

## **Invitation for Bids for Atrium Vent Testing Consultant**

The Barack Obama Foundation is seeking a qualified consulting firm to provide inspection services for the atrium vent testing activities for the construction of the Obama Presidential Center.

### **What is the mission of the Obama Foundation?**

The Foundation's mission is to inspire, empower, and connect people to change their world. That mission begins at home, on the South Side of Chicago, where the Foundation is building the Obama Presidential Center in the heart of historic Jackson Park. In addition to building the Obama Presidential Center, the Foundation currently has active programs all over the city of Chicago, country, and the world.

The Barack Obama Foundation is a nonprofit tax-exempt organization under 501(c)(3) of the Internal Revenue Code.

### **What will the scope include?**

"The Foundation seeks a special inspection firm to be present, witness, and evaluate the testing and demonstration of the atrium smoke control and stair pressurization systems conducted by the mechanical contractor for the Obama Presidential Center."

### **What does the Obama Foundation expect from the bidders Atrium Vent Testing Consulting IFB?**

- Be a professional and committed partner to the Foundation
- Offer at least 32.5% of diverse and local representation
- Satisfy prescribed schedule requirements
- Provide qualified and best-in-class services to support the successful construction of the Obama Presidential Center
- Bring relevant experience in testing atrium systems
