Parents and carers who live in the Essex County Council area (excluding those living in the Borough of Southend-on-Sea or in Thurrock) can apply for their child's school place online using the Essex Online Admissions Service at:

[www.essex.gov.uk/admissions](http://www.essex.gov.uk/admissions)

The online application system has a number of benefits for parents and carers:

- you can access related information through links on the website to find out more about individual schools, such as home to school transport or inspection reports;
- when you have submitted your application you will receive an email confirming this;
- You will be told the outcome of your online application by email on offer day if you requested this when you applied.

You will be able to make your application online from **8 November 2021**.

The closing date for primary applications is **15 January 2022**. This is the statutory national closing date set by the Government.

Please ensure that you read the information in this directory alongside the 'Primary Education in Essex 2022/2023' admissions guide, which provides all the information you need to know on the admissions processes.

## Key Points to Remember

- **APPLY ON TIME - closing date 15 January 2022.**
- **Use all 4 preferences.**
- **Tell us immediately in writing (email or by letter) about any address change.**
- **If entitlement to school transport is important to you, please make sure you read and understand the 'Home to School Transport' section in the 'Primary Education in Essex 2022/2023' admissions guide and also the Education Transport policy at [www.essex.gov.uk/schooltransport](http://www.essex.gov.uk/schooltransport). School priority admission (catchment) areas are not relevant to transport eligibility. Transport is generally only provided to the nearest available school where the distance criteria is met. It is vital you carefully consider the transport implications before you make your application for a school place. If you need any further advice please contact us at [educationawards@essex.gov.uk](mailto:educationawards@essex.gov.uk).**

In this Directory you will find the School Admission policies of all the primary, infant and junior schools in the South Essex locality. This includes areas 7 (Rochford), 8 (Castle Point), 9 (Basildon) and 10 (Brentwood) on the map below. On page 6 it explains what the different parts of these policies mean.

You can make your application via our website: [www.essex.gov.uk/admissions](http://www.essex.gov.uk/admissions)

The deadline for receipt of applications is **15 January 2022**.

The information contained in this booklet is correct as at the time of printing. Policies may change in the light of decisions made by the Schools' Adjudicator, the Education Skills and Funding Agency or any change in the law. An addendum will be available on the website and on request.

## Co-ordinated admission arrangements and what they mean

The law requires a Local Authority (LA) to co-ordinate admissions to all primary schools except independent (fee-paying) or special schools) in their area. Primary schools includes infant schools.

Essex parents must apply for primary school places by completing the Common Application Form. This can either be completed online at [www.essex.gov.uk/admissions](http://www.essex.gov.uk/admissions), or you can use a paper application form. **Please do not do both.** Parents can express preferences for up to four schools, both in and out of Essex, in the order in which they would like them considered.

On 19 April 2022, parents will be sent one offer of a place at the highest preference school that can be met. If none of the preferences can be met a place will be offered at the nearest Essex school to the child's home address with a space available. Here are some examples of this process:

### **Example 1 – Parent has applied for four schools and the first preference can be met:**

Preference 1 – Offered

Preference 2 – Not offered – right to appeal given\*

Preference 3 – Not offered – right to appeal given\*

Preference 4 – Not offered – right to appeal given\*

### **Example 2 – Parent has applied for four schools and the second preference can be met:**

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Offered

Preference 3 – Not offered – right to appeal given\*

Preference 4 – Not offered – right to appeal given\*

### **Example 3 – Parent has applied to four schools and no preference can be met:**

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Not offered – on waiting list and right to appeal given

Preference 3 – Not offered – on waiting list and right to appeal given

Preference 4 – Not offered – on waiting list and right to appeal given

Child will then be offered a place at the nearest Essex school to the home address with a space available.

\* You will note from examples 1 and 2 that children are only held on waiting lists for preferences higher than the one that can be met.

**On 19 April 2022 (National offer day) Essex resident families will be sent a notification of the school offer being made. This will either be an email (for those that applied online) or a letter for all other applications.**

### Admissions Policy

There is no guarantee of a place in the school. In the event of oversubscription places will be allocated using the following criteria in the order given:

2. children with a sibling attending the school;
3. children living in the priority admission area;
4. remaining applications.

The normal age range of the school is shown here. (4-11 for primary, 4-7 for infant and 7-11 for junior. A # shows that the school has a nursery unit.)

More information about the school will be available on its website.

This indicates the type of school. See the Primary Education in Essex 2022/2023 booklet for more information.

See Note 1

Total No. of pupils at the school in January 2021.

The last admissions criterion under which pupils were admitted to the school last year.

