior School
 - Rochford Primary School
 - St Teresa's RC Primary School
 - Stambridge Primary School
 - Waterman Primary School
 and children attending Ashingdon Primary Academy;
- c. children with a sibling attending the school at the time of application, with a reasonable expectation that the sibling will still be attending at the time of admission. A sibling is defined as a brother or sister, or a step-brother/sister, permanently living at the same address for more than 4 nights each week;
- d. children living within the catchment area of one of the named primary schools but not attending that school. The address must be the child's primary residence and the child must reside at the address for more than 4 nights each week;
- e. children of staff who have been on a permanent contract for two years or more and children of a teacher whose appointment would fill a vacancy in an area where it is difficult to recruit;

- f. other children.

In the event of oversubscription within any of the above criteria, priority will be determined by the proximity of home to school by straight line distance, those living nearer being accorded higher priority. Admissions Policy

When applications exceed the number of places we have available, and after the admission of pupils with Statements of Special Educational Needs/Education Health Care Plans where Sweyne Park is named in the Statement/EHCP, the following criteria will be applied in ranked order:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children living in the priority admission area with a sibling[‡] attending the school;
3. other children living in the priority admission area;
4. children living outside the priority admission area with a sibling[‡] attending the school;
5. children of teaching and non-teaching staff who have been:

 - recruited to fill a vacant post for which there is a demonstrable skill shortage;
6. children attending other schools within the Rayleigh Schools Trust*;
7. remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given highest priority.

Up to 5 places in each year group are allocated to pupils with an EHCP where hearing impairment is the primary area of need who are placed at the school due to its enhanced provision.

In the event that the distance between a child's home and the school is equidistant and there are therefore two or more applicants tied for the final place, random allocation will be used as a tie-break to decide who has the highest priority for admission. This will be independently conducted and verified. However, if children of multiple birth (e.g., twins) are tied for the final place, those siblings will be admitted over PAN.

* Currently Glebe Primary School.

Admissions Policy

If the Academy is oversubscribed, after the admission of pupils with Statements of Special Educational Needs or an Education, Health and Care Plan ("EHC") where the school is named in the Statement or EHC Plan. Priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children with exceptional medical or social needs*;
3. children with a sibling[‡] (brother or sister) who will still be on roll at the Academy at the time of admission;
4. children attending one of the following partner primary schools:
 - Frobisher Primary School
 - St Osyth CE Primary School;
5. children living in the priority admission area;
6. distance - children living closest to the Academy. Where the distance measure is the same for two or more applicants (except for twins and children from multiple births), the final tie-breaker will be random allocation, which will be independently verified.

*For consideration under the exceptional medical or social needs criterion the parent must indicate strong reasons for the child needing to attend this particular Academy. Applications will only be considered under this category if they are supported by a written statement from an independent professional person such as a doctor, health visitor, social worker, or Education Welfare Officer who knows about the child and supports their application to the Academy. The information provided must show clearly why Clacton Coastal Academy is the only school that can meet the needs of the child and any difficulties if alternative

schools were offered.

Evidence relating to the social or medical circumstances of the parent or other family member can be considered, but only if this impacts on the child and their need to attend this specific Academy.

[‡] LA sibling definition applies.

Brothers and sisters include children with the same natural parents living at the same address children with the same natural parents living at different addresses (e.g. due to separation of natural parents) half brothers/sisters living at the same address, step-brothers/sisters living at the same address, and children living as part of the same family unit with their parents/carers at the same address.

Waiting list held until: end of autumn term.

Admissions to Sixth Form

Clacton Coastal Academy will admit into Year 12 up to 10 students from other schools (external applicants) who meet the academic requirements for entry in the priority order of the oversubscription criteria. Internal candidates (those who were on roll at the Academy in Year 11) and who meet the academic requirements for entry are eligible to transfer to the sixth form.

