

EUROPE 2025 CHECKLIST

3-5 JUNE 2025

EVERYTHING YOU NEED TO KNOW TO PLAN FOR SUCCESS

/ Watch our **First Timers Experience webinar** on demand available on our Top Tips page to help you get the most out of your time at the show.

/ Arrange your travel and hotel with exclusive discounts from our partners. Check entry requirements to the Netherlands and whether a visa is needed for your trip.

/ Make sure your pass is registered and the details are up to date (don't forget to upload a recent headshot!)

/ Download the **Money20/20 Connect** app once it's available to create your personalised agenda and start networking with other attendees.

/ Are you new to the show or traveling solo and eager to meet fellow attendees to explore the event with? Search 'First Timer' in the app to join our dedicated meetup for first time attendees.

/ In town early? Get ahead and collect your badge early on Monday 2nd June before the show opens (look out for the Badge Pick Up barcode email released a few days before the show, also available in the Connect app).

/ Tell us if you have any special requirements by updating your preferences on your online pass registration form or by emailing accessibility@money2020.com – we're here to help!

/ Share your experience on social media and connect with other delegates using the hashtag #Money2020EU.

NOT SURE WHAT TO BRING?

/ Comfortable footwear: you'll be doing a lot of walking!

/ Warm layers: pack a lightweight jacket or sweater to layer over your outfits for the air-conditioned spaces at the venue.

/ Dresscode: we recommend business casual attire during the day/evening events, but do keep the warm weather in mind.

/ A reusable water bottle: to stay hydrated throughout, utilising our refill stations.

/ Portable phone charger: these are a must but if you don't have one or forget to bring one, don't worry. We have plenty of charging spaces across the show.

/ Notebook and pen: while devices are handy, having a physical notebook and pen can be invaluable for jotting down important notes and contacts during sessions and networking.
