Online admissions

Parents and carers who live in the Essex County Council area (excluding those living in the Borough of Southend-on-Sea or in Thurrock) can apply for their child's school place online using the Essex Online Admissions Service at:

www.essex.gov.uk/admissions

The online application system has a number of benefits for parents and carers:

- you can access related information through links on the website to find out more about individual schools, such as home to school transport or inspection reports;
- when you have submitted your application you will receive an email confirming this;
- You will be told the outcome of your online application by email on offer day if you requested this when you applied.

You will be able to make your application online from **08 November 2021**.

The closing date for primary applications is **15 January 2022**. This is the statutory national closing date set by the Government.

Please ensure that you read the information in this directory alongside the 'Primary Education in Essex 2022/2023' admissions guide, which provides all the information you need to know on the admissions processes.

Key Points to Remember

- **APPLY ON TIME - closing date 15 January 2022.**
- **Use all 4 preferences.**
- **Tell us immediately in writing (email or by letter) about any address change.**
- **If entitlement to school transport is important to you, please make sure you read and understand the 'Home to School Transport' section in the 'Primary Education in Essex 2022/2023' admissions guide and also the Education Transport policy at www.essex.gov.uk/schooltransport. School priority admission (catchment) areas are not relevant to transport eligibility. Transport is generally only provided to the nearest available school where the distance criteria is met. It is vital you carefully consider the transport implications before you make your application for a school place. If you need any further advice please contact us at educationawards@essex.gov.uk.**

Introduction to the Schools' Admissions Policies Directory for West Essex

This Directory should be used with the Primary Education in Essex 2022/2023 booklet which is available on our website at www.essex.gov.uk/admissions by parents and carers whose children will be starting primary education or transferring from infant to junior school in West Essex in the school year that begins in September 2022.

In this Directory you will find the School Admission policies of all the primary, infant and junior schools in the West Essex locality. This includes areas 2 (Uttlesford), 11 (Epping Forest) and 12 (Harlow) on the map below. On page 6 it explains what the different parts of these policies mean.

You can make your application via our website: www.essex.gov.uk/admissions.

The deadline for receipt of applications is **15 January 2022**.

The information contained in this booklet is correct as at the time of printing. Policies may change in the light of decisions made by the Schools' Adjudicator, the Education Skills and Funding Agency or any change in the law. An addendum will be available on the website and on request.

Co-ordinated admission arrangements and what they mean

The law requires a Local Authority (LA) to co-ordinate admissions to all primary schools (except independent (fee-paying) or special schools) in their area. Primary schools includes infant schools.

Essex parents must apply for primary school places by completing the Common Application Form. This can either be completed online at www.essex.gov.uk/admissions, or you can use a paper application form. **Please do not do both.** Parents can express preferences for up to four schools both in and out of Essex, in the order in which they would like them considered.

On 19 April 2022, parents will be sent one offer of a place at the highest preference school that can be met. If none of the preferences can be met a place will be offered at the nearest Essex school to the child's home address with a space available. Here are some examples of this process:

Example 1 – Parent has applied for four schools and the first preference can be met:

Preference 1 – Offered

Preference 2 – Not offered – right to appeal given*

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 2 – Parent has applied for four schools and the second preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Offered

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 3 – Parent has applied to four schools and no preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Not offered – on waiting list and right to appeal given

Preference 3 – Not offered – on waiting list and right to appeal given

Preference 4 – Not offered – on waiting list and right to appeal given

Child will then be offered a place at the nearest Essex school to the home address with a space available.

* You will note from examples 1 and 2 that children are only held on waiting lists for preferences higher than the one that can be met.

On 19 April 2022 (National offer day) Essex resident families will be sent a notification of the school offer being made. This will either be an email (for those that applied online) or a letter for all other applications.

Admissions Policy

There is no guarantee of a place in the school. In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2022/2023 booklet);
2. children with a sibling attending the school;
3. children living in the priority admission area;
4. remaining applications.

The normal age range of the school is shown here. (4-11 for primary, 4-7 for infant and 7-11 for junior. A # shows that the school has a nursery unit.)

More information about the school will be available on its website.

This indicates the type of school. See the Primary Education in Essex 2022/2023 booklet for more information.

Department for Education unique identification number for the school.

No. of Reception places available in Sept 2022.

See Note 1

Total No. of pupils at the school in January 2021.

The last admissions criterion under which pupils were admitted to the school last year.

See Note 2

A summary of the school's admissions policy.

Note 1

The Published Admission Number (PAN) is the number of places that the school has available for the new Reception intake in 2022. In general this will be the same as the PAN for 2021. The total number of applications received was collated on 16 April 2021. The PAN and the number of applications received for 2021 should give you an idea of the demand for places at the school. Treat this information carefully and talk to the school about it. For instance, some applications may have been second, third or fourth preferences and these increase the overall number of applications. However you should be aware that if you only apply for schools that are oversubscribed you may not receive a place at any of them.

Note 2

Timing of Admission. As required by law with effect from September 2011, all infant and primary schools provide for the full time admission of all children offered a place in the reception year group from the September following their fourth birthday. This means that you have the right to a full time place at the school your child is offered from September 2019. Parents can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Parents can also request that their child attends part-time until the child reaches compulsory school age. You would need to check with the individual school(s) what the part-time provision would be. Where parents choose to defer entry, the school may reasonably expect that the child would start at the beginning of a new school term/half term.

Within this criterion, children will be ranked in distance order for admission by straight line distance within the Priority Admissions Area. Those living nearer will have a higher priority, starting with the nearest first. All straight line distances are calculated by the LA as described on page 13.

In the unlikely event of applicants with an identical distance competing for a single place at a school, the place will be offered to one applicant on the basis of lots drawn by a member of school staff not involved in admissions, with the exception of twins, triplets etc.

3. Children with a sibling attending the school; A relevant sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family

household and address who attends the Helena Romanes School in any year group when the child starts school, irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. In the case of twins or triplets etc., both or all will be offered places.

4. Children of Staff: This will only apply where the member of staff has been employed at the school for two or more years and where they are recruited to fill a vacant post for which there is a demonstrable skill shortage.
5. Remaining applications.

Tie Break: In the event of a tie break, priority will be determined by straight line distance from the home to school, with those living nearest having highest priority. If undersubscription should occur priority will be determined without regard to the Priority Admission Area. Multiple birth siblings (twins and triplets etc.) from the same family who are tied for the final place will not be split. We will admit them all, as permitted by the infant class size rules and exceed our PAN.

As the school is an 'all through school', children who attend the school in the primary phase are guaranteed a place in the secondary phase.

Waiting list held until: end of academic year.
