**VyStar Celebrates National Veterans and Military Families Month**

*Events Throughout November will Honor Veterans and Active-Duty Service Members*

**Jacksonville, Florida** - VyStar is celebrating National Veterans and Military Families Month and Veterans Day by offering special product offers, community events and recognitions to honor past and present military members and their families in North and Central Florida and Georgia. Supporting the brave men and women of our military and their families has been a focus of our credit union since we were founded at Naval Air Station Jacksonville in 1952, and that commitment remains just as strong today.

“It is an honor for VyStar to provide financial services to the military community,” said VyStar Executive Vice President/COO Chad Meadows. “From individuals to families to small business owners, we care deeply and are committed to providing opportunities to the brave men and women who have served our country and their families to reach their financial goals for themselves and their loved ones.”
