

# When you hear the bell it's time for **clinell**<sup>®</sup>

  @Clinell #clinelltime

## Protect staff and patients

Clean & disinfect touchable surfaces  
to stop the spread of infection.

.....

Cleaning and disinfecting surfaces is one of the best ways to protect ourselves and each other.  
But it's important to clean the right way, otherwise we can accidentally spread germs.

Wipe in an 'S'  
shaped pattern

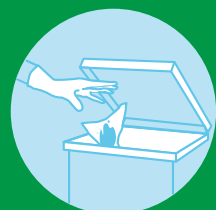

Work from  
top to bottom

Wipe from  
clean to dirty

Leave to  
air dry

One wipe,  
one surface