Both internal and external pupils wishing to enter the sixth form will be expected to have met the same minimum academic entry requirements to study courses in the sixth form. When there are more external applicants that satisfy the academic entry requirements than the 10 post-16 places available, and after the admission of pupils with statements of Special Educational Needs or EHC plans that name the Academy, the criteria for over-subscription will be:

1. Looked after children and previously looked after children.
2. students with exceptional medical or social needs.
3. other students.

For further details of the academic requirements for entry please see the Post-16 prospectus, a copy of which is available on the Academy's website.

Admissions Policy

Where applications for admissions exceed the number of places available, the following criteria will be applied in the order set out below:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children with a sibling[‡] attending the school who will still be on roll at the date of admission;
3. children who reside within the Priority Admission Area;

5. children of staff; where a member of staff has been employed for two or more years and at the time of the application and/or a member of staff is recruited to fill a vacancy for which there is a demonstrable skills shortage. (This should be clearly stated on the application form);
6. remaining applications.

Within each of the above criteria, proximity of the home to school will be taken into consideration, with those living nearer being accorded the higher priority.

(Straight-line distance between home and school will be used as a tie breaker with those living closest to the school having highest priority). Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

[‡] LA sibling definition applies. However, applicable for 11-18 schools in The Sigma Trust, the sibling rule will not apply where the sibling has joined the school in Year 12 or 13 having previously attended a different school within North East Essex and the family has not relocated.

The school operates an ongoing waiting list ranked in accordance to the criteria.

Admissions to Sixth Form

Tendring Technology College will admit into Year 12 up to 20 students from other schools (external applicants) who meet the academic requirements for entry in the priority order of the oversubscription criteria. The Published Admission Number (PAN) for admissions to Year 12 is 20. Internal candidates (those who were on roll at Tendring Technology College in Year 11) and who meet the academic requirements for entry are eligible to transfer to the Sixth Form.

Entry to Tendring Technology College Sixth Form is made via application to the Head of Sixth Form. The deadline for applications is February half term of the year of admission.

In 2021 the last child was admitted under criterion 6

Admissions Policy

There is no guarantee of a place for children living in the priority admission area. In the event of oversubscription any remaining places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. children living in the priority admission area of Stansted Mountfitchet (a map is available from the school) with a sibling[#] attending the school;
3. children of teaching and associate staff will be considered by the Academy's Local Advisory Board (formerly known as the governing body) who:
 - a) have been employed at the school for more than two years at the time of application;
 - b) have been recruited as staff to fill a vacancy for which there is a demonstrable skill shortage;
4. other children living in the priority admission area;
5. children living outside the priority admission area with a sibling[‡] attending the school;
6. remaining applications.

Straight line distance between the home and the academy will be used as a tie breaker, with those living closest to the Academy having highest priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet. In the event of two applicants with an identical distance competing for a single place at the academy, the place will be offered to one applicant on the basis of lots drawn by a third party not involved with the admissions authority to the academy.

A sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address, who is on roll (other than in year 11) at Forest Hall school. Biological siblings who are on roll at Forest Hall school will also be treated as siblings, irrespective of place of residence.

 Applications received (all preferences) Sept 2021: 430
 Number on roll Jan 2021: 1222
 In 2021 the last child was admitted under criterion 6

Admissions Policy

Admissions numbers: The school has an admissions number of 270 for entry into Year 7. 60 of these places are automatically reserved for pupils on roll in Year 6 of the school's primary phase. The remaining 210 places are available to external applicants.

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan or a Statement of Special Educational Needs naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet).
2. Children living in the priority admission area (map available at the school): The Helena Romanes School has a Priority Admissions Area. Within this criterion, children will be ranked in distance order for admission by straight line distance within the Priority Admissions Area. Those living nearer will have a higher priority, starting with the nearest first. All Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

In the unlikely event of applicants with an identical distance competing for a single place at a school, the place will be offered to one applicant on the basis of lots drawn by a member of school staff not involved in admissions, with the exception of twins, triplets etc.

3. Children with a sibling attending the school; A relevant sibling is a child who has a brother, sister, adopted brother or sister or stepbrother

or stepsister living in the same family unit in the same family household and address who attends The Helena Romanes School in any year group when the child starts school, irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. In the case of twins or triplets etc., both or all will be offered places.

