

## **Obama Presidential Center Network Integration, Request for Proposal**

The Barack Obama Foundation will release a Request for Proposal (RFP) on October 20, 2023 seeking network hardware and integration services for the Obama Presidential Center. The due date for submissions will be approximately mid-November 2023. Specific dates will be provided upon execution of a Non-Disclosure Agreement (NDA).

### **What is the mission of the Obama Foundation?**

The Foundation's mission is to inspire, empower, and connect people to change their world. That mission begins at home, on the South Side of Chicago, where the Foundation is building the Obama Presidential Center in the heart of historic Jackson Park. In addition to building the Center, the Foundation currently has active programs all over the city of Chicago, country, and the world.

The Obama Foundation is a nonprofit tax-exempt organization under 501(c)(3) of the Internal Revenue Code.

### **Can you provide a brief overview?**

The Obama Foundation will need a variety of Network Hardware to be obtained, installed, configured, and tested prior to the official opening of the Center. The scope of this RFP is tied to specific hardware that has been laid out in the design and the cost of services needed to install and integrate the network.

### **What does the Obama Foundation expect of potential Network Integrators?**

- Be a professional and committed partner to the Foundation
- Offer diverse and local representation within a team that has expertise in the nonprofit sector and cultural institutions
- Bring experience in large scale network integration and hardware procurement
- Satisfy prescribed budget and schedule requirements
- Provide best solutions for the Foundation's continued growth and success
