Dermatology makes skin care easy. Members simply log in to their Teladoc account, request a Dermatology consult, complete the intake form and upload digital images of their skin issue. Within two business days, the member will receive a response from a board-certified dermatologist through the online message center. Members can ask follow-up questions and, when medically necessary, have prescriptions sent right to their local pharmacy.

“I noticed a small dark spot on the side of my leg that was asymmetrical in shape. I took a few photos, requested a consult and shared them right through the app. The very next day, Dr. Levine had reviewed my photos and determined the spot was benign. Instead of waiting weeks to see a dermatologist, I had peace of mind in less than 24 hours! Thank you, Teladoc!”
