LET THE PEOPLE SING

# CELTIC — THE — MUSICAL

YOUR STORY • YOUR SONGS • YOUR CLUB

**Written by Nicky Allt**

**Celtic The Musical** returns with new dreams and songs to sing.

If you know the history, you'll know that the show now has a lot of new tales to tell, new songs to be sung and new scenes to be added as the Hoops-mad Quinn family move through the decades.

We'll join them in celebrating the thirteenth Scottish League and Cup double, the eighth Scottish treble, the ball boy captain, Callum McGregor, Big Billy and a new section on some of the cult heroes including the show's biggest fan, Bertie Auld.

Told through the songs of our supporters, from Hail Hail, Over and Over, You'll Never Walk Alone and Hampden in the Sun, this will always remain your story.

It's time again to 'Let the People Sing'.

The musical history lesson no one asked for, but everyone needs! **SCOTS** is the story of Scotland. Its past, present, and future. Its people and places, triumphs and failures. All told by a figure who has seen it all... someone who witnessed the Picts and the Celts unite; who survived the battles of Stirling and Bannockburn; who heard the declaration of Arbroath; who witnessed Scottish Enlightenment, the Industrial Revolution, the charge for women's rights, the battle for gay rights, the call for Independence - basically someone who's seen some amount of s\*\*t - Scotland's greatest invention... The Toilet!

Following ecstatic reviews at the Edinburgh Fringe, this 'truly incredible' (BroadwayWorld) show has been upscaled and will tour main stages across Scotland, as a Raw Material production, in association with Beacon Arts Centre.
