The musical history lesson no one asked for, but everyone needs! **SCOTS** is the story of Scotland. Its past, present, and future. Its people and places, triumphs and failures. All told by a figure who has seen it all... someone who witnessed the Picts and the Celts unite; who survived the battles of Stirling and Bannockburn; who heard the declaration of Arbroath; who witnessed Scottish Enlightenment, the Industrial Revolution, the charge for women's rights, the battle for gay rights, the call for Independence - basically someone who's seen some amount of s\*\*t - Scotland's greatest invention... The Toilet!

Following ecstatic reviews at the Edinburgh Fringe, this 'truly incredible' (BroadwayWorld) show has been upscaled and will tour main stages across Scotland, as a Raw Material production, in association with Beacon Arts Centre.
