

Digital Experience Designer 🌈

Potsdam/Berlin

You want to work with a good team and realize innovative projects? Look forward to an exciting work environment with multifaceted tasks as a digital experience designer at D-LABS!

WHO WE ARE MISSING, IS YOU!

YOUR PROFILE

- > You are passionate about the user-centered design of digital products and services.
- > You have completed a degree in design, with a focus on interaction or user experience design.
- > You specialize in UX design, interaction design and service design, and you have excellent skills in creating, presenting and communicating viable concepts.
- > You are a team player who masters challenges in agile projects with know-how and creativity.

YOUR TASKS

- > Conception and design of digital products and services as well as the analysis and development of storyboards, use cases and user stories
- > Creation of information architectures, flowcharts and wireframes as well as initial prototypes
- > Co-creative development of conceptual approaches in interdisciplinary teams, e.g. in workshops
- > Sparring partner and source of inspiration for an interdisciplinary team

You know you're the one for us – but you don't fulfill all requirements? Convince us! We love to hear from you.

SOME OF YOUR BENEFITS

Advanced Training
