Jacksonville, Florida — VyStar Credit Union announced today it has earned the Top 10 Military Friendly® Company designation from VIQTORY, a recognition that is indicative of the credit union's longtime commitment to supporting military members, veterans and their families. VyStar was one of two credit unions to earn the designation in its category.

“It is an honor for VyStar to be recognized as an organization that cares deeply about the military community,” said VyStar President/CEO Brian Wolfburg. “From individuals to families to small business owners, we are committed to providing opportunities to the brave men and women who have served our country. These important designations will help us continue to attract, develop and retain top talent and further support the communities we serve.”

Military Friendly® is the standard that measures an organization's commitment, effort and success in creating sustainable and meaningful benefits for the military community. Organizations who received these designations were evaluated using both public data sources and responses from a proprietary survey. Over a thousand companies participated in the 2023 Military Friendly® survey.
