The boat is moving through a calm fjord, with steep, rocky mountains in the background. The water is dark blue, and the sky is overcast. The Managed Growth Fund 6 ("the Fund"), a sub-fund of the Scottish Widows Schroders Personal Wealth Investment Portfolio ICVC, closed on 16th September 2019. Subsequently, the process of the termination of the Fund commenced.

Prior to commencement of the termination, the steps required under regulation 21 of the OEIC Regulations, including the preparation of a solvency statement, were completed by Scottish Widows Unit Trust Managers Limited, the former Authorised Corporate Director of the Fund.

The process of the termination commenced on 16th September 2019 and completed on 19th June 2020 as covered by this report.

On the termination completion date of 19th June 2020, the net asset value of the Fund was £nil which was determined after making provisions for the net costs of the termination of the Fund.

Managed Growth Fund 6

Statement of the Authorised Corporate Director's Responsibilities

The rules contained in the Collective Investment Schemes Sourcebook (COLL) and made by the Financial Conduct Authority pursuant to the Financial Services and Markets Act 2000 require the ACD to prepare the Termination Account which shows how the termination has been conducted.

In preparing the Termination Account the ACD is required to:

- As soon as is practically possible after commencement of the termination process, dispose of the sub-fund property and meet any liabilities from the proceeds of such disposal.
- Instruct the Depositary as to how to hold such proceeds with a view to prudent protection of creditors and shareholders against loss.
- Once the termination process is completed, prepare and sign a Termination Account showing how the termination has been conducted and how the sub-fund's property has been disposed of. The Termination Account must state the date on which the sub-fund's affairs were terminated and this date must be regarded as the final day of the accounting period for that sub-fund.
- Ensure that the auditors make a report in respect of the Termination Account which states the auditors' opinion on whether the Termination Account has been properly prepared in line with Regulations contained in the COLL.
- On or before the date the Termination Account is sent to shareholders to arrange for all shares in issue to be cancelled and for the Depositary to make a final distribution to shareholders.
- Within four months of the date of completion of termination, send a copy of the Termination Account and the auditors' report on it to the FCA and to each person who was a shareholder (or the first named of joint shareholders) immediately before the termination commenced.
- Notify the FCA on completion of the termination to revoke the authorisation order.
