

Obama Presidential Center (OPC) Disaster Mitigation Services

The Obama Foundation is seeking qualified vendors to provide Disaster Mitigation and Emergency Response Services for the Obama Presidential Center (OPC), a 19-acre museum and educational campus located in Jackson Park on Chicago's South Side. This RFQ invites firms with demonstrated expertise in emergency response, disaster recovery, mitigation, and property stabilization to submit qualifications for on-call services. More information will be provided upon execution of a Non-Disclosure Agreement (NDA).

What is the mission of the Obama Foundation?

The Foundation's mission is to inspire, empower, and connect people to change their world. That mission begins at home, on the South Side of Chicago, where the Foundation is building the Obama Presidential Center in the heart of historic Jackson Park. In addition to building the Obama Presidential Center, the Foundation currently has active programs all over the city of Chicago, country, and the world.

The Barack Obama Foundation is a nonprofit tax-exempt organization under 501(c)(3) of the Internal Revenue Code.

What will the scope include?

The vendor for this need will be expected to mobilize promptly for emergency events for the future Obama Presidential Center. We are seeking a partner who will be able to coordinate closely with Foundation staff, facilities teams, insurance representatives, and relevant authorities.

What does the Obama Foundation expect of bidders to the OPC Disaster Mitigation Services RFQ?

- Be a professional and committed partner to the Foundation
- Offer diverse and local representation within a team that has expertise in the nonprofit sector and cultural institutions
- Satisfy prescribed budget and schedule requirements
- Provide best solutions for the Foundation's continued growth and success
