10. Investment of the Property. The Property shall be invested and reinvested on the directions of the Holder (or the Holder's agent) without being limited to investments authorized by law for trustees. The Trustee, in its sole discretion, may require the Holder to provide such documentation in respect of any investment or proposed investment as the Trustee deems necessary in the circumstances. The Trustee reserves the right to decline to make any particular investment if the proposed investment and related documentation do not comply with the Trustee's requirements at that time. 12. Choice of Investments. The Holder shall be responsible for selecting the investments of the Account, ensuring that an investment is and continues to be a Qualified Investment, and determining whether any such investment is not and continues not to be a Prohibited Investment. The Trustee shall exercise the care, diligence and skill of a reasonably prudent person to minimize the possibility that the Account holds a non Qualified Investment. The Holder shall have the right to appoint the Agent as his or her agent for the purpose of giving investment directions as provided in this paragraph and paragraph 10 [Investment of the Property].

13. Uninvested Cash. Uninvested cash will be placed on deposit with the Trustee or an affiliate of the Trustee. The interest on such cash balances payable to the Account will be determined by the Agent from time to time in its sole discretion with no obligation to pay a minimum amount or rate. No one other than the Holder and the Trustee shall have rights under the Account relating to the amount and timing of Distributions.

17. Designation of Beneficiary. Subject to Applicable Laws and where the Holder has not designated the Survivor or there is no Survivor, the Holder may designate a beneficiary to receive the Proceeds on the Holder's death. A beneficiary designation may only be made, changed or revoked for the purposes of the Account by the Holder in a format required by the Agent for this purpose. Such designation must adequately identify the Account and be delivered to the Agent prior to any payment by the Agent. The Holder acknowledges that it is his or her sole responsibility to ensure the designation or revocation is valid under the Applicable Laws.

18. Death of Original Holder (Where There Is a Survivor). Subject to Applicable Laws, upon the death of the Holder where there is a Survivor and where the Survivor has been designated as successor holder for purposes of the Account, and upon the receipt of Estate Documents by the Agent which are satisfac-tory to the Trustee, the Survivor shall become the Holder.

19. Death of Original Holder (All Other Cases). Upon the death of the Holder, where there is no Survivor or the Survivor has not been designated as successor holder for purposes of the Account, and upon the receipt of Estate Documents by the Agent which are satisfactory to the Trustee, and subject to paragraph 15:

- (a) if the Holder has designated a beneficiary in accordance with paragraph 17 [Designation of Beneficiary], the Proceeds will be paid to the designated beneficiary, subject to the Applicable Laws. The Trustee and the Agent will be fully discharged by such payment, even though any beneficiary designation made by the Holder may be invalid as a testamentary instrument; and
- (b) if the Holder's designated beneficiary had died before the Holder or if the Holder has not designated a beneficiary, the Trustee will pay the Proceeds to the Holder's estate.

Where multiple beneficiaries have been designated and the Holder has not indicated how the Proceeds are to be shared among them, or if there is such an indication but the shares do not add up to 100%, then the Proceeds shall be divided equally among the beneficiaries designated.

If any designated beneficiary predeceases the Holder or dies at the same time as the Holder or in circumstances rendering it impossible to determine which of the Holder or beneficiary died first, then the remaining beneficiary(ies) is(are) entitled to receive the Proceeds in accordance with the Holder's wishes. If the Holder has not indicated how the Proceeds are to be shared among the designated beneficiaries, or if there is such an indication but the shares do not add up to 100% of the Proceeds, then the Proceeds allocated to the deceased person(s) will be divided equally among the surviving designated beneficiary(ies). For greater certainty, the share of a deceased person will go in equal portions to the surviving designated beneficiary(ies).

20. Release of Information. The Trustee and the Agent each are authorized to release any information about the Account and the Proceeds, after the Holder's death, to any or all of the Holder's Estate Representative, the Spouse, or a beneficiary designated hereunder as the Trustee deems advisable.

- 21. Payment into Court. If there is a dispute about:
 - (a) a payout from the Account or equalization of Property or other dispute arising from a breakdown of the Holder's marriage or common law partnership;
 - (b) the validity or enforceability of any legal demand or claim against the Property; or
 - (c) the authority of a person or personal representative to apply for and accept receipt of the Proceeds on death of the Holder;

the Trustee and the Agent are entitled to either apply to the court for directions or pay the Proceeds into court and, in either case, fully recover any legal costs it incurs in this regard as Expenses from the Account.

