Written by **Willy Russell**, the legendary **BLOOD BROTHERS** tells the captivating and moving tale of twins who, separated at birth, grow up on opposite sides of the tracks, only to meet again with fateful consequences.

Few musicals have received quite such acclaim as the multi-award winning **BLOOD BROTHERS**. Bill Kenwright Ltd's production surpassed 10,000 performances in London's West End, one of only three musicals ever to achieve that milestone. It has been affectionately christened the 'Standing Ovation Musical', as inevitably it "*brings the audience cheering to its feet and roaring its approval*" (The Daily Mail).

The superb score includes *Bright New Day*, *Marilyn Monroe* and the emotionally charged hit *Tell Me It's Not True*.

AND THE FLYING DOCTORS

BASED ON THE BOOK BY

JULIA DONALDSON * AXEL SCHEFFLER

LIVE
ON STAGE

Zog, super keen student turned air-ambulance, still lands with a bang-crash-thump. Together with his Flying Doctor crew, Princess Pearl and Sir Gadabout, they tend to a sunburnt mermaid, a unicorn with one too many horns and a lion with the flu. However, Pearl's uncle, the King, has other ideas about whether princesses should be doctors, and she's soon locked up in the castle back in a crown and a silly frilly dress!

With a bit of help from some friends and half a pound of cheese, can Pearl make her uncle better and prove princesses can be doctors too?

Based on **Julia Donaldson** and **Axel Scheffler's** bestselling sequel, Freckle Productions (Zog, Stick Man, Tiddler & Other Terrific Tales) are back, with music and lyrics by Joe Stilgoe (Zog), for this truly modern take on the classic fairy tale.

Todd Boyce (*Coronation Street's* notorious baddie, Stephen Reid) and **Neil McDermott** (*EastEnders*, *The Royal*) star in Anthony Shaffer's masterpiece, directed by award winning **Rachel Kavanaugh** (The RSC/Chichester Festival Theatre)

A young man (**McDermott**) arrives at the impressive home of a famous mystery writer (**Boyce**), only to be unwittingly drawn into a tangled web of intrigue and gamesmanship, where nothing is quite as it seems...

This dark psychological 'thriller about thrillers' makes for an intriguing study of human conflict, jealousy, and manipulation. Proving to be far more than a 'whodunnit', it promises to baffle even the most proficient sleuth!

Sleuth is one of the greatest ever stage thrillers and played for a total of 12 years in both London and New York. Winning the Tony Award for Best Play, it also became the inspiration for the hugely successful film starring Laurence Olivier and Michael Caine.
