

Senior Consultant Software & Innovation

Potsdam/Berlin

Do you want to work with a creative team and launch innovative products with your ideas? Look forward to the exciting working environment at D-LABS! As a Senior Consultant Software & Innovation, you will find a lot of variety and creative freedom as well as modern working methods.

WHO WE ARE MISSING, IS YOU!

YOUR PROFILE

- > You have a degree in software engineering, business informatics or similar.
- > You are experienced in the application of agile and user-centric methods such as Scrum, Kanban and Design Thinking.
- > Ideally, you have practical experience as a trainer and coach.
- > You are willing to travel, ideally have a German driver's license (class B) and speak German and English very well.

DEINE AUFGABEN

- > Consulting of software development and transformation projects for the sustainable implementation and scaling of agile and user-centered ways of working
- > Supervision and support of agile projects as methodological coach, agility or scrum master
- > Conception and execution of trainings and workshops
- > Project management including planning and monitoring of project activities, resource planning and ensuring a timely and high quality completion
- > Sparring partner and source of inspiration for an interdisciplinary team

You know you're the one for us – but you don't fulfill all requirements? Convince us! We love to hear from you.
