Risk Warning, Disclaimer and Indemnity

Risk Warning and Disclaimer

Motorsport Activities are inherently dangerous recreational activities and there is significant risk of injury, disability or death.
If you do not wish to be exposed to such risks, then you should not participate in the Motorsport Activities.

Acknowledgement of Risks
You acknowledge that the risks associated with attending or participating in Motorsport Activities include but are **not limited** to the risk that you may suffer harm as a result of:

- motor vehicles (or parts of them) colliding with other motor vehicles or persons or property;
- other participants acting dangerously or with lack of skills;
- high levels of noise exposure;
- acts of violence and other harmful acts (whether intentional or inadvertent) committed by persons attending or participating in the event; and
- the failure or unsuitability of facilities (including grand-stands, fences and guard rails) to ensure your safety.

Exclusion of Liability, Release and Indemnity
In exchange for being able to attend or participate in the Motorsport Activities, **you will and agree to:**

- **release** Motorsport Australia and the Entities to the extent that any or all of them are providing Recreational Services from all liability for:
  - your **death**;
  - any **physical or mental injury** (including the aggravation, acceleration or recurrence of such an injury);
  - the contraction, aggravation or acceleration of a **disease** including but not only COVID-19;
  - the coming into existence, the aggravation, acceleration or recurrence of any other **condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs:**
    - that is or may be harmful or disadvantageous to you or the community; or
    - that may result in harm or disadvantage to you or the community;
  - any claim for any costs and expenses you may incur as a consequence of any of the above;

  arising from your participation in or attendance at the Motorsport Activities;
- **indemnify and hold harmless and keep indemnified** Motorsport Australia and the Entities to the maximum extent permitted by law in respect of any Claim by any person; and
- attend at or participate in the Motorsport Activities at your own risk.

You understand that:

- nothing in this document excludes, restricts or modifies any rights that you may have as a result of significant personal injury that is caused by the Reckless Conduct of Motorsport Australia and the Entities as the supplier of the Motorsport Activities and Recreational Services;
- nothing in this document prevents Motorsport Australia and the Entities from relying on any laws (including statute and common law) that limit or preclude their liability;
- nothing in this document excludes any term or guarantee which under statute cannot be excluded, however the liability of Motorsport Australia and the Entities is limited to the minimum liability allowable by law;
- nothing in this document precludes you from making a claim under a Motorsport Australia insurance policy where you are expressly entitled to make a claim under that insurance policy; and
- Motorsport Australia has arranged for limited personal injury insurance coverage which may provide you with some protection for loss, damage or injury that you may suffer during your participation in the Motorsport Activities. You acknowledge and accept that the insurance taken out by Motorsport Australia may not provide you with full indemnity for loss, damage or injury that you may suffer during your participation in the Motorsport Activities, and that you may have to pay the excess if a Claim is made under an insurance policy on your behalf. You agree that your own insurance arrangements are ultimately your responsibility and you will arrange any additional coverage at your expense after taking into account Motorsport Australia's insurance arrangements, this document and your own circumstances.

Where Motorsport Activities are held in the following jurisdictions, you acknowledge that you have also read and accept the following warnings:
Under Australian Government Consumer Law (which is part of the **Competition and Consumer Act 2010 (Commonwealth)**), several guarantees are implied into contracts for the supply of certain goods and services. You agree that the application of all or any of the provisions of Subdivision B of Division 1 of Part 3-2 of Australian Consumer Law (i.e. guarantees relating to the supply of services), the exercise of rights conferred by those provisions, and any liability of Motorsport Australia and the Entities for a failure to comply with any such guarantees, are excluded. However, such exclusion is limited to liability for:

- death, physical or mental injury (including aggravation, acceleration or recurrence of such an injury of the individual);
- contraction, aggravation or acceleration of a disease of an individual; or
- the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs in relation to an individual that is or may be harmful or disadvantageous to the individual or the community, or that may result in harm or disadvantage to the individual or the community.

This exclusion does not apply to significant personal injury suffered by you as a result of the reckless conduct of Motorsport Australia and the Entities.

Warning Applicable in Relation to Motorsport Activities Held in Victoria
Warning Under The Australian Consumer Law and Fair Trading Act 2012:
Under **The Australian Consumer Law (Victoria)**, several statutory guarantees apply to the supply of certain goods and services. These guarantees mean that the supplier named on this form is required to ensure that the recreational services it supplies to you:

- are rendered with due care and skill;
- are reasonably fit for any purpose which you either expressly or by implication, make known to the supplier; and
- might reasonably be expected to achieve any result you have made known to the supplier.

