NEWS RELEASE

Schoeller Packaging – CFO announcement

Hoofddorp, the Netherlands, 29 January 2020, Schoeller Packaging B.V. (the “Company”) announces the appointment of Hans Kerkhoven as Chief Financial Officer (CFO) with effect from 1st February 2020.

Hans has extensive experience with various international companies, both listed/public as well as private equity owned, as all round financial officer managing global finance teams and responsible for large scale transformations and turnarounds.

His last role was an assignment with Royal Reesink, a distributor of high-quality machinery and components for agriculture, landscape maintenance, logistic warehousing and the construction equipment industry.

The Supervisory Board commented: “We are delighted to have found a CFO with such a strong, demonstrable and relevant track record. We believe Hans will significantly strengthen the leadership team of Schoeller Allibert, and will contribute strongly to its success and future sustainable growth.”

Schoeller Allibert is Europe’s largest manufacturer of plastic containers and returnable transit packaging (RTP). Schoeller Allibert offers a wide range of products to meet the storage, handling and distribution needs of large and medium sized companies on a local, regional and global level. Schoeller Allibert employs approximately 2,000 people with the majority employed in Europe, where the Group has production and sales activities in over 20 countries.
