# ORCHARD THEATRE & ORCHARD WEST

DARTFORD

# WELCOME TO ORCHARD WEST

TAL ROSEN | THEATRE DIRECTOR

It's a pleasure to welcome you back to Orchard West – our multi-award-winning venue – while the Orchard Theatre undergoes essential renovations. Orchard West is a state-of-the-art temporary venue with everything you expect from a theatre including comfortable seats, a fully-stocked bar and confectionary stands and a lively atmosphere for a great night out.

Orchard West was named **Innovation of the Year** at The Stage Awards 2025, and **Temporary Structure of the Year** at the Festival Supplier Awards. These awards recognise that we have continued to provide great quality entertainment and nights out to our loyal and local audiences. Our temporary theatre has become a remarkable success, thanks to the incredible support of Dartford Borough Council and – most importantly – you! Our loyal audiences.

We're proud to present our exciting 2025–2026 season. Enjoy family favourites **Horrible Histories** and **Pirates Love Underpants**, hilarious comedy from **Chris McCausland** and **Babatunde** and electrifying tributes to Taylor Swift, Coldplay, Michael Jackson, and Elvis.

We also have community celebrations **Dartford's Got Talent**, **Dartford Pride** and our annual **Summer Youth Project - A Musical Journey**, giving local young talent a stage. At Christmas, we're especially excited to welcome **Linda Robson** to our incredible cast for our 2025 pantomime **Aladdin**, alongside a show-stealing Dame, who'll have you laughing out loud.

Thank you for your continued support – we can't wait to see you back at Orchard West.

Since its opening, Orchard West has shown just how vital local theatre is to a community. When our beloved Orchard Theatre was forced to close, it could have been the end of a cultural era in Dartford, but instead, something remarkable happened. The community came together, and in just weeks, Orchard West was born. More than a temporary venue, it became a symbol of resilience, creativity, and unity.

Local residents embraced the new space with open arms, proving that theatre isn't just about performances – it's about connection. Orchard West has brought people together, sparked joy, and created memories that will last far beyond its time in Dartford. It has also played a key role in supporting local businesses and bringing life into the town centre.

The partnership between the community, Dartford Borough Council, and Trafalgar Theatres is a shining example of what can be achieved when people rally behind local arts. Orchard West reminds us that supporting local theatre strengthens the fabric of a town, creating a shared sense of pride and belonging that no temporary closure can take away.