Under section 22 of the **Australian Consumer Law and Fair Trading Act 2012 (Vic)**, the supplier is entitled to ask you to agree that these conditions do not apply to yourself. You understand that if you sign this form, You are agreeing that any rights to sue the supplier under the **Australian Consumer Law and Fair Trading Act 2012** if you are killed or injured because the services were not in accordance with these guarantees, are excluded, restricted or modified in the way set out in this form.
Note: You note that the change to you rights, as set out in this form, does not apply if you death or injury is due to gross negligence on the supplier's part.
"Gross negligence" in relation to an act or omission, means doing the act or omitting to do an act with reckless disregard, with or without consciousness, for the consequences of the act or omission. See regulation 5 of the **Australian Consumer Law and Fair Trading Regulations 2012** and section 22(3)(b) of the **Australian Consumer Law and Fair Trading Act 2012**.

Warning Applicable in Relation to Motorsport Activities Held in South Australia
Under sections 60 and 61 of **The Australian Consumer Law (SA)**, if a person in trade or commerce supplies you with services (including recreational services), there is a statutory guarantee that those services:

- will be rendered with due care and skill; and
- any product resulting from those services, will be reasonably fit for the purpose for which the services are being acquired (as long as that purpose is made known to the supplier); and
- any product resulting from those services, will be of such a nature, and quality, state or condition, that they might reasonably be expected to achieve the result that the consumer wishes to achieve, (as long as that wish is made known to the supplier or a person with whom negotiations have been conducted in relation to the acquisition of the services.

Excluding, Restricting or Modifying Your Rights:
Under section 42 of the **Fair Trading Act 1987 (SA)**, the supplier of recreational services is entitled to ask you to agree to exclude, restrict or modify their liability for any personal injury suffered by you or another person for whom, or on whose behalf, you are acquiring the services (a third party consumer). If you sign this form, you are agreeing to exclude, restrict or modify the supplier's liability with the result that compensation may not be payable if you or the third party consumer suffer personal injury.

Important:
You do not have to agree to exclude, restrict or modify you rights. However if you participate in, attend or spectate at the Motorsport Activities you have agreed to said exclusion, restriction or modification of your rights. Note that you may have further legal rights against the supplier under other laws. A child under the age of 18 cannot legally agree to exclude, restrict or modify their rights. A parent or guardian of a child who acquires recreational services for the child cannot legally agree to exclude, restrict or modify the child's rights.

Agreement to exclude, restrict or modify your rights:
You agree that the liability of Motorsport Australia and the Entities for any death or personal injury that may result from the supply of the recreational services that may be suffered by you (or a person for whom or on whose behalf you are acquiring the services) is excluded. Further information about these rights can be found at www.cbs.sa.gov.au

DO'S AND DONT'S OF SPECTATING

(Please read)

1. Cars under competition conditions can lose control and leave the defined road at any time. Do not stand in any areas which are not authorised or which are contrary to the advice of the organisers and officials/marshals.

2. Be prepared. Weather wise, bring hats, ground cover, sun screen and protection in case of rain or cold weather. Food and drink outlets may be provided at the Public View Point (refer to public instructions), but if not, ensure you have some of your own food and drinks available.

3. Park your car sensibly so that it will not obstruct emergency vehicles, competitors, service crews or other members of the public. In all cases obey parking instructions given by supervising officials. It is usually best to park your car facing the way out.

4. Do not try to emulate rally drivers. Remember that if you give cause for complaint it will reflect badly on the rally and the sport as a whole. Drive carefully both to and from public viewing areas, and be ready to give way if necessary on narrow stretches of road.

5. Please do not take dogs or young children to Public View Points. If you have to, make sure they are completely under your control and please make sure that animals and children do not get in the way of competing cars or mechanics or officials when they are working.

6. Do not light fires or smoke in the forests. Do not smoke near a car that is being serviced or refueled.

7. At all times keep clear of controls, including from the timing marker to the control area. If control officials ask you to move, please help them by doing so - remember they have a job to do which can be difficult enough as it is. If you do want to see a control point in action, remember to stand well back from the control area.

8. Take your entire litter home with you - it is handy to have a bag or carton in your boot. Cans and paper do not help beautify our forests.

9. At service points do not crowd mechanics when they are working. They would not appreciate it. Neither will you if someone drops a wheel or a sump guard on your foot!