See Note 2

#### Note 1

The Published Admission Number (PAN) is the number of places that the school has available for the new Reception intake in 2022. In general this will be the same as the PAN for 2021. The total number of applications received was collated on 16 April 2021. The PAN and the number of applications received for 2021 should give you an idea of the demand for places at the school. Treat this information carefully and talk to the school about it. For instance, some applications may have been second, third or fourth preferences and these increase the overall number of applications. However you should be aware that if you only apply for schools that are oversubscribed you may not receive a place at any of them.

#### Note 2

Timing of Admission: As required by law with effect from September 2011, all infant and primary schools provide for the full time admission of all children offered a place in the reception year group from the September following their fourth birthday. This means that you have the right to a full time place at the school your child is offered from September 2022. Parents can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Parents can also request that their child attends part-time until the child reaches compulsory school age. You would need to check with the individual school(s) what the part-time provision would be. Where parents choose to defer entry, the school may reasonably expect that the child would start at the beginning of a new school term/half term.

Applications received (all preferences) Sept 2021: **116**

In 2021 the last child was admitted under criterion: 5

### Timing of Admission

Please see page 6 of this booklet.

### Admissions Policy

If the Academy is oversubscribed, after the admission of pupils with an Education, Health and Care Plan (“EHC”) where the school is named in the Plan, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2022/2023 booklet);
2. children resident in the catchment area and with a sibling (brother or sister) who will still be on roll at the Academy at the time of admission;
3. children resident in the catchment area;
4. children with a sibling (brother or sister) who will still be on roll at the Academy at the time of admission;
5. distance - children resident closest to the Academy.

Tie breaker: Where two or more applicants have equal priority for the last available place (except for twins and children from multiple births), the final tie breaker will be random allocation which will be independently verified. N.B. Should the PAN be reached in any criterion before the final oversubscription criterion, then distance will be used to prioritise applicants, with those resident closest to the school receiving the higher priority. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2022/2023 booklet.

### Twins and Multiple Births

Where the parent has made the same preferences of school and, through the normal operation of the admission arrangements, the last available place

has been allocated to one twin or child from a multiple birth, the other twin or children from the multiple birth will be offered a place at the Academy. In such circumstances, both the PAN and the infant class size limit would be exceeded. The other sibling(s) would remain as exceptions to the Infant Class Size legislation for the time they are in an infant class or until the number in the year group falls back to the PAN.

### Resident

The normal family home is taken as the address where the child is resident and at which the person or persons with parental responsibility for the child resides. Where parents live at separate addresses and have joint custody, the address used will be the one where the child spends the main part of the school week (e.g. Sunday night to Thursday night inclusive). Where responsibility for a child is shared evenly, the address of the person receiving Child Benefit will be used for admissions purposes. Childcare arrangements involving relatives’ addresses do not qualify as normal family addresses for this purpose unless there is a Child Arrangement Order in place.

### Sibling (brother or sister)

Sibling is a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister or the child of the parent’s/carer’s partner living in the same family unit in the same family household and address who attends the Academy in any year group excluding Year 6. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

Waiting list held until: end of summer term.

6. remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority.

\* For applications made in the normal admission round, or mid-year, a relevant sibling is a child who has a brother, sister, adopted brother or sister, or stepbrother or stepsister living in the same family unit in the same family home and address, who attends the school with an expectation that the sibling will be attending at the time of admission. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

Applications will normally be processed on the basis of the home address for the child at the time of application and determination, unless, where there is a new home address, proof of an exchange of contracts or copy of a tenancy agreement can be provided by 1st February 2022. The home address is considered to be the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent. The child must be living with the parent or carer 24 hours per day, for the majority of the school week. Arrangements where parents can leave and collect children from a relative or carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child.

The school will ask applicants to provide proof of their home address. This may include a copy of the following:

- UK driving licence
- Council tax notification
- Two utility bills dated within the last 6 months (gas, electricity, water or landline phone)

The school reserves the right to take additional checking measures including further documentation and in some cases unannounced home visits. If a school place is secured through false information regarding a home address, the school will withdraw the place offered.

Waiting list held until: 31 December 2022.

- (i) Where evidence (from an appropriate professional, such as a social worker, doctor or priest) is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made;

- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above.

Priority will be given to children living closest to the school determined by the shortest distance. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2022/2023 booklet.

'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].

'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

'Children of other Christian denominations' means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God,

Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

'Children of other faiths' means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

'Brother or sister' includes:

- (i)** all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii)** the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

A map of the parish boundaries is available for inspection at the Holy Family Church office.

Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest.

1. Catholic looked after and previously looked after children (as defined in the Primary Education in Essex 2022/2023 booklet);
2. Catholic children who are resident in the parish of Our Lady of Canvey & The English Martyrs, Canvey Island;
3. other Catholic children (as defined in the Primary Education in Essex 2022/2023 booklet);
4. other looked after and previously looked after children (as defined in the Primary Education in Essex 2022/2023 booklet);
5. Catechumens and members of an Eastern Christian Church;
6. children of other Christian denominations whose membership is evidenced by a minister of religion;
7. children of other faiths whose membership is evidenced by a religious leader;
8. any other children.

Within each of the categories listed above, the following provisions will be applied in the following order:

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made;
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which

the application is made after children in (i) above.

Priority will be given to children living closest to the school determined by the shortest distance. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2022/2023 booklet.

'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required.

'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

'brother or sister' includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

  - ii) Frequent worship (twice per month for at least two years),

In the event that during the period specified for attendance at worship the church [or, in relation to those of other faiths, relevant place of worship] has been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period When the church [or in relation to those of other faiths, relevant place of worship] or alternative premises have been available for public worship.

7. children whose parent(s) are members of another Christian Church (recognised by Churches Together in England) which subscribes to the doctrine of the Holy Trinity  
 Membership is defined as:
  - i) Parent(s) and children who are baptised (or equivalent),
  - ii) Frequent worship (twice per month for at least two years),
  - iii) Supportive of church events and contributing to the life of the church;
8. remaining applicants on the basis of the proximity to the school based on the straight-line distance between home and school, as suggested by the LA.

In the event that during the period specified for attendance at worship the church [or, in relation to those of other faiths, relevant place of worship] has

been closed for public worship and has not provided alternative premises for that worship, the requirements of these [admissions] arrangements in relation to attendance will only apply to the period when the church [or in relation to those of other faiths, relevant place of worship] or alternative premises have been available for public worship.

If there are a number of pupils who have an equal claim to a place, the straight-line distance from home to school will be used as a simple tie-breaker.

\* Reference may be made to the map, available in the school office, which indicates the boundaries.

Exceptional medical reasons why a child should attend a particular school will override other admission criteria (other than Looked After Children) if supported by medical evidence at the time of application but will not override the PAN. The relevant medical reasons may be in relation to either the child or one or both parents. Applicants must provide evidence from a doctor or other registered health professional setting out why the preferred school is the most suitable, and the difficulties that would be caused if the child attended and had to travel to another school.

◆ This school requires a Supplementary Information Form to be completed. Children whose parents ordinarily live within that area which corresponds to the Parish of St Nicholas, Ingrave and children with siblings currently at the school in years other than Year 6 will not be required to complete a Supplementary Information Form.

Waiting list held until: end of autumn term, longer by request.

### Admissions Policy

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to determine which children to admit:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2022/2023 booklet);
2. children resident in the priority admission area (a map is available from the school office);
3. children with a brother or sister<sup>‡</sup> who will still be attending the school when they themselves start in September;
4. where there are exceptional medical grounds for admitting the child (providing that the child's needs can be met by existing provision). Exceptional medical reasons require a letter from a health authority representative or a hospital. The information will need to explain specifically the medical reasons why the child will need to attend Grove Wood Primary School;
5. children of members of staff:
  - a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or
  - b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage;
6. proximity of the child's home to the school as measured in a straight line, with those living nearer being accorded higher priority.

Distance will also be used if required to distinguish between applicants in each category. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2022/2023 booklet.

<sup>‡</sup> LA sibling definition applies.

Waiting list held until: end of autumn term.

### Admissions Policy♦

In the event of oversubscription, places will be offered on the basis of the following criteria, listed in order of priority, to children:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2022/2023 booklet).
2. Who have a sibling‡, living at the same address and attending the school at the time of admission.
3. Who are 'ordinarily resident' within the Parish of Shenfield and for whom at least one parent or guardian has attended public worship at St Mary's Church at least once a month for the previous 12 months before the closing date for applications. [ 'Ordinarily resident' is defined in the section entitled 'Home Address'. Registers of public worship attendance are maintained by the Churchwardens of St Mary's Church and are either updated by digital means or by way of a paper record at the end of the regular Sunday and Thursday services].
4. Who are 'ordinarily resident' within the Parish of Shenfield.
5. Who are 'ordinarily resident' within a neighbouring Parish of the Parish of Shenfield and for whom at least one parent or guardian has attended public worship at St Mary's Church at least once a month for the previous 12 months before the closing date for applications. [The neighbouring Parishes of the Parish of Shenfield, listed alphabetically, are Bentley Common St.

