

SYNAPTIX

DELIVERING REAL BUSINESS IMPACT WITH GENAI

**Data that answers before you
finish asking**

Build your data shelf: From setup to instant answers

01

Serve

Answers on demand... without the ticket queue.

02

Imagine

“Yesterday’s returns for Segment North?” ... answer now.

03

What we do

Set up a Data Shelf... trusted, reusable datasets you can grab.

04

Extras

Ask in plain English... save the result back to the shelf.

05

Starter shelf

Customer 360, Campaign Response, SKU snapshot, Revenue forecast, Anomaly alerts.
