Adult Loft & Bunk Beds

Custom built to order and handcrafted with care in the USA

Shop now at AdultBunkBeds.com

Space-Saving Sophistication

You need a bed that supports your adult life and enhances your adult style. That is why our loft and bunk beds embrace both form and functionality. These heavy duty metal bed frames are constructed with high quality American aluminum and provide unparalleled strength and stability with a massive weight capacity of up to 2,000 lb per sleeping platform, while also sporting a modern, sophisticated appearance that looks great in any space.

American Made

All of our products are made in the USA using aluminum sourced from Tennessee and constructed at our factory in Ohio.

Eco-Friendly

Our aluminum is 100% recyclable, and we employ an eco-friendly manufacturing process to create products that can be safely salvaged with minimal environmental effects.

Easy to Assemble

Every bed comes with detailed assembly instructions and the tools you'll need to put it together. We also have assembly videos online at AdultBunkBeds.com/assemble.

Stress Tested

Our bed frames have been stress tested by an independent third-party organization to verify their massive weight capacity of 2,000 lb per sleeping platform.

Loft Beds

Our Adult Loft Beds are the ultimate space-saving furniture, allowing you to increase floor space in your bedroom or apartment without sacrificing comfort or style. Transform your small bedroom or studio apartment into an efficient and functional multi-use space that makes room for your life.

John-Paul N. | Ridgewood, NY

I love my loft bed. My tiny room is finally being utilized to its fullest potential. I love it. Best purchase I've made in years. My room actually feels like home now.

Bunk Beds

Whether you're looking to fit more family members in your guest room or trying to maximize the space in your vacation rental, an Adult Bunk Bed will help you safely and comfortably accommodate more adult guests without losing valuable space.

Andrea D. | Fleming Island, FL

Very sturdy bunk beds for our vacation rental. We feel at ease knowing guests will be comfortable and secure on these beds regardless of their size.

Triple Bunk Beds

Hostels, campgrounds, shelters, or anywhere that regularly hosts large and diverse groups of people could benefit from our heavy duty Triple Bunk Beds, which provide extra sleeping options for adults of all shapes and sizes thanks to our durable design that can hold up to 2,000 lb per sleeping platform.

Platform Beds

Built using the same rigorous quality standards that we employ for our loft and bunk beds, our sturdy and stylish Platform Beds are capable of holding a massive amount of weight, while still featuring a luxury modern design that looks great in any space thanks to their effortlessly elegant appearance.

Accessories

We offer a wide range of convenient, practical, and attractive accessories, so that you can configure a bed with increased functionality, additional storage space, or more opportunities to show of your decorative side.

Accessory options include:

- Staircase
- Desk
- Trundle
- Tray
- Bookshelf

Kara B. | Cincinnati, OH

We wanted something that looked nice and would be sturdy enough to last us for years. This bed is that and more! To say we're satisfied would be an understatement.

Custom Built to Order

Every single bed we sell is custom built to order to ensure that it meets our rigorous standards, so that we can provide you with the safest and most satisfying sleep experience possible.

Customization options include:

- Five decorative finishes (see below)
- Six guard rail configurations
- Ceiling heights
- Uncommon mattress sizes
- Headboard fabrics
- Additional accessories (see page 7)
