

SYNAPTIX

DELIVERING REAL BUSINESS IMPACT WITH GENAI

Good ideas Have a Habit of Escaping the Lab

*What started as **AI solutions** for our clients
are now becoming **something bigger...***

*We've refined, tested, and tuned our AI capabilities-
and **soon**, you'll be able to get your hands on it*

SYNAPTIX

DELIVERING REAL BUSINESS IMPACT WITH GENAI

Born from Real Work

*Tired of sorting through
hundreds of near-identical CVs-
all written by AI?
We were too*

*Tired of extracting data from
dusty PDFs
and spending late nights
updating spreadsheets?
Been there*

*That's why we built **AI helpers** that handle the routine-
so people can handle the meaningful*

Working Smart Starts Here

Our AI-elves were designed for the everyday chaos—the repetitive, manual, and time-draining

They read, sort, summarise, extract, and organise—

***faster** than you can make your next coffee*

*Built to **save hours**, not replace people*

*Built to help you **work smarter**, not harder*
