

Invitation for Bids for Air Quality Inspection Services

The Barack Obama Foundation is seeking a qualified consulting firm to coordinate and implement air quality testing services for the Obama Presidential Center. .

What is the mission of the Obama Foundation?

The Foundation's mission is to inspire, empower, and connect people to change their world. That mission begins at home, on the South Side of Chicago, where the Foundation is building the Obama Presidential Center in the heart of historic Jackson Park. In addition to building the Obama Presidential Center, the Foundation currently has active programs all over the city of Chicago, country, and the world.

The Barack Obama Foundation is a nonprofit tax-exempt organization under 501(c)(3) of the Internal Revenue Code.

What will the scope include?

The Foundation seeks a special inspection consultant to coordinate and implement post-construction air quality testing services. The services must be performed before occupancy begins for The Obama Presidential Center. The consultant must ensure that the services provided are in strict compliance with Building Codes and contract documents.

What does the Obama Foundation expect from potential partners ?

- Be a professional and committed partner to the Foundation
- Satisfy prescribed schedule requirements
- Provide qualified and best-in-class services to support the successful construction of the Obama Presidential Center
- Bring relevant experience in developing and implementing Indoor Air Quality management plans.
