

COMPREHENSIVE VIRTUAL CARE

Providing easy access to high-quality healthcare, from anywhere.

Whether facing an everyday medical concern or a complex condition, HealthiestYou's extensive clinical expertise combined with a simple, integrated mobile experience makes it easy for employees to get high-quality healthcare no matter where they live.

Convenience

- General Medical services provides **24/7 access** to doctors by phone or video
- Behavioral Health Care visits can be performed by phone or video seven days a week and are scheduled **within days instead of months**
- With Dermatology, members can share images of skin issues and receive a diagnosis **within two business days** instead of waiting months for an appointment
- **No need to travel into the city** to speak with a doctor
- Back Care coaching and exercise can be done right **from a member's home**

Access

- **Access to a wide range of doctors** from across the nation, including generalists, specialists, and mental health professionals
- **No limit** to the number of visits
- Behavioral Health Care virtual visits can be **held in a private setting**, removing the stigma of being seen in the waiting room or parking lot
- Expert Medical Services provides access to **50,000 world-renowned medical experts** in over 450 subspecialties—ensuring the right expert is matched to every case
