

KEY FACTS STATEMENT – WIO MASTERCARD WORLD CARD / WIO CREDIT

The Wio Mastercard World Card is a payment card that enables you (the “Customer”) to pay for purchases and make cash withdrawals. The card provides customers with the flexibility to switch between own funds and an approved credit line to pay for purchases. Purchase transaction amounts will be debited from your account balance or the available credit limit (subject to Wio approval), as elected by you.

The Wio Mastercard World Card is provided as a virtual card(s) that can be accessed through the Wio app. A physical card is made available upon request. Cash withdrawals can be carried out from own accounts using the physical card. All customers holding a bank account with Wio can request the Wio Mastercard World Card to be used with their own funds. Use of credit limit is subject to Eligibility (see below) and Wio credit approval for each customer.

1. Benefits

- Cashback: 1% (from own accounts) / 2% (using Wio Credit) of all purchases carried out / 1% payment of credit cards issued by other banks in the UAE with Wio Credit (cashback up to 1% of your Wio Credit Limit) with an aggregate cashback amount of AED 2500 per calendar month for each customer (including all cashback and all customer accounts with Wio); spends on government, utilities and quasi cash transactions (including Easy Cash) are excluded. The cashback for each month will be credited to the customer’s Wio AED current account on the first of the following month.

More details on the above are available at <https://wio.io/personal/>.

The benefits and features set out are current as at the date they appear in our documents. However, they may be subject to change at any time in accordance with the Wio Standard Terms, Wio Standard Terms for Credit, and the applicable Offer. Third-party provided benefits have their own terms and conditions, and the benefits may vary according to those terms.

2. Eligibility for Wio Credit

Customers can apply to obtain a credit limit through the Wio app. Applicants will need to be between 21 and 64 years old, residents of and employed in the UAE with a monthly salary of AED 5,000 or above. Minimum length of employment may be considered.

Granting of any credit limit remains at the sole discretion of Wio.

2.1. Easy Cash.

The Customer can utilise up to 50% of its credit limit (Easy Cash Limit) as a cash advance. The Easy Cash Limit is an aggregate limit and not a limit per transaction. The requested amount (principal amount) will be deposited in the Customer’s Wio Account on the same day.

3. Repaying your credit

Customers will be provided with a statement on the Statement Date selected by the customer each month, through the Wio app, and featuring all transactions carried out during the previous month from the approved credit limit. The statement will include transactions from all the virtual cards utilized by the customer where the spending has been from the approved credit limit.

All amounts outstanding under the credit limit and as shown in the statement become due on the Statement Date, however customers can choose to pay only part of the amount due (subject to a minimum 5% repayment, or AED 100 whichever is higher; if the total outstanding is less than AED 100, it must be paid in full) and roll over the remaining.

3.1. Repaying your Easy Cash

Wio will charge a daily fee over the principal amount (as informed in the Wio App prior to the deposit) from the date of the deposit until the date of repayment. If the Customer makes an additional request of Easy Cash within 30 calendar days from the first request, all deposits and accrued fees will be payable on day 30. Customer may repay Easy Cash at any given time within the 30 days period paying fees until repayment date only. When Customer repays Easy Cash in full, tenor for repayment will restart on the date of the next deposit.

The Bank may (at its sole discretion) grant a grace period to repay Easy Cash and it will be informed in Wio App. During such period, penalty fee will not be accrued (daily fee will be accrued in the same manner than original tenor).

Daily penalty fee will be payable at the end of the 30 calendar days tenor (or end of the grace period if applicable) if the outstanding balance is not fully repaid (principal amount and interest).
