

## Global Alerts RFI

The Barack Obama Foundation is seeking information from a vendor specializing in providing comprehensive mass notifications (extreme weather alerts, workplace emergency notifications, etc..) and the capacity to support global travel. More information will be provided upon execution of a Non-Disclosure Agreement (NDA).

### What is the mission of the Obama Foundation?

The Foundation's mission is to inspire, empower, and connect people to change their world. That mission begins at home, on the South Side of Chicago, where the Foundation is building the Obama Presidential Center in the heart of historic Jackson Park. In addition to building the Obama Presidential Center, the Foundation currently has active programs all over the city of Chicago, country, and the world.

The Barack Obama Foundation is a nonprofit tax-exempt organization under 501(c)(3) of the Internal Revenue Code.

### What will the scope include?

We are seeking a comprehensive mass notification and travel safety system to enhance the safety and security of our 300 employees, both in-office and traveling internationally. This platform would have multi-channel communication capabilities with support for a wide range of emergencies to include travel safety alerts globally. Finally, we are seeking a platform that can be integrated to existing systems and initial training and ongoing support as needed.

### What does the Obama Foundation expect of bidders to the Global Alerts RFI?

- Be a professional and committed partner to the Foundation
- Offer diverse and local representation within a team that has expertise in the nonprofit sector and cultural institutions
- Satisfy prescribed budget and schedule requirements
- Solution that is scalable and flexible, user friendly and able to be integrated with existing systems. Also the company would be required to provide training and support.
