The method of calculating the annual summary of members expenses and allowances for the financial year 2010/11 has been revised to improve clarity. All payments made to Councillors in this period are included regardless of when the expenditure was incurred. All mileage and expenses payments made in April 2010 have already been published in the financial year 2009/10 (the year in which they were incurred) and are also included in 2010/11, as this is the financial year in which they were paid

Members Restaurant

The total cost of services provided by the members kitchen amounts to £26,417, which relates to meals and refreshments provided in the members lounge.

The members kitchen service is provided by an external contractor and we do not have a breakdown of their costs. It is not possible to analyse the costs of this service to individual members
