T&C's Apply:

VIP Bays can accommodate up to 24 simultaneous player logins, with a maximum capacity of 35 guests. Alcohol included on arrival is for on-site consumption within the bays only. Any remaining contents is not permitted to be taken off-site. Alcohol selection must be made at least one week prior to booking. If not received, alcohol selection will be arranged by the bay host and may result in delayed service. If no selection is made, the group will receive x2 Option 1 and x2 Option 2. Share platters are prepared in predetermined quantities, substitutions or modifications are unable to be accommodated. Share platters are available in standard sizing accommodating up to 6 guests, with upgraded sizing accommodating up to 8 guests. Share platter selections must be submitted at least one week prior to booking. For groups of 30 or more guests, an upgrade to the large share platter alternative is recommended. Minimum spend applies to all bookings.