4. Children of staff: This will only apply where the member of staff has been employed at the school for two or more years and where they are recruited to fill a vacant post for which there is a demonstrable skill shortage.
5. Remaining applications.

Tie Break: In the event of a tie break, priority will be determined by straight line distance from the home to school, with those living nearest having highest priority. If undersubscription should occur priority will be determined without regard to the Priority Admission Area. Multiple birth siblings (twins and triplets etc.) from the same family who are tied for the final place will not be split. We will admit them all, as permitted by the infant class size rules and exceed our PAN.

As the school is an 'all through school', children who attend the school in the primary phase are guaranteed a place in the secondary phase.

Waiting list held until: end of academic year.

Admissions to Sixth Form

The admissions number for Year 12 is 125. Admissions for Sixth Form are welcome from external applicants and the same minimum academic entry requirements will apply for both internal and external candidates.

In the event of oversubscription places will be given to those best suited academically to their chosen courses using predicted GCSE grades as the indicator. Any provisional offers made on this basis will be confirmed to those whose actual GCSE grades meet the requirements on their chosen courses. (Looked after children and previously looked after children who meet the academic entry criteria will retain first priority).

A full Sixth Form Centre prospectus, including current entry requirements, application guidance and application form, is available from the Sixth Form Office.

 Applications received (all preferences) Sept 2021: 556
 Number on roll Jan 2021: 935
 In 2021 the last child was admitted under criterion 6

Admissions Policy

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order given, to decide which children to admit:

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet).
2. Siblings ** of present students who are attending the Academy at the time of admission.
3. Children whose home address *** is in the Parish of Newport. In the unlikely event that straight line measurements in applications under criterion 3 are identical, both children will be admitted.
4. Children whose home address is in the following parishes: Arkesden, Berden, Chrishall, Clavering, Debden, Elmdon, Great Chesterford, Langley, Quendon, Rickling, Wenden Lofts, Wicken Bonhunt, Widdington and Wimbish. In the unlikely event that straight line measurements in applications under criterion 4 are identical, both children will be admitted.
5. Children of permanent members of teaching and support staff (this includes stepchildren and non-related children where the member of staff shares parental responsibility and the children are living at the permanent address of the member of staff) employed by the Academy (a) where the staff member has been employed at the Academy for 2 or more years when the application for admission is made, and/or (b) the staff member is recruited to fill a demonstrable skill shortage.
6. Children whose home address is nearest to the Academy using a straight line measurement, determined by the LA using a Geographical Information System. In the unlikely event that straight line measurements in applications under criterion 5 are identical, both children will be admitted.

The above procedure will apply until the end of the school day on the Friday during which the first teaching day occurs in September 2022, on which date the year group will be deemed to be an existing year group. In the case of oversubscription a waiting list will be held to allocate places as they become available throughout the year. Places will be allocated based on the Oversubscription Criteria, not on a first come first served basis.

Special cases

1. Children with statements of special need or Education Health and Care Plans naming the Academy will be admitted.
2. The Governors reserve the right at their discretion to admit children and step children of UK service personnel (UK armed forces) at any date even if this means exceeding the maximum number intended.
3. Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented, has experienced problems such as ill health or the student is the child or step child of UK Service Personnel (UK Armed Services). If there is oversubscription, offers will be made in accordance with the Oversubscription Criteria above

** Siblings. A child who has a brother, sister, adopted brother or sister or stepbrother or stepsister who attends the Academy. The non-related children of unmarried and permanently co-habiting couples who share parental responsibility will also be classed as siblings.

*** Home address. The address at which the child resides on a permanent basis, or is 'ordinarily resident'. Where parents share parental responsibility but live at different addresses, or where the child lives with another primary carer, the child will be deemed ordinarily resident when living at that address for the majority of the school week including overnight.

Waiting list held until: end of academic year.

