

# We keep a small circle.

## *There's room for the right people.*

Advisory-led AI solutions firm with enterprise clients - and outcomes those clients have put their name to.

*Two ways to partner. Swipe to see both →*

---

*Cloud & infrastructure*

# *Two tracks. One bar.*

## *Solution Partners*

You bring the specialism we don't cover such as **Voice-Enabled AI**, **Video**, **IoT**, **Cybersecurity**, and **Robotics**. We bring a considered introduction into a live engagement.

## *Sales Partners*

You make the introduction. We have the offer backed by client outcomes & named testimonials. You earn on what converts.

---

*Getting in takes a **real assessment**. That's what makes a place in it worth having.*
