

Obama Presidential Center Door, Frame and Hardware Inspection Request for Proposal

The Barack Obama Foundation will release a RFP in December 2023 seeking a qualified and experienced door, frame, and hardware inspector for the Obama Presidential Center. The due date for submissions is Monday January 22, 2024.

What is the mission of the Obama Foundation?

The Foundation's mission is to inspire, empower, and connect people to change their world. That mission begins at home, on the South Side of Chicago, where the Foundation is building the Obama Presidential Center in the heart of historic Jackson Park. In addition to building the Obama Presidential Center, the Foundation currently has active programs all over the city of Chicago, country, and the world.

The Barack Obama Foundation is a nonprofit tax-exempt organization under 501(c)(3) of the Internal Revenue Code.

What will the scope include?

The Foundation seeks proposals for qualified inspection firms to assist in our efforts for door, frame, and hardware inspections throughout the Obama Presidential Center.

This will include the inspection of doors, frames, and hardware for our campus public buildings which include extensive back-of-house spaces, and a garage building unit.

What does the Obama Foundation expect of the Inspection Firm?

- Be a professional and committed partner to the Foundation
- Offer diverse and local representation within a team that has expertise in the nonprofit sector and cultural institutions
- Satisfy prescribed budget and schedule requirements
- Provide best solutions for the Foundation's continued growth and success
