Virtual Baby Shower ☑ *checklist*

☐ **Check in with the parent-to-be**
about any preferences for the event

☐ **As the parent,**
set up a gift registry and/or **PAMPERS DIAPER STASH**

☐ **Choose the virtual "venue"**
making sure it's a platform or app that everyone can access as easily as possible

☐ **Double-check**
any limitations of the platform

☐ **Finalize the guest list**

☐ **Pick the date and time**
for the virtual baby shower

☐ **Pick a theme**
or create a background design

☐ **Write and send invitations**
including a link to your online registry and/or Diaper Stash

☐ **Plan any baby shower games**

☐ **Arrange for home delivery**
of special food or drinks to guests

☐ **Send reminder ahead of time**
with topics and conversation starters to keep the event lively

☐ **Decide when to open gifts**
at the event, and let guests know so they'll be ready to share what they've got for the little one

☐ **Before you go live,**
put up decorations, make sure your tech is working, ensure any props you need for games are good to go, and send a reminder to your guests with the link to the event

☐ **Record the event**
through the online platform or app

☐ **After the baby shower**
double-check that everyone has signed the online guest book and send out virtual party favors
