

SPEAKER BIOGRAPHY

Ian Cook

**VP, People Analytics
at Visier**

visier

Ian is an advocate for the crucial role that people play in helping companies thrive. His career has focused on enabling people, teams and companies to perform at their best. For the last 15 years Ian has been helping leaders elevate their HR strategies and programs through the effective use of people analytics. At Visier Ian led the development of our market leading solution and is now focused on the overall strategy for the people analytics business.
