The 2022 meeting is being scheduled as an E&AGM in order for Shareholders to consider a number of proposed amendments to the Stampede's By-laws that address recent changes to the Companies Act of Alberta, the Stampede's governing statute. Those changes involve the affordance of being able to hold Annual General Meetings via electronic means. Additionally, changes will be recommended to address gender neutrality for the Stampede's Officer titles. An information sheet on the proposed amendments, along with links to the red-lined version of the By-laws, will be provided to Shareholders with the annual Shareholder election package.