Joyce Frankland Academy, Newport (Continued)

Admissions to Sixth Form

The Academy intends to admit a maximum of 100 students in the year commencing 1 September 2022, and in subsequent years.

1. No student will be admitted to the Sixth Form unless academic requirements, set out annually in the Academy's Sixth Form course booklet, have been met and there are places available on the chosen courses.
 2. The number of sufficiently qualified external applicants which it is intended to admit into Year 12 from other educational institutions is 50.
 3. In the event of the number of such applicants exceeding 100 in total, preference will be given first to looked after and previously looked after children followed by those best suited academically to their chosen courses, using predicted GCSE grades as the indicator. Any provisional offers made on this basis will be confirmed to those whose actual GCSE grades meet the requirements referred to in 1 above.

1. Looked After Children and previously looked after children (as defined in the Secondary Education in Essex 2022/2023 booklet);
2. pupils with siblings[‡] currently attending the school in Years 7-12 on the closing date who live in the priority admission area (PAA) for the school;
3. pupils with siblings[‡] currently attending the school in Years 7-12 on the closing date who live outside the priority admission area (PAA) for the school, where the sibling[‡] (or siblings[‡]) was admitted to the school on or before 31/8/2018 (see (5), below, for the definition of the school's PAA);
4. the children of permanent members of the teaching and support staff employed at SWCHS:
 - a) where the member of staff has been employed at the school for two or more years at the time when the application for admission to the school is made; and/or
 - (b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
5. pupils who live* in the priority admission area for the school, which constitutes the following parishes: Ashdon, Great Chesterford, Great Sampford, Hadstock, Hempstead, Littlebury, Little Chesterford, Little Sampford, Radwinter, Saffron Walden (including Little Walden), Swards End, Strethall, Wendens Ambo;
6. other pupils with siblings[‡] currently attending the school in Years 7-12 on the closing date who live

7. pupils whose home address* makes Saffron Walden County High School the nearest secondary school, with distance determined by straight line measurement;
8. pupils, not qualifying under (1) to (7) above, attending maintained primary schools situated in any of the parishes listed under (5). A list of maintained primary schools is available from the school office;
9. other applicants.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority. Straight line distances are calculated by the LA as described in the Secondary Education in Essex 2022/2023 booklet.

Admissions to Sixth Form

Detailed information regarding the Sixth Form application process, including application deadlines, can be found on the school's website and in the Sixth Form prospectus.

Admission number and criteria:

- No student will be admitted to the school post-16 unless academic requirements, set out annually in the school's Sixth Form prospectus, have been met and there are places available on their chosen courses.
- All existing students in Year 11 at Saffron Walden County High School, who meet the overall and subject specific entry requirements of the subjects they choose, will be offered a place in the Sixth Form.
- In addition to students from our own Year 11 who meet our academic requirements, we will admit

Saffron Walden County High School (continued)

further students from other schools. Our published admission number (PAN) for external students is 90. The maximum number of students expected to be on roll in Year 12 is 340. The school will only consider admitting further external students above PAN if the overall number on roll will not exceed 340.

- In the first instance all offers made are conditional, based on the student's predicted GCSE grades. Offers will be confirmed following publication of the GCSE results.

If there are more external applicants with predicted GCSE grades meeting the entry requirements than places available, and there are available places on the chosen courses, then the following oversubscription criteria will be used to determine to whom conditional offers will be made, after the admission of pupils with a Statement of Special Educational Needs or Education, Health and Care Plan where Saffron Walden County High School is named in the Statement or Plan:

- (i) Children in the care of a Local Authority ("Looked after children") and previously looked after children.
- (ii) Students who are attending Year 11 in schools within Saffron Academy Trust at the time of application.
- (iii) Students whose predicted GCSE grades are best suited to their chosen courses.
- (iv) SWCHS's Sixth Form has no priority admission area (PAA). However, in the unlikely event of further places being available after criterion (iii) has been applied, then priority will be given to students living closest to the school by straight line distance from their home address.

The Saffron Academy Trust reserves the right to seek verification of the stated home address.
