

The container that transforms logistics

Schoeller Allibert

Engineered for excellence

Foldable liquid IBC for safe, hygienic, and cost-efficient storage in food, pharma, cosmetics, and chemical industries. Ideal for aseptic use; easy to fold, clean, and repair. »

Unmatched strength

Robust construction with T-shaped locking for maximum safety when stacked. Water-tight, self-locking lid with multiple securing points ensures complete protection.

Automated handling

Fully compatible with industry-standard handling systems for seamless integration into your processes.

Supply chain revolution

Optimise payload capacity and slash reverse logistics costs. Reduce your CO₂ impact with the market's best folding ratio.

Smart fleet management

Track and monitor your assets with multiple identification options. Built-in bar code labels and RFID & IOT pockets give you complete visibility.

Hygiene without compromise

100% smooth design from base to lid eliminates dirt traps and contamination risks. Double-wall construction increases internal volume and ensures compatibility with high-speed filling lines. Fork tine guides enhance safety and handling efficiency.

Single-operator efficiency

One person can quickly erect or fold the unit. Self-locking drop door provides easy access while the improved discharge zone speeds up liner and valve setup. Reusable dustcover keeps the discharge area protected from contaminants.

Built for longevity

Replace individual components to maximise service life. Patented bayonet fixing system allows for quick and simple skid replacement.

The most hygienic and safe foldable IBC

100% safe, easy to clean design from base to lid, no dirt or water traps, bugs and needle contamination proof. 100% smooth and double-wall sturdy design increases internal volume and ensures compatibility with high-speed filling processes. Safe and speed handling thanks to the fork tine guides on base.

Advanced discharge system

Compatible with DN50 with Releasy® clip and Speedy® valve. Our innovative Releasy® mechanism delivers safer handling while significantly reducing damage risk during operation.

DN50 Valve with adapter
