

## **Accessibility Consultant Request For Qualifications (RFQ)**

The Barack Obama Foundation seeks an accredited Accessibility Consultant to help support the Obama Foundation and Obama Presidential Center with accessibility planning and implementation. The scope of this work will include consultation for our 2024 Democracy Forum, an Accessibility Charter for the Obama Foundation, and consultation services thereafter to focus on the experience within the Obama Presidential Center and various other Foundation department needs including but not limited to campus and Foundation operations and digital experiences. More deadlines will be provided upon execution of a Non-Disclosure Agreement (NDA).

## **What is the mission of the Obama Foundation?**

The Foundation's mission is to inspire, empower, and connect people to change their world. That mission begins at home, on the South Side of Chicago, where the Foundation is building the Obama Presidential Center in the heart of historic Jackson Park. In addition to building the Obama Presidential Center, the Foundation currently has active programs all over the city of Chicago, country, and the world.

The Barack Obama Foundation is a nonprofit tax-exempt organization under 501(c)(3) of the Internal Revenue Code.

## **What will the scope include?**

The Obama Foundation is seeking an Accessibility Consultant to help us create an Accessibility Charter that will assist to put the correct policy in place to create an authentically inclusive environment for our Center and Foundation Events. We want to highlight an initial priority for this work for our largest annual event, the Democracy Forum.

## **What does the Obama Foundation expect of interested vendors to the Accessibility Consultant RFP?**

- Be a professional and committed partner to the Foundation
- Offer diverse and local representation within a team that has expertise in the nonprofit sector and cultural institutions
- Satisfy prescribed budget and schedule requirements
- Provide best solutions for the Foundation's continued growth and success
- Present a seamless and secure technology solution with robust reporting capabilities

## **Questions?**
