

**SYNAPTIX**

DELIVERING REAL BUSINESS IMPACT WITH GENAI

***How do you **digitise** financial data from **4,500 cities** when every PDF is a mess?***

***We solved it with AI. Here's the story***

# The Challenge

When paper becomes a productivity nightmare

- 1** 4,500 cities submitting financial statements
- 2** Inconsistent, low-quality scanned PDFs
- 3** No standardisation, no cross-entity analysis
- 4** Manual data entry eating resources

***Result?***

***Slow decisions and limited insights across the entire network***

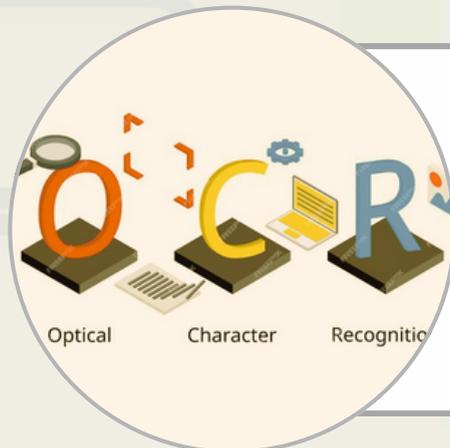

**SYNAPTIX**

DELIVERING REAL BUSINESS IMPACT WITH GENAI

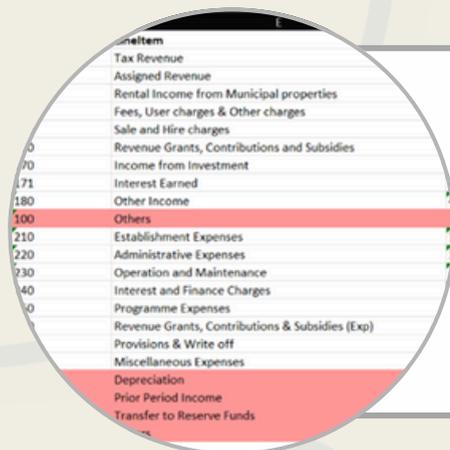

# Our Approach

## AI-powered transformation at scale

Advanced OCR technology  
to **extract data from any**  
**PDF quality**

**Standardise financial data**  
using unified templates and  
**make it analytical ready**

**Confidence-scoring based**  
on accuracy of data

***From unreadable PDFs to actionable data  
intelligence - automatically***

**SYNAPTIX**

DELIVERING REAL BUSINESS IMPACT WITH GENAI