22. Limitation of Liability. The Trustee shall not be liable for any loss suffered by the Account, by the Holder or by any Survivor or beneficiary designated for purposes of the Account as a result of the purchase, sale or retention of any investment including any loss resulting from the Trustee acting on the direction of the agent appointed by the Holder to provide investment direction.

23. Indemnity. The Holder agrees to indemnify the Trustee for all compensation, Expenses and Taxes, other than those Taxes for which the Trustee is liable in accordance with the Tax Act and that cannot be charged against or deducted from the Property in accordance with the Tax Act, incurred or owing in connection with the Account to the extent that such compensation, Expenses and Taxes cannot be paid out of the Property.

24. Self-Dealing. The Trustee's services are not exclusive and, subject to the limitations otherwise provided in this Trust Agreement on the powers of the Trustee, the Trustee may, for any purpose, and is hereby expressly authorized from time to time in its sole discretion to, appoint, employ, invest in, contract or deal with any individual, firm, partnership, association, trust or body corporate, with which it may be directly or indirectly interested or affiliated with, whether on its own account or on the account of another (in a fiduciary capacity or otherwise), and to profit therefrom, without being liable to account therefore and without being in breach of this Trust Agreement.

25. Compensation, Expenses and Taxes. The Trustee and Agent will be entitled to such reasonable fees as each may establish from time to time for services rendered in connection with the Account. All such fees will, unless first paid directly to the Agent, be charged against and deducted from the Property in such manner as the Agent or Trustee determines.

All Expenses incurred shall be paid from the Account, including Expenses with respect to the execution of third party demands or claims against the Account.

All Taxes, other than those Taxes for which the Trustee is liable and that cannot be charged against or deducted from the Property in accordance with the Tax Act, will be charged against and deducted from the Property in such manner as the Agent determines.

26. Sale of Property. The Trustee and Agent may sell Property in their respective sole discretion for the purposes of paying compensation, Expenses and Taxes, other than those Taxes for which the Trustee is liable in accordance with the Tax Act and that cannot be charged against or deducted from the Property in accordance with the Tax Act.

27. Transfers to the Account. Amounts may be transferred to the Account from another TFSA of the Holder, or of the Spouse or Former Spouse where:

- (a) the Holder and the Spouse or Former Spouse are living separate and apart and the transfer is made under a decree, order or judgment of a competent tribunal or under a written separation agreement, relating to the division of property between the Holder and the Spouse or Former Spouse in settlement of rights, arising out of, or on the breakdown of, their marriage or common-law partnership; or
- (b) the Holder is the Spouse's survivor and the transfer occurs as a result of an exempt contribution (as that term is defined in the Tax Act).

28. Transfers out of the Account. Upon delivery to the Agent of a direction from the Holder in a form satisfactory to the Trustee, the Trustee shall transfer all or a portion of the Property as is specified in the direction:

- (a) to another TFSA of the Holder; or
- (b) to a TFSA of the Spouse or Former Spouse where the Holder and the Spouse or Former Spouse are living separate and apart and the transfer is made under a decree, order or judgment of a competent tribunal or under a written separation agreement, relating to the division of property between the Holder and the Spouse or Former Spouse in settlement of rights, arising out of, or on the breakdown of, their marriage or common-law partnership.

29. Changes to Trust Agreement. The Trustee may change this Trust Agreement periodically. Unless consumer protection legislation requires otherwise, the Holder will be notified on how to obtain an amended copy of the Trust Agreement reflecting any such change and will be deemed to have accepted such changes. Where consumer protection legislation requires otherwise, any notice required by such legislation will, as applicable, contain the contents, and be provided within the time period and in the format, specified in such legislation. No change to this Trust Agreement (including a change calling for the Trustee's resignation as trustee or the termination of the trust created by this Trust Agreement) will be retroactive or result in the Account not being acceptable as a TFSA under the Applicable Laws.