Pauls, Brentwood St. Thomas, Brentwood St. George, Doddinghurst All Saints, Hutton All Saints, Ingrave St. Stephen and Mountnessing St. Giles].

6. Who live outside the parish of Shenfield.

A list of the streets in the parish of Shenfield is available on the school website.

If there are too many applicants in any category (oversubscription), priority within categories 3 and 5 will be determined on the basis of the parents' regularity and duration of attendance at church worship and subsequently for all categories places will be offered to children who live nearest to the school. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2022/2023 booklet.

If a school place is secured through false information regarding a home address, the place offered may be withdrawn.

If a family moves into the area less than 12 months before the closing date for applications and family members wish their application to be considered under criterion 3 or 5, they must provide evidence of their attendance at another Anglican church, ratified by the vicar of that parish, in line with the requirements of other local applicants in these categories.

‡ LA sibling definition applies.

For applications made in the normal admission round, if the last child to be offered a place is a twin and their sibling cannot be offered a place initially, the school will ensure both twins are offered a place. In the case of triplets or other multiple births, if the majority of children can be offered a place initially, the LA school will offer places to the remaining children.

♦ If applying under criterion 3 or 5. This school requires a Supplementary Information Form to be submitted to the school, with evidence. The SIF can be downloaded from the Shenfield St Mary's Church of England Primary School website or a hard copy can be obtained from the school. The SIF will not give any details of the rank order of parental preferences. If a SIF has not been returned by the closing date by **15th January** in the year of admission, this will be taken to indicate that the parents have no supplementary information they wish to be considered.

Waiting list held until: end of autumn term.

### Admissions Policy

In considering applications, the Governors will have regard to the following criteria:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2022/2023 booklet);
2. up to ten places will be awarded to children whose parents are regularly attending worship at St Peter's Church, South Weald. In the event of over-subscription, applicants who meet the minimum attendance criteria will be ranked in order by the length of time they have regularly attended the church with priority for longer duration, up to the limit of 10 places. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship. (A reference will be required from the Priest in Charge of St Peter's Church);
3. meets the criteria for 2 but is not in the first ten places and has a sibling<sup>^</sup> attending the School at the time of application;
4. the child has a sibling<sup>^</sup> attending the School at the time of application;
5. a parent of the child is a contracted member of the teaching staff at St Peter's CE Primary School at the time the child will start attending the school;
6. meets the criteria for 2 but is not in the first ten places and the family lives within the Ecclesiastical Parish of South Weald plus the following additions: the eastern side of Honeypot Lane and Kavanaghs Road together with Weald

7. Close, Ashford Avenue and Kavanaghs Terrace; the family lives within the Ecclesiastical Parish of South Weald plus the following additions: the eastern side of Honeypot Lane and Kavanaghs Road together with Weald Close, Ashford Avenue and Kavanaghs Terrace;
8. the parents live within the Brentwood Borough and regularly attend worship at another Christian church, which subscribes to the Doctrine of the Holy Trinity (a reference will be sought from the Priest/Minister). Also considered under this category will be any children not awarded places due to over-subscription under Criterion 2 who have not met the requirements of Criterion 3, 4, 5, or 6. In the event of over-subscription, applicants who meet the minimum attendance criteria will be ranked in order by the length of time they have regularly attended the church with priority for longer duration;
9. the parents live within the Brentwood Borough;
10. all remaining applications.

In the event of a tie for a place, it will be awarded to the child living the shortest distance from the school. Between children living within the area defined in Criterion 6, this will be the shortest walking distance, using public paths, of the child's home from the school. The distance will be taken from the front door of the place of residence to the pedestrian entrance to the school. These have been measured using a large-scale Ordnance Survey map (which is available for inspection upon request). Between the children living outside the area defined in Criterion 6, this will be the straight-line distance from the child's home to the school. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2022/2023 booklet.

<sup>^</sup>A sibling is defined as a child living in the same family unit in the same family household and address as a child who attends the School and with a reasonable expectation that the brother or sister will still be attending at the time of admission. This, therefore, includes brothers and sisters, and step-brothers and sisters. In addition, full biological siblings will be treated as siblings irrespective of place of residence.

\* Church references (both from St Peter's and from other churches): The parents' attendance at worship is judged by reference to the length of their attendance and the frequency of attendance over that period. The Governors have accepted that "regularly", in the context of worship, should indicate Sunday attendance at least fortnightly for at least 18 months prior to the application.
