I'VE DRESSED UP AS THE EASTER BUNNY.

Where's the best place to hide Easter eggs? What can you do with a Creative-Tonie Blank? How do you make an Easter garland? And how do you bake Tonie-Cookies? I've put lots of ideas in the basket for you. Have fun and a wonderful Easter!

# 1 EGG HUNT

## Hip, hip, hooray!

The best thing about Easter is going on an Easter egg hunt! Here are some tips for an exciting Sunday search party with your Creative-Tonie.

### 1. The trail

Go Easter egg hunting in the garden, the woods or in a meadow: find out the best places to hide your Easter eggs. Work out a little trail and make clue cards for the hiding places.

### 2. Hiding places and clues

You should design your Easter egg hunt with questions the Creative-Tonie can ask. It can then lead you through the trail, supplying tips along the way.

### 3. Here's where the Creative-Tonie comes in

Record questions, clues and sounds on your Creative Tonie. Not sure how it works? [You'll find a guide on our YouTube channel.](#)

### 4. The Easter egg hunt begins

Place the Creative-Tonie on the Toniebox and start with the first question. As you hunt, simply take the Creative-Tonie off the Toniebox. When you find an egg, put the Creative-Tonie back and carry on with the next question.

HIDING PLACE: BENCH  
QUESTION: WHERE DOES GRANDAD LIKE SITTING IN SUMMER?

HIDING PLACE: SANDPIT

MAKE

# Here's how you make an *Easter-Tonie!*

What's going on? Would making your own Easter Tonie, with bunny teeth and ears, make you a happy bunny? Then let's make one together! This works best with a Creative-Tonie Blank. It's just ready and waiting for you to paint and decorate.

### What you need:

- Creative-Tonie Blank
- Cardboard ears
- Cotton ball as rabbit tail
- Material or a brown pen for the body
- Green raffia nest
- Mini Easter basket

### Time to get colourful:

Simply cut out and colour in your Creative-Tonie and stick it under his arm.

We're excited about your Easter Tonie

If the Creative-Tonie Blank looks like a real Easter Tonie, you can record its own bunny-hopping story. There's room for 90 minutes of listening fun!

## 2 MAKE

# Make your own Easter Tonie *garland*

Still feeling crafty? Eggsellent! I've got another great idea for you: a garland with lots of Easter Tonies. You'll find the stencil you need to make this on the next page.

### What you need:

Printer, cardboard, colouring pens, scissors, string, cotton wool, raffia, wool, glue, hole punch.

1. Print around 5 x stencils
2. Glue the figures onto cardboard and cut out
3. Colour in the Easter Tonies
4. Use the hole punch to make a hole in each of the circle markings and pull the string through
5. Your Easter Tonie garland is ready
6. Stick it to the wall or hang it above the Easter table

### My Tonie-Tip

As you make your garland, set up your Toniebox and listen to songs or a wonderful story.

# 3 BAKE

## In the *Easter bakery* ...

Nothing works up an appetite quite like an Easter egg hunt. What helps? That's right! Tasty Tonie-Cookies. I've already prepared a stencil for you to cut out the cookies. Just record recipes on your Creative-Tonie so they can help you bake straight away!

**The recipe**

All you need is three ingredients and your Tonie stencil. You'll find a template for this on the next page. All you need to do is print it out and you're ready to get started.

**225 g** flour  
**110 g** sugar  
**150 g** butter

- Stick the Tonie stencils to the cardboard and cut out. When the dough is rolled out, use the stencil as a template to cut out the dough along the stencil using a knife.
- Put the cookies on the baking tray, making sure to space them out a little, and bake for approx. 15 minutes
- Repeat the whole process with the rest of the dough.

### Method

- Pre-heat a conventional oven to 175 degrees (top and bottom heat)
- Line a baking tray with baking paper
- Knead the flour, sugar and butter together
- Roll out the dough in portions onto a floury worktop

### Your favourite decoration

Once you've baked the Tonie cookies, you can give them a face with raisins, icing or sprinkles ... Whatever way you like!

### My Tonie-Tip

During preparation, simply take the Tonie off the Toniebox in between. Once you've completed a step, set the Tonie up again and carry on.

Share a picture of your cookies – if you have any left!