30. Replacement of Trustee.

(a) The Trustee may resign by giving such written notice to the Agent as may be required from time to time under the terms of an agreement entered into between the Agent and the Trustee. The Holder will be given at least 30 days prior notice of such resignation. On the effective date of such resignation, the Trustee will be discharged from all further duties, responsibilities, and liabilities under this Trust Agreement, except those incurred before the effective date. The Trustee will transfer all Property, together with all information required to continue the administration of the Property as a tax free savings account under the Applicable Laws, to a successor trustee.

- (b) The Trustee has agreed to resign upon it being provided with notice in writing by the Agent if the Trustee is satisfied that the successor trustee nominated by the Agent will properly assume and fulfill the Trustee's duties and liabilities hereunder in respect of the administration of the Account.
- (c) In either event, the Agent shall forthwith nominate a person to replace the Trustee and the resignation of the Trustee shall not take effect until its replacement has been so nominated by the Agent and appointed as successor by the Trustee and approved by Canada Revenue Agency or its successor. Failing the nomination of a replacement by the Agent within 30 days after receipt by it of a notice of resignation, the Trustee shall be entitled to appoint a person as its own replacement.
- (d) Upon any such appointment and resignation of the Trustee, the person so appointed as replacement trustee shall, without further act or formality, be and become the Trustee hereunder. Such replacement trustee shall, without any conveyance or transfer, be vested with the same power, rights, duties and responsibilities as the Trustee and with the assets of the Account as if the replacement trustee had been the original Trustee. The Trustee shall execute and deliver to the replacement trustee all such conveyances, transfers and further assurances as may be necessary or advisable to give effect to the appointment of the replacement trustee.
- (e) Any person appointed as a replacement trustee shall be a corporation resident in Canada that is licensed or otherwise authorized under the laws of Canada or a province to carry on in Canada the business of offering to the public its services as trustee.

Any trust company resulting from the merger or amalgamation of the Trustee with one or more trust companies and any trust company that succeeds to substantially all of the trust business of the Trustee shall thereupon become the successor to the Trustee without further act or formality. In all such cases, Canada Revenue Agency or its successor shall be notified.

31. Assignment by Agent. The Agent may assign its rights and obligations hereunder to any other corporation resident in Canada authorized to assume and discharge the obligations of the Agent hereunder and under the Applicable Laws.

32. Notice. Any notice given by the Holder to the Agent shall be sufficiently given if delivered electronically to the Agent upon the Holder's receipt of an acknowledgement and response to same or personally to the office of the Agent where the Account is administered, or if mailed, postage prepaid and addressed to the Agent at such office, and shall be considered to have been given on the day that the notice is actually delivered or received by the Agent.

Any notice, statement, receipt or other communication given by the Trustee or the Agent to the Holder shall be sufficiently given if delivered electronically or personally to the Holder, or if mailed, postage prepaid and addressed to the Holder at the address shown on the Application or at the Holder's last address given to the Trustee or the Agent, and any such notice, statement, receipt or other communication shall be considered to have been given at the time of delivery to the Holder electronically or personally or, if mailed, on the fifth day after mailing to the Holder.

33. Date of Birth. The Holder's statement of his or her date of birth in the Application shall be deemed to be a certification as to the Holder's age, on which the Trustee and the Agent may rely, and an undertaking to provide any further evidence of proof of age as may be required by the Agent.

34. Contribution While Holder is a Minor. Where the Holder makes a Contribution to the Account prior to the Holder having attained the age of majority in accordance with the Applicable Laws, the Holder will execute a ratification of the Application and all transactions made by the Holder in respect of the Account prior to reaching the age of majority.

35. SIN and Address of Holder. The Trustee shall be entitled to rely upon the Agent's records as to the social insurance number, and to the current address of the Holder as establishing his or her residency and domicile for the operation of the Account and its devolution on the death of the Holder subject to any notice to the contrary respecting the Holder's domicile on death.

36. Heirs, Representatives and Assigns. The terms of this Trust Agreement shall be binding upon the heirs, Estate Representatives, attorneys, committees, guardians of property, other legal and personal representatives, and assigns of the Holder and upon the respective successors and assigns of the Trustee and the Agent and their directors, officers, employees, and agents, as well as their respective estates, Estate Representatives, heirs, attorneys, committees, guardians of property, other legal and personal representatives, and assigns.

37. Governing Law. This Trust Agreement and the Account shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.
